

March Madness 2016

Central Alberta Mountain Club

Hike Two - Sunday, March 20.

Some hikers left Saturday night after the Great Kahoot Game of 2016! Our supper of chili dogs, hamburgers, salad, desserts, and all the fixings left our stomachs full! We had a meeting and decided that we'd head down, or up the Hoodoo Creek trail to the cave. We knew it was going to be a short day so we could get home at a decent time.

This drainage is at the end of the creek. It leads up to a view great viewpoint.

Hole in the Wall, last year's hike.

Wind was howling once again.

After stopping and taking pictures of the hoodoos we continued on to the cave. About 1 km down the creek and then straight up.
