# Libraries Rock!

With the 2018 Summer Reading Program just around the corner, we are getting very excited with all that we have planned. You may have noticed the musical themed decorations popping up here and there in preparation for our participants who are anxiously awaiting summer vacation.

Registration has begun and will continue through June 23rd. Prizes are being gathered, events are being planned and we are continuously getting in new books for our readers to check out. For our regular Summer Reading Program, participants will be having a musical race across the staff. For every 25 books read, a musical note

will be added for their teams color.

For the Teen Summer
Reading Program, it is much less
competitive but readers are encouraged to fill their musical meter
throughout the program. Readers
will celebrate their accomplishments on August 2nd with a pizza
and ice cream party as well as
some live music!

If you have any questions about our upcoming programs, please contact the library staff.

The two could not be more different - Sandra is a fish out of water next to her outspoken, serial dating, free-spirited sibling. But different is just what Sandra needs at the moment, and she reluctantly

lets Bif drag her along to a community dance class, where gradually she starts finding her feet and romance as she meets her sister's friends, Charlie (Timothy Spall), Jackie (Joanna Lumley) and Ted (David Hayman).

## **UPCOMING ADULT FICTION**

#### Those Other Women

by Nicola Moriarty

Poppy's world has been tipped sideways: the husband who never wanted children has betrayed her with her broody best friend. At least Annalise is on her side. Her new friend is determined to celebrate their freedom from kids, so together they create a Facebook group to meet up with like-minded women, and perhaps vent just a *little* about smug mummies' privileges at work. Meanwhile their colleague Frankie would love a night out, away from her darlings - she's not had one this decade and she's heartily sick of being judged by women at the office as well as stay-at-home mums. Then Poppy and Annalise's group

takes on a life of its own and frustrated members start confronting mums like Frankie in the real world. Cafés become battlegrounds, playgrounds become warzones and offices have never been so divided. A rivalry that was once harmless fun is spiralling out of control. Because one of their members is a wolf in sheep's clothing. And she has an agenda of her own . . .

## **UPCOMING ADULT NON-FICTION LP**

#### A Beautiful Mind, A Beautiful Life

by Lindy Tsang

From humble beginnings as an outsider, growing up one of the few Chinese students at her primary school in Ireland, to YouTube stardom and her own line of beauty products, Lindy Tsang, aka Bubzbeauty, has earned a unique perspective that she's shared with her nearly 3 million YouTube subscribers. Now, for the first time ever, Lindy's experiences and insights have been put into a brand-new book, A Beautiful Mind, a Beautiful Life: The Bubz Guide to Being Unstoppable. In A Beautiful Mind, a Beautiful Life, Lindy details her childhood, her family, the ups, downs, and most importantly, the lessons that she's learned along the way.

## UPCOMING YOUNG ADULT-PB

#### Nothing but Sky

🌡 by Amy Trueblood

Grace Lafferty only feels alive when she's dangling 500 feet above ground. As a post-World War I wing walker, Grace is determined to get to the World Aviation Expo, proving her team's worth against flashier competitors and earning a coveted Hollywood contract. No one's ever questioned Grace's ambition until Henry Patton, a mechanic with plenty of scars from the battlefield, joins her barnstorming team. With each new death-defying trick, Henry pushes Grace to consider her reasons for being a daredevil. Annoyed with Henry's constant interference, and her growing attraction to him, Grace continues to test the powers of the sky. After one of her risky maneuvers saves a pilot's life, a Hollywood studio offers Grace

a chance to perform at the Expo. She jumps at the opportunity to secure her future. But when a stunt goes wrong, Grace must decide whether Henry, and her life, are worth risking for one final trick.

"Trueblood's action-packed first novel explores the post-World War I époque with visceral period detail, and Grace's ambition carries the story about fighting for one's dreams, seeking stability in some form, and a team becoming a family." — Publishers Weekly
