Join experts from the Center for Health, Work & Environment for a virtual interactive learning experience in Total Worker Health (TWH) Leadership designed for individuals working in the legal field.

In this training, we will help you:

- ▶ Assess your current leadership strategy
- ▶ Build a framework for evaluating TWH in your organization
- ▶ Set industry-specific goals with action steps to enhance a work culture of TWH

The cost of this training (\$95) includes access to our online, one-hour [Total Worker Health Leadership 101](#) course (a \$45 value), which is required prior to the in-person workshop.

After completing 101 & 102, you are eligible to receive:
2.5 SHRM credits
2 CLE credits in the state of Colorado
