## PREZ SEZ

Summer is just about completed, and what a summer it was! We managed to raise over \$20,000 for charitable events this summer! What an accomplishment. I would like to thank each and every volunteer for the hard work they have put in to making the meal nights, summer activities, and fundraisers run as smooth as possible. Job well done! Due to the changes in membership due dates, we have sadly lost OVER 160 members. If you know of any members that have not renewed their membership, encourage them to renew. Likewise, if you know others that may be interested in becoming a member, sign them up. Membership is the most important piece in helping people. We just can't do it without the members. With the fall season approaching fast, there will be many activities to enjoy. Husker football tailgate parties, Husker volleyball games, and of course, those delicious meal nights! Come on out and show your Husker support!

See you at the Club!

WORTHY PRESIDENT

Alec Trobaugh

## HUSKER TAILGATES

We will be holding tailgate parties all of the Husker televised games. The Husker game times are listed on the calendar. Due to waning attendance along with early kick-off times we will not always have food for the games. You are always welcome to bring finger food to all games. Games where food will be available will be advertised on our webpage, through email, and the newspaper. We will have drink specials and door prizes for each score. The upcoming season offers lots of excitement with a new coaching staff bringing "Big Red" back to prominence in college football. Don't forget Husker Volleyball!!! We will have those games on as well. Come join us for "Husker Fun" Go Big Red!

## KILEY PALU FUNDRAISER

Fundraiser for Kiley Palu to purchase a service dog for type 1 diabetes. Twelve year old Kiley Palu was diagnosed with type 1 diabetes in February and she wants a service dog for comfort and peace of mind in dealing with the day to day diabetic happenings. For five dollars you can taste all the different soups and vote for your favorite. There will also be a silent auction and other items for sale. The fundraiser will be on Sept. 29 from 12pm to 4pm.

## MADAM PREZ SEZ

Hello, Boy has summer flown by. School has started and it is now time for the boys of fall to start playing. Not to forget the ladies of the court and their volleyball exploits. The Eagles will host fun tailgate parties for both Husker football and volleyball. Keep an eye on the calendar for dates and time. While heading into the cooler weather, remember the various meals hosted by the Aerie and Auxiliary. Be sure to stop in and warm up with a great meal and fellowship. Our Club has the honor of hosting the Western Zone Conference on Saturday, October 12, 2019. We will have the National Presidents Elect for both the Aerie and Auxiliary attending. Please come for the meeting, learn a lot about our great organization, eat a tasty meal and enjoy the fellowship. Contact any local Aerie or Auxiliary for registration information. It's a wonderful time. I just want to remind you that our local auxiliary meetings are held the second and fourth Wednesday of the month at 7 p.m. We would love to see you there! Be sure to check out what's happening on our Facebook page FOE 2839 Auxiliary.

Until next time

Donna Phillips

Madam President

## ALZHEIMERS MEMORY WALK

On September 22, 2019 I will again be participating in Alzheimers memory walk at Cody Park. Last year I walked one month after hip surgery and we still raised \$7000.00 for the cause. I am healthy this year and with your help hopefully we can do even better. As always I will be asking for your contributions again this year. You have always been generous and I am hoping for the same this year. I will begin walking at 10:00 a.m. that morning and will walk as far as I can. Come on down and walk a little with me or be there for moral support for this 68 year old and keep me going. Remember that all checks are made to the Eagles Club in care of Tommy Camargo, putting alzheimers walk by the memo. As always thank you for your continued support. I love you all for what you do.

Thank you, Thank you, Thank you.

Tommy Camargo
