

Hello ABATE members. Again, same go's for this month not much at all. We did a reverse rain dance last month it went well and this year the farmers are working the whole field this year not just part of it.

So, now it is time I am going to start planning a couple of dinner rides if anyone is interested we will have to see how things go. Ohio is reopening there restaurants and bars on May 21 . So, by the time you read this they should be reopen and we are just a few minutes away from Ohio so I am thinking maybe just maybe we have to see.

Now on to birthdays, I don't have much but here it go's a BIG HAPPY BIRTHDAY TO Dan Eby I don't have his age =====SO, And a BIG HAPPY BIRTHDAY TO Mike Sanderson a big 38 years old boy he is getting old L.O.L. . Ok, now on to June 3rd Freedom Rally in Lansing this one is important like they all are but this one needs a big extra boost because we need as many people as possible on the capital lawn to let them know we give a huge shit over what they are doing to us bikers insurance - those bunch of moron's . Hopefully there will be a big turnout for this and good weather.

Ok that is it for me, everybody stay healthy and safe and I hope this virus thing ends soon and keep your prayers going for are ABATE members that are going through some tough times... God bless this beautiful country we live in.....Treeman
