

SMCA 2017 ANNUAL MEETING  
28 January 2017, Coupeville Public Library

The meeting was called to order at 1:02pm. Board Members Richard Goldstein, Clay Miller and Patrice Heyduck were present. Secretary Chuck Garrett and Treasurer Charles Coffey were absent. Clay Miller, acted as Secretary. 15 of 35 lot members were present.

At 1:03pm Sandra Bodamer of King Water gave an abbreviated report on the status of our community water system. She shared that the consumer confidence report was not yet available but she would forward it to the Board soon. She passed out the *attached* 2016 Well Report.

At 1:06pm our own Water Czar, Dick Graham, gave a brief report on the health of our water system, reminded members to annually turn every plumbing valve to ensure correct operation when needed and announced that after 4+ years he will be stepping down and needs another member to volunteer for his position, so he can train them.

At 1:17pm the President asked if the Minutes from 2016 should be read, nobody desired them to be read and they were approved. They are *attached*.

At 1:18pm President Goldstein gave the "State of the Community" and thanked all the SMCA volunteers by name. He mentioned Karen Lovejoy's idea about creating a community emergency response plan for any future catastrophes and noted the Board's endorsement for the creation of such a plan. He also shared that our Association's attorney, Mr. James Kotschwar, is no longer held by SMCA on retainer, but remains available when needed. Also noted that the Board changed the Bylaws to reflect the new requirement for HOA's to file their own annual Washington State HOA licensing fee and Annual Report each year between May 1 and October 31. The Board has instigated the posting on the Association's website of the monthly checking account statement and monthly financial spread sheet. The President discussed the reasons for the change in the By-laws for the terms of Board members from one to two years. And he noted that the issue of Lot 18 had been resolved by the Board and approved by a vote of over two-thirds of the Association.

At 1:30pm President Goldstein, standing in for the Treasure, gave an overview of the finances for the Community for the year 2016. That report is *attached*.

At 1:33pm ACC Chairman Ron Henley presented the 2016 ACC report, which is *attached*.

At 1:37pm Meeting recessed for the 2017 SMCA Board election count. There were five names on the ballot. Elected were:

1. Fred Schmucker
2. Robin Bemardy
3. Dave Shellenbarger
4. Bev Holle
5. Clay Miller

At 1:47pm President Goldstein called for any New Business. There was none. Meeting adjourned at 1:50 pm.

**Routine Work for Sky Meadows Community**

On Mondays, Wednesdays and Fridays we visit the system, perform routine inspections and testing and follow up if we suspect leaks or anything unusual. In addition, we:

1. Read the well meters and record the usage. We calculate the average daily usage, which can be indicative of a leak if there is an abnormal jump in usage.
2. Take a monthly water sample and have it tested for coliform bacteria.
3. Maintain the filtration equipment, supply chemicals and check levels of manganese, usually weekly.
4. Flush the blow offs to clean out the water lines, as needed.
5. Respond to all complaints concerning water problems in the community.
6. Take all required testing for the state or county health department. Act as the primary interface with the respective departments.
7. Maintain all paperwork required by the state or county.
8. Check well pumping rates.
9. Order materials and repair leaks and equipment as needed.
10. Write the consumer confidence report.
11. Schedule and perform the annual reservoir cleaning.

In addition to the above, the following may be of interest:

February 2016

Found weekly manganese levels rising. Acid washed all filter and check valves. Replaced diaphragm. Air scrubbed both filters and circulated the reservoir back through filters.

April 2016

Cleaned and serviced the mazzies and valves for pot perm regen.

May 2016

Took conductivity and chloride tests.  
Acid washed mazzies and pot perm injectors.

September 2016

Took conductivity and chloride tests.  
Acid washed mazzies and pot perm injectors.

October 2016

Full system flush.  
Took IOC test.

