

We are reopening on June 12th and we are excited to see you. There are a few changes though so please be aware and share this information with anyone you know who is headed back to the gym.

Before your key will become active and before you will be allowed access you must fill out two forms:

- 🕒 Covid 19 Assumption of Risk Waiver
- 🕒 New medical information, waiver, & rules form.

You will not be allowed access until these forms are completed.

To receive the forms to complete:

- \* You can download from our website at [www.comfitme.com](http://www.comfitme.com) and email completed forms to [friendsofitness@myfairpoint.net](mailto:friendsofitness@myfairpoint.net)
- \* You can stop in during supervised hours to complete.
- \* You can request and return them via email or messenger.

For interactions with the office staff please stop at the sliding window in the entryway, 1 person or family unit at a time. This includes filling out the new paperwork or making payment. If someone is already in the entry, please wait your turn outside. If you've already completed your paperwork, then you may enter and stay to the right as you continue into the facility. The office door will be closed. If you need to ask questions once you're in the facility please knock on the door to get our staff's attention. The office will be for employees only.

Entrance will be through the doorway you have always used but Exits will be through the doors down by the bathrooms. Please train yourself to use those doors for Exits to help us keep physical distancing.
