Port St. Lucie  
Botanical Gardens

## TASTE OF THE TROPICS

Join us at The Gardens on **Saturday – June 15<sup>th</sup>, 2019** for our annual plant sale featuring a **Taste of the Tropics**. The plant sale will begin at **9am** and run through **1pm**. In cooperation with the Treasure Coast Rare Fruit Club, the Taste of the Tropics Plant Sale will feature our beautiful Botanical Gardens where you can explore the wonderful world of tropical fruits available on the Treasure Coast and join in tasting Tropical Fruit grown locally.

Additionally, browse the annuals, perennials and Florida-friendly plants as well as fruit trees, shrubs, native plants, orchids, exotics, bamboo and garden related crafts that will be available from The Gardens and numerous vendors. Find what you need to make your Garden grow and talk with the experts while you tour the Gardens. We hope to see you there.

Jeff Chambers  
Melinda DeMarco  
Judy Nash-Wade  
Michelle Peterson  
Tim Sutton  
Mary Thomas

### Standing Committee Chairs . . .

Election Committee: Stephanie Alessandrini-Giarraffa  
Finance Committee: Brenda Gustafson  
Gift Shop Committee: Claire Clark  
Horticulture Committee: Brenda Gustafson  
Membership & Volunteer Committee: Mary Thomas  
Resource Development Committee: Melinda DeMarco  
Strategic Planning Committee: TBD

### Newsletter . . .

Editor & Design: Mark Barnes

The Gardens is managed and operated by Friends of the Port St. Lucie Botanical Gardens, Inc., a non-profit 501(c)(3) public charity organization, that was founded to help support the daily operations of The Gardens. Friends volunteers provide hands-on daily oversight of the facility, including staffing to handle the many visitors year round. Please consider becoming a member of Friends. Friends' is a 100% volunteer organization. In all cases, donations are deductible to the extent allowed by law.

## PRESIDENT'S MESSAGE...

June 21 this year marks the Summer Solstice and longest day of the year. At the Gardens, summer is a period of reduced visitor traffic, higher temperatures and humidity for working on hard labor projects outdoors, and a time when our volunteers look for creative ways to improve the Gardens without overtaxing anyone's ability to work. Some of the ambitious projects on the clipboard are: establishing a proper display staghorn ferns, a favorite of everyone; expansion of the container gardening display in the veranda of the Pavilion; changing the layout of our Gift shop to maximize retail floor space, and more!

The City's Westmoreland project Phase I has completed and we're quietly awaiting the next phase of that interesting neighbor project.

Plan to visit the Gardens during June. We can't promise low temperatures or humidity, but we can offer shade and A/C when you need it. Hope to see you soon!

Thank you.

**Joleen King**  
President

## VIDEO OF THE MONTH

**TAKING A STOLL THROUGH THE BUTTERFLY GARDEN**

# *Become A Faerie Forrest Sponsor*

## *Sponsorship Levels*

### **\$10,000 - Sponsor The Forrest**

Primary Sponsor with subtle signage, recognition on the FPSLBG website & promotional rack card, and a Full Page Newsletter Ad for 2 years.

### **\$750 - Faerie Faenatic**

Opportunity to name one of the Faeries, recognition on the FPSLBG website & promotional rack card.

### **\$100 - Faerie Friend**

General Donation to support The Gardens with recognition on the FPSLBG website.

Sponsorship opportunities for Faerie Faenatics, including a corporate sponsorship, are available for a limited time. Are you interested in becoming a Faerie Faenatic or a Corporate Sponsor? Call us today at 772-337-1959 or click the link below.

# UF | IFAS Extension

## UNIVERSITY of FLORIDA

### University of Florida IFAS Extension Central Florida Gardening Calendar - June

## What to Plant

**Annuals/Bedding Plants:** Annuals that can take full sun during the increasingly hot summer months include celosia, portulaca, vinca, and some coleus. **See Annuals:** [http://edis.ifas.ufl.edu/topic\\_annual\\_landscape\\_plants](http://edis.ifas.ufl.edu/topic_annual_landscape_plants)

**Palms:** Summer's warm, rainy months are the perfect time to plant palms. Make sure not to cover the trunk with soil. **See Palms:** [http://edis.ifas.ufl.edu/topic\\_palms](http://edis.ifas.ufl.edu/topic_palms)

**Herbs:** Plant heat-loving herbs, including basil, ginger, summer savory, cumin, Mexican tarragon, and rosemary. **See Herbs:** [http://edis.ifas.ufl.edu/topic\\_herbs](http://edis.ifas.ufl.edu/topic_herbs)

**Vegetables:** Plant tropical vegetables, such as boniato, calabaza, and chayote this month. **See South Florida Tropicals:** [http://edis.ifas.ufl.edu/topic\\_series\\_south\\_florida\\_tropicals](http://edis.ifas.ufl.edu/topic_series_south_florida_tropicals) and *Chayote:* [http://edis.ifas.ufl.edu/topic\\_chayote](http://edis.ifas.ufl.edu/topic_chayote)

