

Quick Guide to access the Vantaca website for GHC Owners!

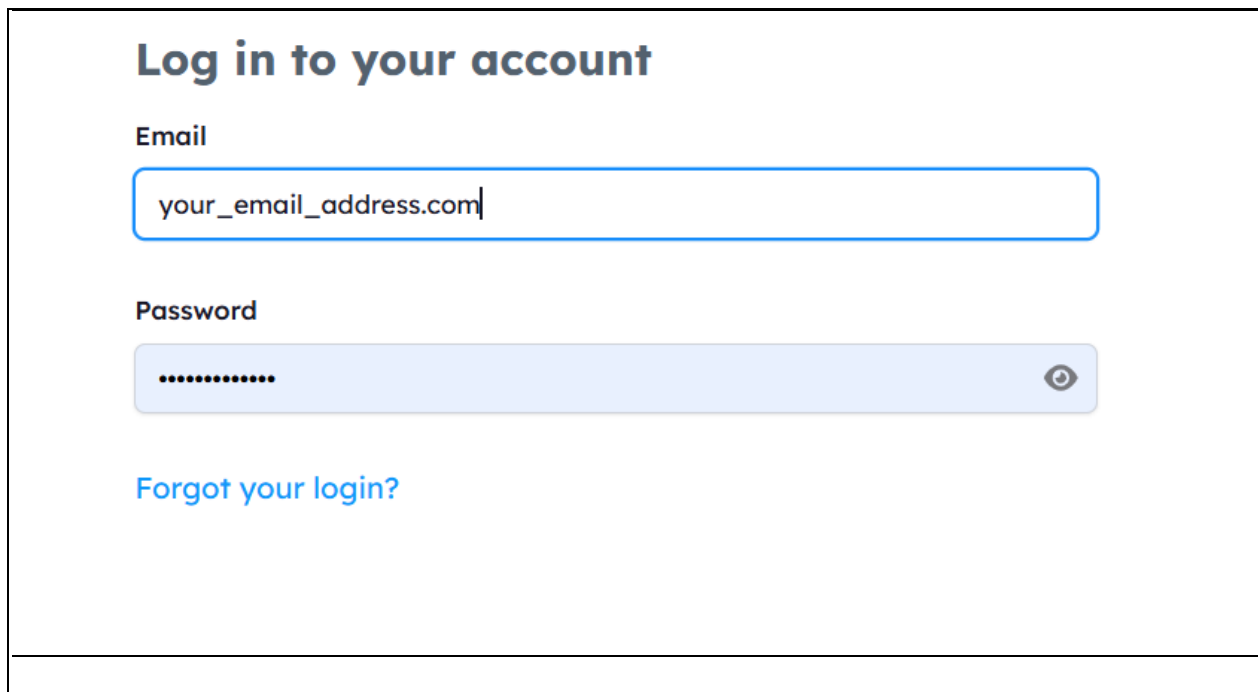

If you have accessed home.resourcepropertymgmt.com been logged in before, and *forgot your password*, enter your **email address** and select **Forgot your login?**

– An email will be sent to your email, to access the site again!

The screenshot shows the Vantaca website interface. On the left is a dark red sidebar with the Resource Property Management logo and a navigation menu with items: Home, Manager Information, FAQs, and Help. The main content area has a light blue header with a back arrow and the text "Welcome, Neighbor!". Below the header, the text reads: "Welcome Neighbor! On behalf of your Community, we are excited to bring you a new look and enhanced site for your Owners' Association. Our hope is that this community website serves as an effective information resource for your community and as a useful tool for tracking your communications with us." Underneath, there is a "Login FAQs" section with a link: "If This Website Is Not Recognizing Your Password: Please click the 'I forgot My Login/Password' link above the Email field (on the right) to generate a new password. Please allow up to 15 minutes for the email with the new password to reach your inbox. If the new password you receive does not work, it is almost always due to a typo in which similar looking characters are mistaken for each other (e.g. lowercase l and capital I, or letter O and number 0)."

See this information on the page.

The screenshot shows the login form titled "Log in to your account". It features two input fields: "Email" with the placeholder text "your_email_address.com" and "Password" with a masked password "....." and a toggle icon. Below the password field is a blue link that says "Forgot your login?".

If you have **NEVER** accessed the site previously, please **email Erica** at ewilson@resourcepropertymgmt.com & include in the subject line: **Vantaca Access**
