Additional Services Available:

All of these services can be added to any pool opening!

_____ **1st Vac Service:**

After Pool opening you can schedule to have us come out to vacuum your pool. It should be scheduled 2-3 days after your opening to allow the chemicals to work and debris to settle. The fee is \$85 up to 1 hr, anything over an hour will be billed to the quarter. For example, if takes 1 hr and 15 min it will be billed at \$85 + 21.25 + tax.

_____ **Sand Change: WE NOW USE ZEO SAND!**

The sand in your sand filter should be changed every 2-4 years on residential pools, and every 1-2 years on commercial pools. The fee is \$85.00 /hr plus sand and tax. We now use Zeo sand. Zeo sand is \$16.46(tax included) per 25lb bag. This service will not be done at opening but can be scheduled prior to or after pool opening.

_____ **Pressure Wash Pool Deck:**

We will pressure wash the 3' perimeter pool deck around your pool. By having us do this you will get rid of the dirt/mold build up on your concrete. This will also remove the cover line that is left behind every spring. The fee for this is \$175.00 + 10.50 tax (up to 2 hrs.) Additional concrete/time can be added for \$65 per hr.

_____ **Pool Spring and Fall Magic treatment:**

Spring and Fall Magic is an enzyme that helps to break down organic materials that are in the water. This will also help to prevent the black water line ring that forms where your water level normally is located. Spring and Fall Magic is \$25.54 (tax included)
