

## Infant & Toddler Summer Guidelines

Spaces are limited and priority will be given to children who are enrolled at MA for the 2018-2019 school year during Early Bird Registration (March 2 - 21). Children who enroll during Early Bird Registration and are NOT enrolled at MA for the 2018-2019 school year will be placed on a waiting list until the end of early registration. Children placed on the waiting list will be notified on April 2<sup>nd</sup> about available spaces. **Completed forms must be returned by Monday, April 9<sup>th</sup> to ensure placement.**

- Tuition is due every Monday.
- Tuition received after Monday will be subject to a \$10 late fee. You may pay for a few weeks at a time in order to avoid these late fees.
- Reserved weeks may be switched if desired week is available and advance notice is approved by Mrs. Walther.

If you reserve a week and find that your child cannot attend, payment must still be made. Montessori Academy may credit your account only if BOTH the following conditions have been met:

1. You have notified the office in advance AND
2. There is an extra child on the waiting list who is able to fill your child's space.

## 2018 Infant & Toddler Summer Programs

June 4<sup>th</sup> - August 3<sup>rd</sup>

**Come Join the Fun** at the Montessori Academy summer program. We have put together information for both the Infant and Toddler programs. Take a look and see what we have to offer for your child. Our experienced staff has been busy preparing for another summer of adventures. We hope you will join the fun here at Montessori Academy!

## Infant at a Glance

Our Infant Summer Program is for ages 3 months- 18 months. In this carefully prepared environment, infants are provided with engaging learning materials in a peaceful yet stimulating setting. Daily communication will be provided by the teachers about your child's schedule, needs, and progress. The infants will maintain the daily routine which has been established during the school year. Each child receives opportunities for independent work, movement, concentration and warm outdoor strolls throughout our wonderful campus.

All food for Infants will be brought from home on a daily basis.

## Toddler at a Glance

Our Toddler Summer Program is for children ages 18 months through 3 years. There will be activities that will provide opportunities for continued growth and social interaction. The children will maintain the daily routine which has been established during the school year, and also experience some exciting summer activities such as arts and crafts, water play and nature walks.
