

TETRAD SUPER BLOOD MOON

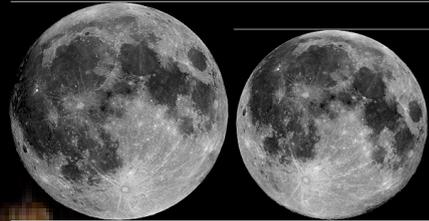

END OF THE SHEMITAH AND COMING WORLD ECONOMIC RESET

It was the command of YHVH to Israel to uphold a Sabbath Year over the land, people, property and commerce. Israel was unfaithful due to their greed that resulted in the national Judgment and Diaspora of Israel to Babylon for the 10 Shemitah's owed to YHVH. The Shemitah is a dichotomy as it has a double application in not only being a blessing of 'release' and resetting of debts, for example but a national judgment of a nation when not kept. The owners and manipulators of the rigged Stock Market that 'fixed' the drop of 678 points after 9-11 on 9-17-01 and 777 points on 9-29-08 appear to be 'coding' this prophetic Judgment currently impacting the USA and the world at large economically based on the Biblical Shemitah Law of release. This notion of the Shemitah principle was first brought to the public's attention from Jonathan Cahn's study on the Harbinger. The USA and its predominant world economy has epitomized the essence of greed and thievery as it was with Ancient Israel. The timelines illustrate this theory and shows the key points in the timing of the attacks/judgment on the USA that the *Money Changers* are using to usher in their New World currently as the US Dollar and economy are currently systematically being imploded. IF national judgment of the USA began on 9-11, then the forthcoming 7 year intervals that are to culminate on Sep 13, 2015 will be of some prophetic significance that will finalize the sequence pattern of judgment and economic resetting. The year of release coincides with the last Blood Moon of the Tetrad that happens to be a Super Moon 15 days later. This in turn has prophetic implications for Israel.

Shmitah Pattern of Resetting

The Shemitah is 'the Sabbath Year' which means to release also referred to as the **sabbatical year** or the **7th** as in the year of the 7-year agricultural cycle' mandated by the Law of YHVH during the Feast of Sukkot which lasts 7 days. All debts were cancelled and indentured servants were released of their obligations and sent out with a blessing.

SUPER MOON

This phenomena occurs when a Full Moon is nearest to the Earth due to the Moon's elliptical orbit called Perigee. Most recently this happened on June 22, 2013 the same day the Star of David Alignment occurred. They are very rare occurrences and when they do occur, the Moon is 13% larger and 30% brighter. The next Super Moon is scheduled to occur, according to NASA, on SEP 28, 2015 and Nov 14, 2016. The red color appearance occurs as the Moon passes through to the Earth's shadow.

TETRAD SUPER BLOOD MOON

END OF THE SHEMITAH AND COMING WORLD ECONOMIC RESET

According to Jonathan Cahn's theory, Elul 29, 5775 or Sep 13, 2015 is when the last implosion of the world economy will most likely occur, in that case, total chaos will ensue. This scenario would concur with the celestial configurations and alignment due to the conjunction of the Moon with Uranus, the Father of the Titans, birthed in Chaos on the 2nd day of Sukkot, the day of the Hakhel assembly, the 8th Day. The Money Changers that have capitalized and manipulate the world commerce will use this Shemitah timing as planned to usher in the New Order reset. If the total lunar eclipse of the Sukkot Super Blood Moon is a type of the Rapture, then having the Church out of the way would allow the AntiChrist to formulate the New Order and currency, the Mark out of this designed chaos. This NWO economic 'Mark of the Beast' new currency and economy will be based on not being able to sell or buy unless one is part and partial to this 'Mark'. Undoubtedly the sacrificial countdown started with the attack on 9-11. It was a ritualistic and Kabbalistic slaughter of innocent people by the Money Changers that require blood to appease their Satanic Masters to implement the countdown to Lucifer's New World economic reset that will be used to control all of humanity. These progressive and systematic collective sacrifices through false flags, illegal wars and constitutional overwriting of civil liberties are being made to coincide with the very Holy timetable of YHVH's appointed Shemitah.