November 2016

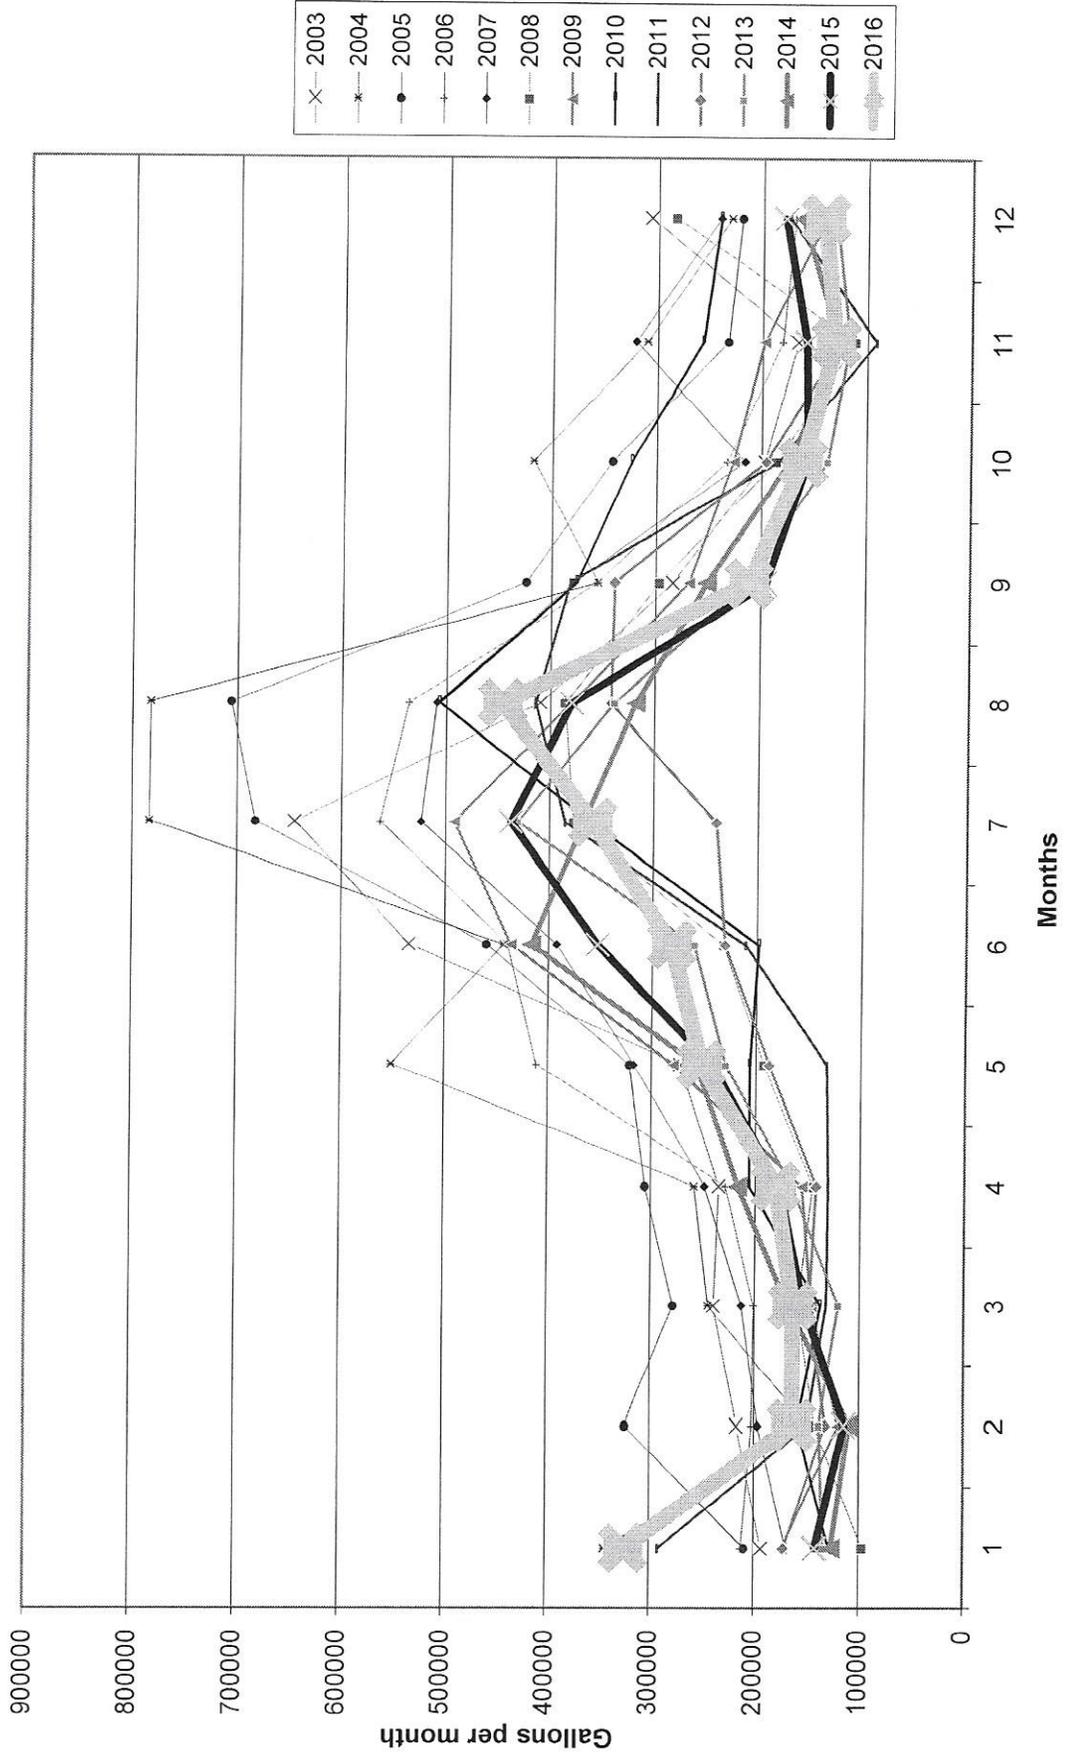

Replaced clutch, cap and start switch on booster #1.

