

GET IN THE ZONE **WITH GROZONE**

GROZONE CYCLE TIMERS

GROZONE's CY1 and CY2 Cycle Timers give you complete automated control of your pumps, exhaust fans, CO2 generators or other precision indoor gardening equipment. By controlling your garden's pumps, GROZONE's Cycle Timers ensure delivery of specific quantities of nutrient solution at precise intervals. The CY2 Short Period Cyclestat is ideal for aeroponic, ebb and flow and vertical gardens systems.