URANUS - ORDER OUT OF CHAOS

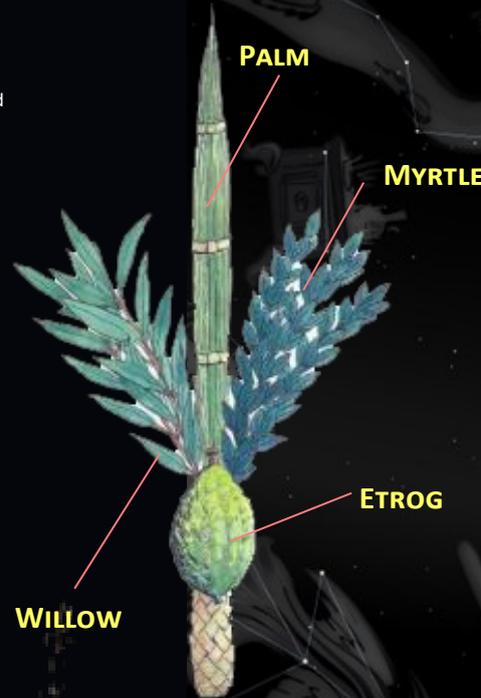

Uranus Οὐρανός is attributed to the sky god of the heavens and in some renditions, the god of waters also. In mythology, Uranus as Father Sky was said to have been born from Chaos, (order out of chaos) and was the son-husband of Gaia, Mother Earth. These are the parents of the Titans. This ancient script goes along the lines of the Nimrod-Semiramis, Horus-Isis Luciferian and occultic alternate world view, etc. After the 1st Day of Sukkot, the 29th, the Moon will conjoin Uranus.

The Sukkah

Sukkot is often considered the Jewish 'Thanksgiving'. It is also called by the Feast of Tabernacle or Booths as a Sukkah or outside Booth. Its made to commemorate the temporary shelters the Israelites built along the journey in the Wilderness from Egypt to the Promised Land. It is also referred to the Week of Rejoicing as it lasts 7 Days with a 8th Day as a corporate Assembly in which the Torah is read known as the Hakhel which means to assemble or otherwise known also as Shemini Atzeret. This Feast falls on the 15th of the Jewish Calendar month of Tishrei after Rosh HaShanah, Yom Kippur and is the last of the 3 required assembly of men before the LORD. Passover, Pentecost, Sukkot as the Palms were waived in Passover, the Bread at Pentecost and the Lulav or palm on Sukkot. The Jews use 4 elements or species to commemorated Sukkot before the LORD; a Palm, a Willow, a Myrtle and an Etrog (citrus).

A 'RAPTURE' TYPE?

To have the Super Blood Moon occur on Sukkot, being the last of the Tetrad in Pisces is unique as the Hakhel is to bring the Jew and Non-Jew together for an assembly. The Church birthed by Messiah consists of this one 'New Man' in Christ, both Jew and Gentile. It is interesting that the Blood Super Moon occurs when the Feast of Tabernacles will have Christians and Jews believing in Messiah together in Jerusalem as the Blood Moon will be setting and seen towards the western horizon. Pisces is associated with Andromeda, the chained and persecuted Woman that typifies the Church Age now and Pegasus, He who swiftly comes to rescue and 'rapture' the Bride away. For sure it is a picture of when the King will the Church to the Heavenly Mt. Zion to read the Law, the breaking of the 7 Seals of Judgment upon the Titans to come out of chaos as the Shemitah is about judgment as well.

THE 8TH DAY - SHEMINI ATZERET

The Shemitah is 'the Sabbath year which means to release and also called the sabbatical year or the 7th as in the year of the 7-year agricultural cycle mandated by the Law of YHVH.

The Shemitah was to provide rest for the land but before all the plowing, commerce and labor were to begin anew on the '8th' Year, on the 2nd day of Sukkot, the nation of Israel was to 'assemble' (Hakhel) before the King to read the Law. The King would read from Deuteronomy and recited the 'Blessings or the Curses' and their conditions. The LORD YHVH would admonish His People to choose 'life' and not 'death' in obedience to His Holy prescripts. It is understood that the last such event took place the year before the destruction of the Temple in 70 AD.
