### PRESIDENTS MESSAGE FOR VASARDA DANCERS

Welcome to the last Newsletter before the 2026 State Convention. Be sure to check all the articles that have been included about the upcoming "Backtrack to a Throwback" Virginia State's 36<sup>th</sup> Convention.

Don't forget the annual meeting at 9:00 am, Saturday Feb 21 where we will be electing new Directors. The VASARDA board has voted to change Regional Directors to "At-large" Directors. Absentee ballots have been emailed; however, we hope that many of you will attend the annual meeting and not need to use the absentee ballots. There have been many changes in the VASARDA Board as several Directors have decided after serving for many years its time to let someone else be on the Board.

We appreciate all the work that these Directors have contributed to VASARDA. The retiring Directors include Helen Berry, Nick & Chris Capozio, Bev Cook, Connie & Roger Cox, Victoria & Paul Kosar, Linda McMillan, and Charlotte Sowers. Be sure to thank all of these Directors for their long-term service. Please note that Victoria Kosar has agreed to continue serving as the Dancer Newsletter editor. With all of these retiring, the nominating committee was unable to find a full slate of possible directors. Consider volunteering and help promote Square & Round Dancing, Clogging, Lines and Contra in Virginia.

## Membership Corner . . . 250 Years Ago . . .

A group of representatives were appointed from each colony to go to a . . . convention. That convention was in Philadelphia, and from it came an experiment in government. Those representatives voted on and signed the Declaration of Independence that they developed. Less than a dozen years later, they voted to revise and improve it.

The current VASARDA board has made some significant changes to the By-laws and the structure of the board. The goal in this process has been to improve representation while continuing to promote, support and encourage dancing in Virginia. If you dance in Virginia then you can be a part of the process. If you are already a member of VASARDA, then make sure you participate through voting. The easiest way is by attending the meeting that takes place at the convention in February. If you won't be able to attend, please make sure you cast your absentee ballot.

For those of you that are not currently members of VASARDA . . . **hear ye, hear ye** – now is the time for you to join. You can join in the process of registering for the convention. You can also join by filling in the form below and sending it in. Annual dues are \$5. That will enable you to participate in the meeting and to vote. If you aren't sure, then come to the meeting to discover the work VASARDA does to promote dancing.

# *In Memory of George Jordan*

George Jordan, passed away on Monday, November 10, 2025.

We have so many wonderful memories of George and I know many of you have memories, as well:

George took square dance lessons in the late 1960's. He taught Harry & myself (June Baum) in the 1970's. Cowboy & Liz Showers were students in our class & it was so much fun with 25-30 students. George and Cowboy both worked at DuPont in Waynesboro, VA. Later they called together when Cowboy was a caller, too. George called hundreds of dances through the years and taught classes every year at several clubs, drove a Volkswagen camping van (we called it his hippie van), called at the VA State Convention and New Years Eve at Circle 8 with other callers for many years. Also, had his time at Waynesboro N340 Campground Workshops. George & Larry Winegard were friends, too, and teamed up to call the very best "Hot Hash" in Virginia. George and Larry also called at Pipestem State Park in WV for many years.

Thanks, Harry and June Baum, Booking Agents, Circle 8 Waynesboro, VA

From left to right, George Jordan, Liz Showers, Harry Baum and June Baum

# **This Fun Hobby May Reduce Your Dementia Risk By 76 Percent**

The following article is an excerpt from a column by Trisha Pasricha, MD in the Washington Post on January 5, 2026.

## **What Are the Best Ways to Keep My Brain Sharp as I Age?**

There are several science-based ways to lower your risk of dementia — but one especially fun option might surprise you: dancing.

Dancing combines some of the best elements known to be associated with longevity: exercise, creativity, balance and social connection. You're investing the same time as walking or other exercise activities but may be getting much more out of it.

In fact, one study found that people who danced frequently (more than once a week) had a 76 percent lower risk of dementia than those who did so rarely.

Physical activity, especially aerobic exercise, in general is wonderful for our brain health. And this isn't intended to knock walking: A small randomized controlled trial of walking versus ballroom dancing among older adults found both activities benefited memory and learning.

But combining physical activity with creativity and cognitive challenges may help protect the brain further. Dancing asks your brain to do several things at once: match a rhythm, remember steps (or quickly improvise some new ones), navigate space and perhaps even respond to a partner.

