• **FINANCIAL HELP** is available for St. Pete residents who are falling behind on rent due to the pandemic. The city is participating in the Pinellas County Emergency Rental Assistance Program, which provides financial assistance for individuals and families who have lost their jobs or have had a significant reduction in income due to the pandemic.

Eligible applicants may receive funds to cover missed rent payments and future rent payments, up to 12 months in total. Residents can find eligibility criteria and apply on the county’s Covid-19 website at www.bit.ly/pc-rent. Tenants who are overdue on rent should not wait for an eviction notice to seek help and may already be eligible for financial assistance based on the criteria.

Homeowners in St. Pete that have been impacted by the pandemic may be eligible for financial assistance through the City of St. Petersburg’s Mortgage & Utility Payment Assistance Grant Program. More information and qualifications can be found at stpete.org/MortgageAssistance.

• **NEIGHBORHOOD MARKERS:** Have you SEEN the transformation on 38th Avenue N? With a grant from the city, the DHCA is restoring neighborhood markers along 38th Ave. We need your help to fulfill the grant obligation for volunteer hours. PLEASE consider volunteering for any amount of time in 2021. Email dhcastpete@gmail.com with projects that need manpower (yard cleanup, lake cleanup, alley cleanup, painting, etc.) and DHCA will work to create safe opportunities for volunteering.
