### February Director's Message

The weather has finally settled down this week with highs near normal—in the high 30's. I'm ready for some more moderate temps this winter instead of the deep freeze and clouds we have been having. It was good to gather with our motorcycle friends for the evening. Thanks to all who made the trip.

We had our usual puzzle starters for the evening provided by Alvah. The first one was a Valentine Trivia Quiz that consisted of 12 statements each with 4 choices for answers.

For example: Which President lost his first wife on Valentines Day? Theodore Roosevelt was the correct choice of 4 possible—who could guess that? The next was a page of 5 different shapes of varying colors on the page of 25 items. Anyway, these were a good start to the evening to get the old gray matter warmed up! Thanks, Alvah for bringing those to us.

On a very sad note, we lost a very dear friend and member last month with the passing of Butch Thron. He was a good friend to all the H-2 members. He took responsibility for making the reservations for our "coffee" nights at the sponsors of the chapter. He was always at our regular meetings and coffees and rode with our chapter covering many miles through many states.

I remember when he and Jack first came to our meeting at the Broadview Hotel. Each of them rode an orange Goldwing trike. I know Butch joined our chapter and became an active member, but I don't remember if Jack joined at that time.

Butch was very good with electrical circuits on trikes. He was always ready to help with replacing lights or chasing down a short circuit or grounding problem. When I purchased a Sirius XM radio for our trike, he fashioned a mounting bracket for fastening it to the trike and ran the power wires so they were tucked in and out of sight. That radio has been on our trike for many years and is still working well on every ride we take. I know that Butch has worked on many of our members' bikes over the years.

Butch always had a joke or story to share with a smile on his face. He always helped with setting up for our Oktoberfest activity and cleaning up afterwards. At one of the Oktoberfest auctions, I was bidding on a set of screwdrivers but was unsuccessful. I found out later that Butch was the other bidder and neither of us realized who we were bidding against. (I had forgotten about this, but Butch reminded me on one of our visits with him this past January.)

Butch wanted very much to attend one of our coffee-get-togethers but couldn't as he was on hospice care. In January, Sandy suggested (unbeknown to Butch) we should have our coffee at Butch's home. Plans were made and on January 20 we showed up to surprise Butch with a "potluck" coffee.

I want to thank everyone (19 total) that attended to chat with Butch that evening. It was a very nice evening with sharing of stories and past activities. As you know, Butch passed early that next morning. We will miss you dear friend. Know you are pain free and probably telling stories to those you have joined from your past. Our heartfelt condolences to Sandy, Stephanie, Bruce, Kay and family.
