RETIREMENT

March 14, 2019

Dear HKRC Family, Friends, and Associates,

It is with a heavy heart that I must announce my resignation as General Manager at Hawaii Kai Retirement Community. My last day will be March 27th, 2019.

Over the course of the last 2 years it has been my pleasure to work tirelessly alongside my leadership team at improving this community, with the common goal to truly make this the greatest retirement community on the Hawaiian Islands. Oh, how far we have come! As a community we have worked together to overcome so many obstacles. Not soon will I forget the way everyone united to rebuild after what was the “great flood of 2018”.

With so much more to do, and so many ongoing projects in 2019, I ask that you give your full support to the incoming General Manager, and to Laura Morton, Interim General Manager, as I pass the torch to the next leader at Hawaii Kai Retirement Community.

I would like to thank each one of you for your consistent support as I worked to lead this community into the future. My position as your General Manager was a privilege that I took very seriously. The pleasure has been all mine, and I take with me the memories that will surely last a lifetime.

Mālama Pono and be kind to one another!

Michael Weider
General Manager