## **Dancing May Also Boost Balance and Strength**

Besides brain health, there are other great reasons to consider shaking a hip. A 2020 meta-analysis of 29 randomized trials among healthy older adults found that social dance-based activities were associated with a 37 percent reduced risk of falling — as well as improvements in balance and lower body strength.

### November/December 2025

2025 is coming to an end soon. The big news (which I’m sure most callers are aware of, but perhaps not very many dancers) is Callerlab has published a “new” Mainstream program. This has encouraged some callers and frustrated other callers. So what’s the deal?

First, if you are a Plus Dancer, there is nothing new to learn in the Mainstream program. If you are a Mainstream Dancer, there are a few less calls to worry about. If you are a Social Square Dancer (SSD) there are a few more calls to learn. More comments on Plus later.

**Notes:** all in the new Mainstream list will automatically transfer to the Plus Program.”

Like many other callers (probably all of them) I’m comparing the new Mainstream list to older programs. comments and speculation in this article are solely my viewpoint. The press release accompanying the new Mainstream list explicitly says: “All original Mainstream, Basic, and SSD calls not included

First of all, why a new Mainstream list? In recent years many callers viewed the Basic (48 calls) and Mainstream (19 calls) programs (67 calls total) as being a barrier to new dancers. As a result, several new shorter “programs” were developed, including the “Club 50”, the “50 call Condensed Teaching Method (CTM)”, and the Callerlab Social Square Dance (SSD) program. These lists all have 50 calls (mostly the same ones) in common.

As a result, Callerlab members voted to do away with these many programs and to create one, 50 call program called new Mainstream. I will note that ALL these programs have, with a few differences, essentially the same calls. Most callers and dancers will easily adapt.

One caller explained to me that old “Mainstream only” clubs will have to make the significant changes. This assumes these clubs have new classes learning the new Mainstream. Those new students will have to learn the previous Mainstream calls that were eliminated. Or their club will have to stop using those calls (the significant change). Will this make them a “Mainstream+ Club?

Some people don’t like change; most callers have favorite calls they like, so agreeing on getting rid of 17 calls is hard. What is the difference between the old Mainstream (67 calls) and the new Mainstreet (50 calls) list? (I know 17 calls, sort of...)

**Basic Calls:** Here are the 7 Basic calls which are no longer on the new Mainstream list, or have been combined under a family grouping and therefore don’t count as one the 50 calls.  
(1) Forward & Back, (2) Allemande Left/Arm Turns are combined, (3) Do Paso, (4) Walk Around Your Corner, (5) See Saw, (6) Circle to a Line and (7) Alamo Style – is moved to Ocean Wave Family. So yes Callerlab “cheated” a little bit by combining two calls and moving a stand-alone call under an existing “family” of calls to make their 50 list.

**Old Mainstream:** Here are the 9 old Mainstream calls which are no longer on the new Mainstream list:

(1) Cloverleaf, (2) Eight Chain Thru, (3) Pass to the Center (4) the Allemande Thar Family

## Continued

which include 5-6 (5) Slip the Clutch, (6) Shoot the Star, (7) Walk & Dodge, (8) Dixie Style to a Wave and (9) Spin- Chain-Thru

The following 10 old Mainstream calls are still on the new Mainstream list:

Turn Thru, (2) Hinge, (3) Put Centers In, (4) Cast Off 34, (5) Spin the Top, (6) Slide Thru, (7) Fold/Cross Fold, (8) Tag the Line Family, (9) Scoot Back, (10) Recycle (from waves only).

My view on the 8 deleted Basic calls:

- (1) Forward & Back – Deleted as a call, but added to the preface - so not really gone. Just a little sleight of hand.
- (2) Allemande Left/Arm Turns combined – this is like, cheating to shorten the list
- (3) Do Paso – ha, you want to put just about any dance floor down from a squared set? Just start with this call. Not to worry, it is almost always called directionally anyway. Usually following Walk Around Your Corner – wait, that's gone.
- (4) Walk Around Your Corner – can be called directionally as “face your corner and right shoulder walk around them”. Wait, what? This is a traditional call of our dance.
- (5) See Saw – can be called directionally as a left shoulder example of above. This is also traditional call of our dance.
- (6) Circle to a Line – I’m not going to miss this call at all, there are other ways to achieve the same result (a Partner Line). Again, may be a problem with some singing call timing. But sides lead right and circle four  $\frac{3}{4}$  gets to the same foot prints. Dancers have been “cheating” on this call for years anyway.
- (7) Alamo Style – moved to Ocean Wave Family, so not really gone

