The purpose of this illustration is to highlight the array of the Planetary Alignments centered on the Golden Gate on January 17, 2022. Many consider this date to be significant in terms of an 'Event' that will affect many on Earth that Day or, from that Day forward. If what the Planetary array suggesting, the meaning of the Planet Mars crossing through the Threshold of the Golden Gate will mean that War or a State of War will be pending. As to the Timing or who and what that will constitute, will remain to be seen. Astronomically speaking, when such a transition occurs on the Ecliptic, it is one of an Initiation or Transitioning from it. Some observation suggest that the Planetary Alignment is construed along the Segment of the Mazzaroth that speaks and depicts War, Contention and a Struggle. It is for the Entrance to 'Heaven' through the Golden Gate. And only those that possess the Golden Key or 'Ticket' can unlock it and go through. In the Bible, Jesus declared Victory over such forced that impeded Humanity from Entering Heaven. He stated that He now has the Keys to Death and Hades, and to Heaven as He also said He as the Door, etc. It is only Venus that will be 'Shielded' as that is the motif associated with its position.
