May - Yard of the Month

The FAC HOA Yard of the Month winner for May 2018 is 2246 Eagleview Circle, belonging to Lin and Rob Chirico. You've probably noticed their yard because of the lush, well-manicured lawn. Perhaps you noticed the well-maintained trees located throughout the front and side yard of their home. Regardless of the time of year trees and shrubs are always nicely pruned and trimmed. Plantings are well-suited for their location based on size, shape and foliage characteristics. The landscape maintains great color and street appeal year around. Lin and Rob have an on-going relationship with a local arborist. Rob says it is important to him to maintain the appearance and preserve the value of the trees and other plantings located on his property. One Ash tree is being proactively treated for the Emerald Ash Borer. Chirico's say that they enjoy spending time in their yard and it shows. Congratulations to Lin and Rob; Yard of the Month, May 2018.

4th of July Parade

Your hardworking social committee is planning on having the annual 4th of July parade. It will be held on July 4th. The parade itself will start at 10 am and we are trying to get a firetruck to lead the parade. Fingers crossed that it will work out. But starting at 9:30 your social committee will have decorations available for your chosen mode of transportation around the neighborhood. Feel free to show up and start decorating your vehicle! Snacks and drinks will be available after along with activities and prizes for the kids.
