Welcome to our 2025 magazine! We're excited to be featured in *Little Elm Living* once again. Prestonwood had another historic year in 2025.

We were also pleased to host our first-ever Hunter Jumper Show—the **Dallas Hunter Jumper Scholarship Circuit** (www.dhjssc.org)—which held its spring event at Prestonwood’s world-class facility. The show was a huge success, with over 80 participants in the two-day event, May 3–4. They will return October 4-5 for a second show, and spectators are welcome!

Prestonwood had another historic year in 2025. We hosted our first-ever **USPA National Intercollegiate Polo Championship**, where 10 of the top college polo teams in the country descended on Oak Point in March to compete for the prestigious Division I National Intercollegiate Polo Championship. Teams included UNT, SMU, UVA, Texas A&M, UCONN, USC-Aiken, and Cal Poly. In the end, Texas was well represented, with the exceptionally talented Texas A&M men’s and women’s teams winning the championship.