December 2016

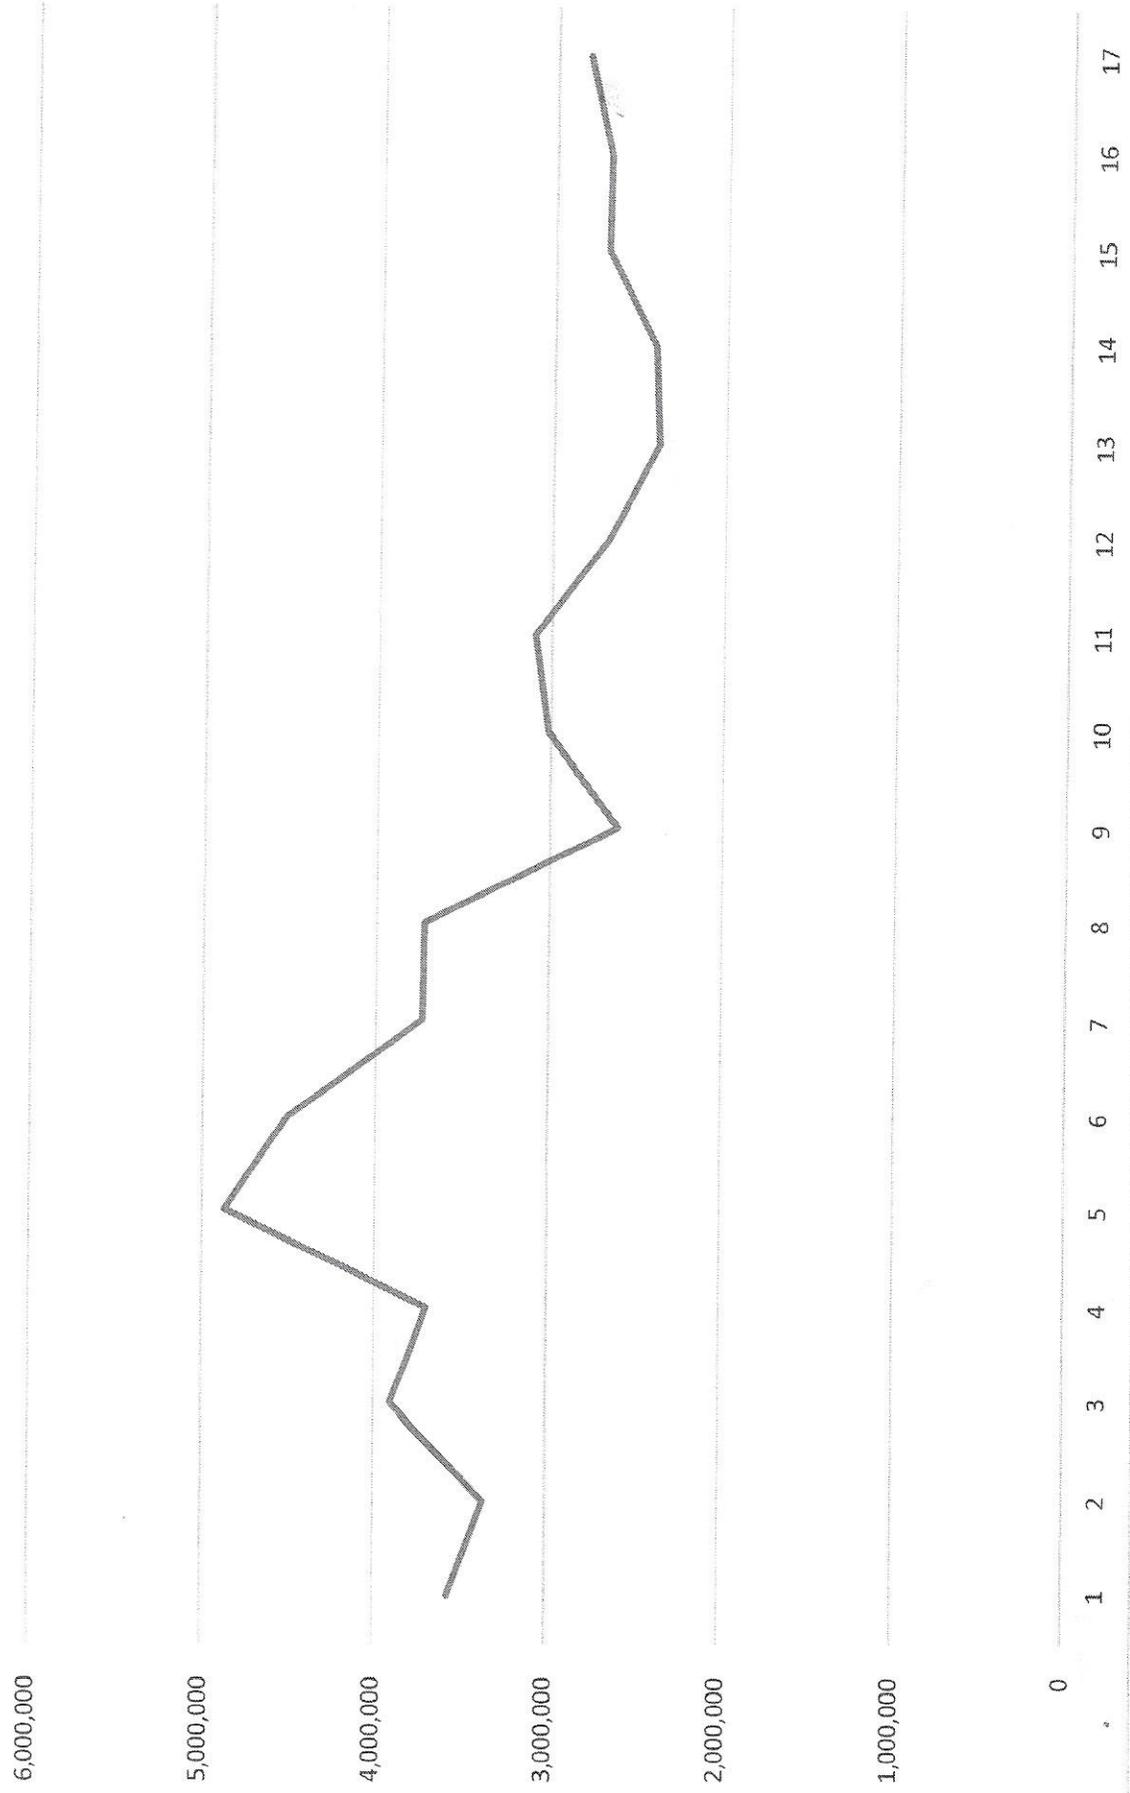

Took 5 copper/lead tests.

Took VOC test.
