Event Goal: We need to raise \$144,000 for the Stearns Remodel project, which is already underway with contractors just waiting for permits! The total projected cost for all the things we want to do with Stearns Cottage is \$340,600. Thanks to the OSU Extension Services: Outdoor School Program, CAW has received a grant of \$196,600 towards that total, leaving us \$144,000 to go before we can say we have enough to complete the work.

How it works: We hope you will help us raise that \$144,000 by registering for the event and asking EVERYONE you know to sponsor you! Your friends, family, neighbors, co-workers, classmates, and church peeps can donate in your honor so we can reach that goal this summer. And then we will have PRIZES for people who raise notable amounts and participate creatively!

How to Participate: You have a number of options available to you...

Sponsorship Tips & Details:

Use the "[Support Letter](#)" to ask for donations/sponsorships and use the "[Sponsorship Log](#)" to track your fundraising progress. Donors can make a One-Time Gift or Pledge per lap/mile/minute. People can donate ANY TIME through our website, but your name won't be included as a participant until we receive & process your registration – so sign up today!

When you ask people to sponsor you (donate to CAW in your honor), be sure to follow up with them after the event to 1) confirm their donation amount -AND- 2) THANK THEM!!!

Anyone who donates will receive a tax-deductible donation receipt and thank-you from CAW if we have their info, but since you asked them to give, BE SURE TO keep accurate records on your "Sponsorship Log" and then THANK THEM PERSONALLY!

Other Tips & Options to make the Fun Run EVEN MORE FUN:

Assemble a team and run/walk together! Family? YES! Co-workers? YES! Church friends? YES!

Create a Team-Theme and sport your cool (or totally silly) costumes – and GET PICS!

Participants will have 2 hours to run/walk as many laps/loops as they can (10:00-12:00), so the faster you go, the more money you raise for CAW! Distance: 1 Lap = 1 mile

Make your own short (5-minutes or less) video about why YOU are participating and post it on social media as a way to invite your friends to get involved. Be sure to [#CAW2021FunRun](#)
