**\$125 CDN for One Month Basic Acrylic Painting Workshop**

What You'll Get

- **One month of Acrylic Painting Workshop.** Includes:
  - Classes with your choice of time on the week days depending on availability on schedule
  - Classes 1.5 hours once a week
  - One-on-one art coaching/mentoring 60-minute session
  - Materials:
    - Acrylic Paints: Black, White, Red, Blue and Yellow
  - Printed hand-outs related to studio demonstration and exercises
- **Description:** Learn the importance of mixing colors, the importance of shapes in a painting, values, and the effect tones have on readily improving your art. See the dramatic improvement to your art once you understand these applications and the use of layering techniques to achieve depth and form. With guided instruction create a piece of art you'll be proud to show!
- What you need to bring:
  - Your own brushes
  - Your choices of acrylic paint for your larger project
  - Sketchbook for practice
  - (1) 12" x 16" canvas you can get at Deserres or any other art store outlet
- For your success, it is recommended you spend two or more hours each week outside of class to work on your project.

### **About Native Studio Art**

Barbara Derrick believes art should be a cornerstone of any healthy community. She started Native Studio Art, a small organization devoted to empowering creative people to discover their dreams and bring it into reality. The art studio works with a variety of students with various backgrounds, helping them funnel their own culture and heritage into the art pieces they design.
