

Region 9 report for 10/8/2018

Meeting minutes read and accepted.

R.C. report

The seminar is set for January 18,19, and 20th.

An R.C. meeting is October 13, with a Board meeting on the 14th.

Treasure report

A problem with our Region 9 account, where region 20 could see our account along with their own online. It happened because the two credit unions are merging and the way they access the accounts is different, Regions 20's account is accessed by the TID and since Region 9 has the same TID because they are both ABATE accounts, the program showed both accounts. The problem has been fixed and a thank you to region 20 treasurer Steve for the heads up.

Report given and accepted.

Products report

I will pick up 20 Look Twice signs at the R.C. meeting.

Road Captain report

Turkeyville was a great ride, but bad weather has come in early this year so no ride is planned for October.

Legislative report

No report. I hope to have more after the R.C. meeting.

Old Business

I went to the Stockbridge meet and handed out 15 ABATE newsletters.

News Business

Ray is our Region 9 Biker of the year, he received reimbursement for his one year membership. He will also be our ABATE member of the year and will get a ticket for the seminar dinner if there is one.

Nominations held for region board had has all current board members remaining in office.

Meeting closed.

Respectfully submitted

Nick Henry

Region 9 R.C.