## What to Do

**Pests:** Monitor the landscape and garden weekly for harmful insects. Knowing which insects attack a plant can aid in identification and treatment. **See Landscape Pest Management:** [http://edis.ifas.ufl.edu/topic\\_landscape\\_pests](http://edis.ifas.ufl.edu/topic_landscape_pests)

**Irrigation:** Watch for drought stress and water as needed if rainfall has been spotty. Focus on new plantings and follow watering restrictions. When rains begin, shut down the irrigation system. **See Landscape Irrigation:** [http://edis.ifas.ufl.edu/topic\\_landscape\\_irrigation](http://edis.ifas.ufl.edu/topic_landscape_irrigation)

**Propagation:** Produce more plants by air layering, grafting, division, or cuttings. **See Seeds and Propagation (Lawn and Garden):** [http://edis.ifas.ufl.edu/topic\\_garden\\_propagation](http://edis.ifas.ufl.edu/topic_garden_propagation)

**Palms and cycads:** Watch for nutrient deficiencies or other problems and use an appropriate treatment. **See Palm Care:** [http://edis.ifas.ufl.edu/topic\\_palm\\_care](http://edis.ifas.ufl.edu/topic_palm_care)

**Pruning:** Lightly prune summer-flowering shrubs, like hibiscus, oleander, and ixora, during the warmer months to increase blooming. **See Pruning Landscape Trees and Shrubs:** [http://edis.ifas.ufl.edu/topic\\_tree\\_pruning](http://edis.ifas.ufl.edu/topic_tree_pruning)

**Fertilizer Bans:** Numerous municipalities in south Florida prohibit the application of fertilizer to lawns and/or landscape plants during the summer rainy season (June–September). See if such an ordinance exists in your area.

**Lawns:** Check frequently for damaged areas and keep insects in check with early treatment. Determine whether yellow and brown lawn patches are caused by chinch bugs, disease, or lack of water. Take time to determine the cause so your remedy is effective. Rejuvenate areas where grass does not grow well by replacing it with versatile groundcovers. **See Garden Pest Insects:** [http://edis.ifas.ufl.edu/topic\\_garden\\_pest\\_insects](http://edis.ifas.ufl.edu/topic_garden_pest_insects), *The Florida-Friendly Landscaping™ Guide to Plant Selection & Landscape Design:* [https://ffl.ifas.ufl.edu/pdf/FYN\\_Plant\\_Selection\\_Guide\\_2015.pdf](https://ffl.ifas.ufl.edu/pdf/FYN_Plant_Selection_Guide_2015.pdf) and *Ground Covers:* [http://edis.ifas.ufl.edu/topic\\_ground\\_covers](http://edis.ifas.ufl.edu/topic_ground_covers). See *Lawn Fertilizer:* [http://edis.ifas.ufl.edu/topic\\_lawn\\_fertilization](http://edis.ifas.ufl.edu/topic_lawn_fertilization)

**Soil solarization:** Clean up your vegetable garden and solarize the soil for 4–6 weeks to kill pests and disease. **See Soil Solarization:** [http://edis.ifas.ufl.edu/topic\\_soil\\_solarization](http://edis.ifas.ufl.edu/topic_soil_solarization)

**Lightning safety:** Be safe outdoors during storm season.

# ARE YOU SERVING ON A COMMITTEE?

Have you thought about serving on a Gardens Committee? Do you have hidden talents that would help our Gardens to grow. We have openings on the following committees and can use your assistance and talents:

- Event Planning Committee - Social Assistants
- Propagation Committee • Dig in the Dirt
- Newsletter / Website Design Committee
- Hospitality Committee
- 2020 Planning Committee
- Gift Shop Committee
- Landscape Design Committee
- Art in the Gardens Committee
- Finance Committee

Give us a call at 772-337-1959 or email [info@pslbg.org](mailto:info@pslbg.org) to find out more or to volunteer for a specific committee.

## VOLUNTEER HELP NEEDED

TEAM LEADERS TO ASSIST WITH  
LANDSCAPE MAINTENANCE

Wednesday-Saturday • 10AM - 1PM OR 1PM - 4PM  
Sunday • 12PM - 4PM

### THIS IS A 4 HOUR, ONE DAY A WEEK COMMITMENT!

Team Leaders will supervise and oversee volunteers in the completion of gardening tasks throughout the Gardens.

The position requires a team player attitude, interpersonal and communication skills, attention to details and project coordination. The Landscape Maintenance Coordinator should have the ability to collaborate with and support the Horticulture Committee. *Training will be provided in all aspects of the maintenance.* **Master Gardeners Welcome!**

What better way to support your **Port St. Lucie Botanical Gardens** and spend time outside in this lovely growing garden. Call Mary Thomas or Brenda Gustafson at 772-337-1959.
