Further Description of Important Features (Continue on reverse if necessary) Stone chimneys are found in the center of the Upright and protruding halfway up the south wall and above the gable in the wing. A narrow eave board follows beneath roofline. Windows are mostly double-hung 2/2 with most windows and doors in the Upright treated above with pedimented hoodmolds. Screened in front porch features saun columns and balustrade. Wood water table runs above the foundation. Additions include flat-roofed, board and batten, addition behind wing and recent flat roofed aluminum sided porch on the south. The stone chimney on the south face of the wing is an apparent iteration. 43. History and Significance This parcel of land was purchased from the Kelleys by Sylvester Duelle and deeded to his son Alonzo who built the house. Alonzo Duelle was a lake captain and operated the passenger steamer LOuise c. 1878 to 1915. The Louise was built by John Monk in Sandusky and launched March 19, 1878, she was 83 gross tons with an 88 ft. keel. She ran the passenger and fish trade for 40 yrs. between Sandusky and the Canadian mainland with stops at the Erie Islands. Alonzo also owned a grape vineyard behind his house. Alonzo was born in 1846, married in 1868. 44. Description of Environment and Outbuildings Located in a picturesque setting on the island's rather isolated east shore. A pebble beach follows the lakeshore in front of the residence while a grove of cedar trees protects it in back. Outbuildings include a gable-roofed board and batten quest cottage located just west of and behind the residence.	46. Prepared by <u>Kyle Johannsen and Kevin Pape</u> 47.
