May Transactions- 16 properties sold 3 with homes, 13 vacant lots

VI) MAINTENANCE REPORT – PRESIDENT – Montrell Williams

No Projects to report

VII) COMMON GROUNDS & SECURITY REPORT – Ken Blohowiak

- 1) Update to Trash garage- The Rolloff dumpster has been removed due to cost. The 3 trash cans have been put in its place. Going back to pick up 3 days a week. The 3 trash cans will eventually have lids and locked after business hours. The architect is working on restructuring the trash garage instead of coming out towards the road it will be widening it.
- 2) Back yard beautification project- is continuing. The cement pad is done with a compass, and a saying life is a journey. Outside events are being worked on.
- 3) Pickleball/ tennis courts- are being worked on currently.

VIII) MEMBERSHIP & AMENITIES REPORT – PRESIDENT – Montrell Williams

Technology Committee Update – None

IX) COMMUNICATIONS – SECRETARY – Charlsie Eijlers

Annual Meeting is July 12, 2025, Lunch will be catered by Roy's BBQ. Owners are free guests will be \$25.00 per person. Please sign up at the office by July 8th

X) OLD BUSINES- (Ken Blohowiak) There has been mention of doing a dog park. Currently, it is too expensive. In the back of the club house there is a path to walk with your dog. As for now, the dog park is off the table

XI) NEW BUSINESS-

XII) PUBLIC COMMENT (3 Minute Time Limit)

Cindy Cooper- 9/001- We have a fire hydrant near our property. Is it used

Louise Noble- GM for MMW- Respond to Cindy Cooper. It is not a working hydrant. It does not have a pump there is no water that will come from it. If there is an issue, 4-Mile fire brings its own water. Per Louise there are 2 60-gallon tanks that the water company offered 4-mile fire company to keep water in CCME for emergencies, but due to 4-mile employee change over nothing was ever decided. It would be a rough estimate. \$1000.00 per tank to fill. Tanks are

spaced in CCME and would be a could source to use if there was an emergency. Replacement water would be at no cost. This has been documented with 4-mile fire company.

Ed Seal-VP has asked Louise to write a proposal and submit it to the board and the board will talk with 4-mile fire. These tanks would be limited to just CCME.

Ted Gembczynski-16/048 suggests about having activities such as storytelling, comedy shows, local theater from schools, concerts, ect...

Alex Joe-22/143- Would like to thank the board for their service and recommend adding signs to the trash such as No dumping, Fines, county called for trash dumping.

Lisa Smith- 16-7 watch for your trees there is a tree disease that is spreading around causing branches to go bright red and the bark falling off.

XIII) ADJOURN

Meeting was adjourned at 10:37am

Next meeting July 12, at 9:30am

Work session at 8:30

Respectfully submitted this _____ day of _____, 2025.
