

Hi, my name is Jerlyn with Ace of Faces Skin Care. Early on while raising my four children, I knew in my heart-of-hearts that I wanted to pursue a career in the beauty industry. Once my kids were in school, I decided to follow my passion for skin care and makeup and attended esthetics school ... what a perfect fit!!! After graduating from the Colorado School of Paramedical Esthetics, I've since been licensed for 11 years with certifications in microdermabrasion and chemical peels. I'm always on the cutting-edge looking for new and exciting products and services to share with my clients, and as such, I take classes as often as I can to stay current with all the new techniques that are constantly popping up in the beauty industry. I look forward to meeting you, sharing the latest trends, and helping you love your skin!!!
