## Domestic Violence Awareness Month

Observed in October, Domestic Violence Awareness Month is a time for communities to unite to remember those who have lost their lives as a result of abuse, to celebrate those who have survived, and to connect with those who work to end violence and raise public awareness about domestic violence in our communities.

How can you help? What can you do? You can donate or volunteer:

**Make a donation to WRAP** to honor people in your life who have been impacted by domestic violence. Your donation supports WRAP's work to build safe, stable, nurturing relationships and families.

Volunteer at WRAP and participate in our work to end violence, change lives, and give hope. We have opportunities in a variety of areas.

Wear Purple...Speak Out. Wear purple, the color of Domestic Violence Awareness Month, in October and use this as a way to tell others why ending domestic violence is important.

Take a stand against domestic violence by asking a WRAP advocate what you can do to help end violence against women and girls in our community.

End Violence. Change Lives. Give Hope.