My view on the 9 deleted Mainstream calls:

- (1) Cloverleaf? I’m going to miss this call. I like the symmetry of the call going from a completed double pass-through formation to the double pass to formation. It instills the concepts of dancers moving independently in a leader-follower formation. And I get to talk about making a cloverleaf move is like getting off the expressway.
- (2) Eight Chain Thru - probably not going to be missed much, but a bummer for some singing calls.
- (3) Pass to the Center - a staple call for moving from an Eight Chain Thru formation to a Double Pass Thru formation. Redundant to Dive Thru, which they should have deleted instead for safety reasons.
- (4) Allemande Thar Family - not liked by a lot of callers, but liked by a lot of dancers. And not hard to dance.
- (5) Slip the Clutch - not needed if you don’t have an Allemande Thar
- (6) Shoot the Star - not needed if you don’t have an Allemande Thar
- (7) Walk & Dodge - used a lot but the calls after the action are limited due to body flow. Except of course Cloverleaf, if Cloverleaf was still a new Mainstream call.
- (8) Dixie Style to a Wave - Can be called directionally, sort of, “1/2 Sashay 1/2 (or ladies lead) right pull by and Left Touch 1/4.

## Continued

much, BUT it's the foundational call for Spin Chain the Gears, and Spin Chain & Exchange the Gears. Now all three calls will be on the Plus list.

Note: Single Circle to a Wave was moved from Plus to the new Mainstream, but it doesn't count as one of the 50 calls because it was added under the Ocean Wave Family (along with Alamo Style).

Conclusion: In my view this new Mainstream Program is much to do about nothing. Callerlab is just solidifying numerous 50 call lists into the new Mainstream program; although they punted by combining calls under a "family". With a couple of exceptions (Thar, Cloverleaf) nobody is going to miss anything. Except maybe in non-English speaking countries where helper words in English don't really help.

Historical note; In the year 2000, the T2000 was another shorter basic/mainstream combination almost exactly like what just took place this year. The organization was split and the convention chairman had the tie vote against the program. This time, the new Mainstream program vote went to the entire Callerlab membership, which voted 75% for and 25% against, hence the new program was accepted.

The work is not done however, because the new Plus program will have more than 50 calls, some of which will be pulled from the Advance program.

The Old Plus program has 28 calls. Even if 17 calls were moving up to the Plus list (they aren't as discussed above) you would still only have 45 calls. Callerlab states that the new Plus list – not yet developed, most have at least 50 calls. As a result, Plus clubs (most of them around here) will need to learn some new calls.

I don't think it's a bad thing to have Plus dancers learn some new calls. Some easy calls to chose from the Advance list might be: Pair Off, Triple Trade, Grand Follow Your Neighbor, Quarter Thru, Three Quarter Thru, Pass In, Pass Out, Quarter In, Quarter Out and Brace Thru. I believe most Plus dancers could learn these calls in one or two workshops.

We will have to see where Callerlab goes next, but remember we are all square dancers looking for the fellowship, exercise (body and brain) and just plain fun. None of that is changing.

## The Panhandlers

Wednesday evening Dec 31, 2025, marked the end of 2025, the end of a fun year of square dancing for the Gad Abouts Square Dance Club, Panhandlers Square Dance Club, and Rivermont Ramblers club, and the opening of a new year full of potential and hope in a joint New Year's Eve dance held at the Asbury Center in Charles Town, WV.

We enjoyed the cheerful company of friends from our clubs as well as from the Frederick County Promenaders , the Merry Notes Square Dance Club, and the Sand Dollars Square Dance Club (Hope we didn't leave anyone out!) as we enjoyed round dancing, square dancing, a midnight breakfast, and a surprise (but humorous) attack on one of our callers, Mike McIntyre. Although he had problems controlling his laughter, he did manage to keep the calls coming.

We hope to continue that sense of playfulness throughout the new year.

Thank you: Mike McIntyre, Art LaVigne, Roberta Harris and Butch Bloxom for calling and cueing for us!

