

ABOUT

Hand Up Foundation

Hand Up Foundation is a private international foundation working to fulfill the needs of people everywhere! Our belief is that GOD owns all things and we are just HIS stewards! We operate on the belief that if he can get it through you, he will get it to you!

Our Foundation selects different organizations, causes and ministries to support throughout the year. The efforts for 2023-2024 are focused to provide funds and labor for a new building project at Casa Angelina, an orphanage in Guatemala. Casa Angelina is truly a special place, adopting each child so they really do have a place to call home!

The Festival of Trees will be hosted at the annual Sioux Empire Arts & Crafts Show on November 10-11th. This event draws in 12,000-14,000 shoppers. These customers will have the chance to support this ministry in a fun and exciting Christmas event for the whole family!

ABOUT Casa Angelina

What Matters Ministries and Missions is a partner-based, non-profit organization. Our vision is to impact and change the global crisis of forgotten, abused, and discarded children and widows in developing countries by providing self-esteem and value through education, housing, food, and health care.

Our children at our orphanage in Guatemala are rescued from sex-trafficking, violent abuse, malnutrition and neglect. They walk through our gates into healing, health, hope, and abundance. We are Turning Orphans Into Royalty. See their transformations on our website!

Over 80 block houses have been built for the widows in the surrounding area. Our medical clinic is also open for these precious ladies and other local community members.

“Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world.” -James 1:27
