### Bulletin Ins. 20-034-AB

**TO:** All Resident and Non-Resident New Hampshire RSA 402-J Insurance Producers

**FROM:** Christopher R. Nicolopoulos, Insurance Commissioner *CRN*

**DATE:** May 14, 2020

**RE:** One Month Extension of Insurance Producer License Renewal Deadline for All Renewals Originally Due by May 31, 2020

---

The New Hampshire Insurance Department understands that the Covid-19 pandemic has created unforeseen obstacles for several of its licensees, including business interruptions that have made it more difficult to complete licensee requirements in a timely manner. As a result, on March 30, 2020 the Department issued a bulletin, Ins. No. 20-023-AB, extending the deadlines for insurance producer renewals that were due by March 31, 2020 and April 30, 2020.

To further assist New Hampshire insurance producers with the business difficulties caused by Covid-19, the Department is extending the deadline for all insurance producers whose original renewal deadline was on May 31, 2020. The new renewal deadline for those producer licenses will be June 30, 2020. During this one month renewal extension period, those producer licenses will remain active in New Hampshire. As such, the Department will not take regulatory action against any RSA 402-J producer in regards to license renewal issues as long as the producer seeks renewal by the new renewal date of June 30, 2020.

The Department will consider further extension of producer license deadlines should Covid-19 difficulties continue in the future.
