Lawn Maintenance Schedule

Jan

Check soil PH and make the necessary corrections. Now is also the time to inspect your lawn for winter damage.

Feb

Apply **Hi-Yield Turf and Ornamental Weed and Grass Stopper** to prevent weed seeds from germinating. Including sand-spurs, crabgrass, and nut-grass (sedge) and others.

Mar

Apply **Fertilome St. Augustine Weed and Feed** to help control dollar weeds and to give your lawn a spring green up. Don't forget about the insects that may damage your lawn, apply **Hi-Yield BugBlaster** for insect control. Now is also the perfect time to feed trees and shrubs with **Fertilome Tree and Shrub Food**. Good for all types of trees and shrubs including palm trees.

Apr

Azaleas have finished blooming but prepare for next year by applying **Fertilome Azalea Fertilizer** to create an acid growing condition that allows azaleas to thrive and grow.

May

Now is the time for **Fertilome Lawn Food Plus Iron**, a good all around lawn food with iron for fast immediate greening. Begin **Fertilome F-Stop Fungicide** to prevent lawn fungus problems.

Lawn Maintenance Schedule

Jun

Apply second feeding of **Fertilome Tree and Shrub Food** for all types of trees and shrubs including shade trees, nut trees, evergreens, citrus, flowering trees and ornamentals.

July

Apply **Hi-Yield BugBlaster** to treat mole crickets, fire ants, fleas, chinch bugs, plus many more insects. Apply **Fertilome F-Stop** to control lawn fungus

Aug

Fungus Control. Apply **Fertilome F-Stop Fungicide** to control turf-grass diseases in established lawns.

Sept

This is the time of year when lawn problems peak so be prepared. Apply **Fertilome St. Augustine Weed and Feed** as well as **Hi-Yield BugBlaster** for insect control.

Oct

Apply Fertilome Winterizer for the last feeding of the year. High potash mixture protects lawns from the cold and damaging frost. Apply **Hi-Yield Turf and Ornamental Weed and Stopper** to prevent new weeds from germination.

Nov

Last application of **Hi-Yield BugBlaster** granules to protect until spring. Kick back and enjoy the holidays.
