## HURRICANE SANDY - YHVH'S DIVINE INTERRUPTIONS

The purpose of this illustration is to highlight possible type and shadows of how HURRICANE SANDY has some Prophetic Overtones to several Biblical DIVINE JUDGMENTS. This Analogy is in no way saying this unprecedented Disaster is a 'Divine Judgment' but that it appears to have peculiar Associations of certain ones in the past and that which is to come Biblically Speaking. This is only a suggestive Typology Depiction. The context of this study will be presented in the classic 'Tale of 2 Cities'. The City of Lucifer vs. the City of Christ Jesus. The Bride of Christ vs. the Whore of Babylon. It appears that 1) NYC is a Type of the Prophetic 'Babylon' System that is to be judged by Divine Righteousness. 2) Philadelphia is a type of the True Christian Church that is to be spared for such a Divine Judgment, by way of the Rapture. It will be provided an 'Open Door' to come in the midst of Sudden Destruction—like the Days of Noah, Sodom and Gomorrah. The Eye of the Storm's path was directly in-line with Philadelphia, yet NYC suffered the Brunt and Damage. 3) The mangled Construction Crane at the base of Central Park can allude to the TOWER OF BABEL being 'Interrupted' of its Construction. It appears that Central Park is a type of an ANTHROPOMORPHIC MAN that can correspond to the Statue in the Prophet Dannie's vision of a 5-tiered Man of Luciferian inspired World Kingdoms. These are Typologies are general in scope and not intended to encompass the integrate details beyond the past, present and future Divine Judgments as described in the Bible.

### DIVINE JUDGMENT OF YHVH

There is always a Type and an Anti-Type in the Bible. In the Book of Revelation, there is a Prophetic Vision of a 'Women' riding a Beast in Royal Purple, Red, with Jewels that is over the Nations of the World. What is striking is that she is 'Drunk' in the Blood of the Saints, those Followers of Jesus Christ. She is depicted as a Woman who revels in Luxury, Riches, ill-gotten Wealth through Deception, Thievery and Deceit. This 'Babylon' is the False Christianity and Religion of the coming AntiChrist, the 'King of Babylon'. This False Religion will be Judged.

A Natural Disaster like HURRICANE SANDY ON HALLOWEEN'S EVE can be an Devine Instrument used by YHVH to get People's Attention and Heart. If the Prophetic Type is valid, then this Event echoes the prophetic events of the coming Divine Judgment on Babylon while at the same time shielding the True Remnants of the Church of Philadelphia.

**NEW YORK**  
The Whore - Babylon

**PHILADELPHIA**  
The Bride - Jerusalem

Judgment of YHVH echoes in this Natural Disaster Type begin compared of the 2 Mighty Cities, New York and Philadelphia. One is Big and Strong, the other Smaller and Weak. It is a 'Tail of 2 Cities' and has its Prophetic Shadows all throughout Human History. Presently, HURRICANE SANDY produces several Prophetic 'Types' of the Coming Judgment. It can allude to several Divine Interruptions written in the Bible. One that occurred in the Past, one that is occurring Now, and one that will occur in the Future for 1) Babylon, 2) the World 3) the Church.

In YHVH's domain, Philadelphia is in the midst or 'Eye' of Prophetic Events. It typifies the Redeemed that will be spared from the Wrath that is to come upon the Inhabitants of the Earth for that '1 Hour'. And is about to be led through an 'Open Door' to Heaven at some point in these Last Days before the 5th Kingdom of AntiChrist arises. The City of Philadelphia, which means 'Brotherly Love' from the Greek is Geographically halfway between New York City and the District of Columbia. DC is the current Capital of the USA. Note that NYC was the 1st Capital of the USA. Some believe that both are Occultic Centers of Energies of Darkness.

NYC is said to be the current NWO Capital or 1 of them. It is the 'Eye' of the ethereal Illuminati Pyramid apex. It is the current Center of World Commerce, Media, Communications and Financial Planning, etc. So, the eve of Halloween in 2012, the Stock Market Closed due to the Hurricane Sandy. Not since 1888 has the Stock Market closed for more than 1 Day. 888 is very significant to the Occult. In Gematria, the number 888 is strongly associated with the name of Jesus Christ. It is thus also attributed to the Resurrection and Rapture, as they both must coincide. It is considered to be the 'Perfect' Number as opposed to 777 which is the 'Complete' Number.

Perhaps the Stock Market has been Divinely Judged or 'interrupted' by the LORD GOD of Heaven as a 'Sign' to its End one day. An End to it Thievery and Banker Tax-Payer Bailouts; making ill-gotten Wealth off the Backs of hard-working Tax Payers.

Of note, at the apex of the Central Park layout facing North is St. JOHN THE DIVINE Church. This 'Church' is a Counterfeit to Christianity. It is a Type of how the 'Babylon' Religious System has, is and will be a System set-up to replace Jesus Christ. Their New Age Christ is suspended in the navel. According to the visions of the Biblical Prophets Daniel and John, in the Last Days, the last Kingdom of this false 'Babylon' will be a Hybrid False Christianity, Perhaps mixed with Islam but struck by the Rock, which is a type of Jesus Christ at His 2nd Coming.

