Celebrating Our 60th Year!

My fellow Corvette enthusiasts, sixty years ago small group of Corvette owners and racers formed the Westchester Corvette Association, today we are simply the Westchester Corvette Club.

Initially, the club began a racing club and developed into a race, restoration and collectors club.

The Club's mission has evolved over the years and now includes bi-annual car shows, club trips, monthly cruise nights, road trips and of course, our annual three-day trip the Corvette Swap Meet in Carlisle Pennsylvania.

The Westchester Corvette Club provides a place of where members can take pride in their machines and experience the joy of riding and mingling with other members.

Twice a year our car shows bring hundreds of entrants and visitors to show off some highly prized classic cars, and to raise money for worthy charities.

In addition, we conduct monthly "runs" that including the annual "C1" run, which is approximately an hour, at a slower pace, so as to not overly tax these now "Classic Cars" and day long runs for the newer Corvette generation cars and some of our members really push the limits on these runs.

Our most popular run is the annual "Mystery Run" to an

unknown destination where club members are not told in advance where we are going only to learn the destination the morning of the Run, when we meet to begin the day's journey.

Our club members come from all walks of life and have many interests including racing, restoration, car shows and cruises. Many of our members simply enjoy driving on long runs to interesting locations with their fellow club members.

The Westchester Corvette Club's mission continues to provide an environment that supports close friendships and the exchange of good and helpful information about all the new technology and innovation that comes with the Corvettes of today.

If you are a Corvette owner, you have already made a major commitment to provide great care to your car that brings great pride and a smile to your face every time you see it, drive it, race it or just cruise around town.

Come join our Club today and participate in rewarding events and fuel your passion with fellow Corvette owners.

Thank you for coming to our Car Show.

Family owned and operated since 1991.

Briarcliff Manor Autobody was founded by Tony Santucci and Joe Ferraro. They started working together in 1974. The legacy of their craft continues through Tony's son Ray, who joined Briarcliff Manor Autobody in 2000.

They are passionate about cars, and the love for what they do shows in the final result.

We offer state-of-the-art collision repair services. We focus on providing excellent customer service and quality repairs. All work guaranteed.

Briarcliff Manor Autobody takes great pride in being a longstanding family business in our community. We value our strong relationships with our customers and look forward to serving generations to come.

MENTOR'S

Named after owner Mentor Berisha, marries a Mediterranean style seafood restaurant with an American style steakhouse. The 90-seat space, with French doors that open for a great al- fresco feel, features prime beef dry aged in house for 31 days for optimal flavor. Berisha, who was born in Croatia but grew up in Peja Republic of Kosovo, gets his meat from the Piedmont region of Italy which, he said, is "by far the best region for grass-fed beef.
