POLYESTER NECK GAITER - Personalized w/Dye Sublimation transfers

(material specs same as above)

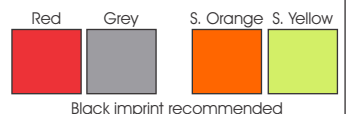

Dye Sublimation Printing Process:

Full color inks are transparent and heat presses the ink right into the fabric - leaving no texture feel at all. This process does not fade or wash out. The inks will take on the fabric color and white is not an ink option. Full color designs on white. Black recommended on all other fabric colors for best possible results.

Full Imprint: 9.75"w x 19.5"L (bleed)
Spot Imprint: 4"w x 6"h - Top 1/3 Area
