

Weed Abatement Notification

April 1, 2023

To: City of Arlington Property Owners and Renters

Re: Weed Abatement Ordinance No. 419

We are contacting all landowners to request you remove any weeds or tall grass that pose a **FIRE HAZARD** to you or your neighbors. Many of you have done an excellent job keeping the weeds cut down on your property, we commend you. However, there are still lots that pose an extreme fire danger not only to your property, but to houses and buildings on adjoining properties.

If the weeds are not taken care of within 30 days of receipt of this letter, the City of Arlington can **fine you up to \$500.00 pursuant to Ordinance No. 419.**

Sincerely,

City of Arlington
