

# **ABOUND & EXCEL**

In life you are called to walk in excellence. This means all your actions, your attitude, or anything else you engage in....the end goal should always be excellence.

Throughout Scripture there is a call for you to abound and excel in Christ-like character. It is God's desire for you to do this. He wants you to abound and excel with inward character concerning your words, deeds and actions.

The pursuit of excellence can only be attained by the right values, the right priorities, and the right motives. When you set excellence as your daily goal, you will be quicker at identifying good choices from wrong choices.

This week, make a point to pay careful attention as you pursue Excellence and making it a daily part of your life.

Heavenly Father,

Thank you for helping me. It is my desire to pursue excellence in all I do. I ask You whatever my hand finds to do, that you would help me to have the goal of excellence activate in my life. I pray, that Your love may abound (i.e., excel) in me more and more in real knowledge and all discernment, so that You may approve the things that I do are excellent.

Lord, I want to be found in order, sincere and blameless until the day of Christ having been filled with the fruit of righteousness which comes only through Jesus Christ. I can't do it without Your help. I need Your help to excel in everything—in faith, in speech, in knowledge, and in all eagerness and in the love that is in You. Lord help me make sure that I excel in acts of kindness, compassion and encouragement. Lord, cause me to increase and abound (excel) in love others just as I do for you. I ask that my heart is strengthened in holiness to be blameless before You at the coming of our Lord Jesus. In Jesus Name...