### TOWER OF BABEL - INTERRUPTED

The Tower of Power was an attempt by Lucifer to rally the whole of Humanity after the Biblical Flood of Noah under his 'Christ', Nimrod. The same Goal is to unify all the Nations in Defiance against YHVH. Their Attempt then, was thwarted by the YHVH's Divine Interruption of Judgment; the 1 Language was Scrambled. This Judgment stopped their Construction of their Tower to reach into Heaven through some Dimension in an attempt to invade Heaven through it.

### LUXURY TOWER OF 'BABEL' - INTERRUPTED

A particular 'Tower' or Skyscraper on West 57th Street was to be the highest Luxurious High-Riser in the New York City area. The building is at the base of Central Park. Central Park is said to have a Anthropomorphic Layout. This Construction of the 'Tower'; was 'interrupted' by the Hurricane.

Many Scholars of the Bible, compare New York City to Babylon. Why? Babylon as a City, was known for it Opulence, Riches and Luxury. It was also known for it Decadence and Lifestyles that offended the True GOD of Heaven. The Book of Revelation even speaks of a Center of such Power. It even has a Commerce that exchanges and/or sells and buys the 'Souls of Men' as though they were traded as Gold and Silver. In Prophetic Perspectives, the City of Babylon is also a Metaphor for a Religious, Economic and Political System also.

### PHILADELPHIA

The 'Eye of the Hurricane' might look Ominous, but it is actually the Safest Place to be in comparison to the Periphery of Devastation. In the Book of Revelation, this type of Church Body was spared the Divine Discipline that the other surrounding Churches did not. Philadelphia was and is and will be the only Church Type of Believers, to be given an Open Door and kept from Judgment of the World to come as a 'Divine Hurricane'. Jesus personally promises an Open Door to Heaven.

It will be opening up at the time of the Resurrection and Rapture. In Acts 27, the Apostle Paul finds himself in a similar situation, in the Eye of the Storm, literally. His faith and YHVH's Deliverance demonstrates that if Christ Jesus is at the Center of one's Heart, or 'Eye' Biblically Speaking, no matter how much is going on around the Destructive Peripheries in one's Life, there will be Peace, Calm and Ultimate Deliverance by the LORD Jesus Christ.

### DIVINE INTERRUPTIONS

Perhaps the Crane that was struck in the Skyscraper or 'Tower' is a Divine Reminder that the Sovereign LORD of Heaven, YHVH has the ultimate say of how far Mankind is allowed to go. The last World Kingdom of Lucifer's Domain will be stricken down by Divine Judgment—which will be the True Christ. The coming New World Order whose 7-Year Kingdom will rule the World. But in the End, it will be Divinely Judged by Jesus Christ, the Rock of Offense. This will occur, according to the Bible after the Time of Jacob's Trouble.

Now, as of October 31, 2012, for NYC in particular, Life has been interrupted on Halloween. But perhaps Prophetically as a Foretaste of what is to be occur in the Near Future on a Global Scale that will be like a Halloween Experience on Earth after the Rapture. But for now, as Power will take days if not weeks to restore, the Construction of the 'Towers of NYC', aka Babylon or as with the Freedom Tower, for example are not likely to resume anytime soon.

It appeared that YHVH also interrupt Babylon's Commerce too. The Money Changers could not work their Rigged, Stock Market numbers. The Numbers are often tweaked to end at certain Combinations, they are 'Codes' that signal certain Transactions that involve and go beyond just Financial Exchanges. Yet YHVH, the LORD of Heaven can also 'Tweak' Numbers perhaps to provide a 'Sign' as well. It is interesting that not since 1888 (8-8-8) has the Market remained closed. In Greek, the Number 888 equals to the Name of Jesus.

### PAST DIVINE JUDGMENTS

YHVH interrupted the History of the entire Human Race by a Global Flood. YHVH interrupted the Tower of Babel Construction of the united singular Human Race. GOD interrupted the False Religious System of Apostate Israel during the time of Jesus Christ. 70 AD was the Destruction of 2nd Temple.

### PRESENT DIVINE JUDGMENTS

YHVH interrupts the Full-On Evil by having The Restraint, the HOLY SPIRIT, in the World operate in the Redeemed. YHVH interrupts the present Successors of the Babylonian False System, Economically in this case i.e., New York City. YHVH interrupts the Sin that is tolerated in the Laodicean Church that closes-out the Church Age.

### FUTURE DIVINE JUDGMENT

YHVH will interrupt the World again with Devastation as never before seen called the TRIBULATION PERIOD. YHVH will interrupt the Last Luciferian New World Order Kingdom of the 10 Toe Confederation with The ROCK, Jesus. YHVH will interrupt the Christian Apostate Church i.e., the Roman Catholic Church that is, in one's Estimation, the Whore of Babylon, Religiously.
