CHAPTER AREA NEWSLETTER SPRING 2021

God has moved! With our Good News Clubs getting ready to end, we are praising God for His work this year. Though our clubs were different, they still had a huge impact on the lives of the children attending. We were able to reach over 130 children and had one salvation, and we are so thankful! Though this year was amazing, we cannot wait for this Fall to hopefully return to the schools. Pray that God will move in the hearts of the state education leadership to let us back into the schools.

Will you join us in reaching the children by volunteering, praying, and giving?

God is working! We are so excited for this Christian Youth in Action 2021! We are praying for at least three summer missionaries to join us in reaching our community of children with the Gospel. If you or someone you know is interested in serving with us this summer, please go to our website to learn more and to apply. If you are interested in hosting a 5-Day Club at your daycare, park, or home, please let us know! Please pray for the youth that God calls to work with us this summer, and pray that many children will discover Jesus through them.