## Ryder's Rounders at St B's

Ryder's Rounders at St B's continue to dance phase II-IV [with an occasional special phase V] on the new beautiful wood floor in the Richardson Room at St Barnabas Episcopal Church -- 4801 Ravensworth Rd, Annandale VA --every Thursday from 7-9:30 PM. We also love to party featuring special thematic dances and tasty treats to reflect specific holidays. Our next special party dance -- Thursday February 12 [and Sunday February 15] -- will be our annual Sweethearts Party dance. Love will be in the air and on the floor as we dance to a variety of "love songs". The Richardson Room should glow red as club members and workshop dancers enjoy these "seasonal" dances and delicious treats. Come join us Thursday evenings at St B's whenever you can.

We have continued our intermediate workshops on Sundays from 6:15-7:15 PM with class level dancing from 7:15-8:45 reflecting rhythms previously reviewed. We have also started a basic dance class from 5:15-6:15 PM preceding our intermediate workshop. Our basic class is currently focused on rumba and cha cha figures, but we plan to complete these lessons and begin some new basic waltz lessons in February. Our intermediate workshop is currently reviewing phase IV foxtrot figures. We also have an intermediate workshop and dance at Greenspring Senior Community in Springfield VA every Monday afternoon from 1:00 -3:00 PM. We're currently reviewing phase IV foxtrot figures. We'd love to have you join us and if you'd like to do so. Please call Berni and Ken for more information regarding their intermediate workshops and basic class.

Finally, we held a **SPECIAL NEW YEARS ROUND DANCE BALL** on Thursday, January 1, 2026 --New Years Day to celebrate the arrival of 2026 -- America's 250th birthday year. Christina Eum joined Ken in cueing for the 11 couples [22 dancers] who welcomed 2026 with outstanding dancing and a tasty buffet repast, including a cake, and New Year's Holiday favors. The Richardson Room has not often seen such elegant attire and smooth dancing while welcoming the New Year 2026. Dancers so enjoyed this special event that we plan to hold another New Years Celebratory Round Dance Ball next January 1. Where else can Ken get a chance to cue and dance in a Tuxedo!!!

We invite all round dancers to join us in-person at Greenspring or St Barnabas. If you have any questions or need more information about the clubs, the workshops, or beginner dance lessons -- please call Berni and Ken at 703 323-6615.

## BIZZY BEES

After a pleasant conclusion to 2025 with our "Father Christmas" Dance, where members were arrayed in festive outfits of the season, we buzzed into 2026 with our "Winter Wonderland" dance on January 13.

"Back to a Throwback" is our theme dance on January 27th. February 10th we'll be celebrating "Mardi Gras" and the 24th we'll have our "Sweetheart Dance". It's a little late for Valentine's Day, but any time is a good time for a dance dedicated to Sweethearts. March brings our "Wearin' o' the Green" and "Early Easter Bunny Hop" celebrations to lead us into Spring.

We dance up to plus level the second and fourth Tuesdays of each month from September through May from 7:30 to 9:30 pm to the mellifluous calling of Chris Stacy. Our normal venue is Oakton Elementary School, 3000 Chain Bridge Road, Oakton, VA. However, our February 10th "Mardi Gras" dance will be at Vienna Elementary School on Center Street in Vienna, VA. We socialize around the snack table between tips. Square dance apparel or dressing for the theme is optional. Guests are very welcome. We hope you can join us! Any questions? ## Hampton Roads - Upcoming Spring Dances

Smithfield, Newport News, Hampton, Virginia Beach, Norfolk

### Smithfield Grand Squares - St. Patrick's Day 2025

Hampton Roads has the most energetic square dance community and we are growing! We have seven square dance clubs in our area and can easily dance five and sometimes six nights a week if we want, and all within a 40 -minute drive from where I live in Hampton! One club is five-minutes away and the next closest is 20-minutes away! Many of our clubs have fun themes for their dances. Make sure you are wearing your green for St. Patrick's Day dances at the Smithfield Grand Squares on Monday, March 16th and the Double- N Dancers on March 12th so you don't get a pinch! Really, we won't pinch you but the obligatory group pictures look so much better when we are coordinated! Make sure you wear your Easter bonnet on April 6th for Smithfield Grand Squares and April 10th for Double- N's. Both Smithfield Grand Squares and Double- N Dancers alternate squares and rounds!

## Double- N's First Dance of the Year 2026

You just might be one of the first people to hear up-and-coming caller Steve Waddell if you join us at **Smithfield Grand Squares!** Steve has called a couple of tips now and he's getting pretty good! Jim Kline, the caller and cuer for Smithfield Grand Squares, helped Steve choose his first tip, "Streets of Bakersfield," a 1973 song written by Homer Joy and sung by Buck Owens. Steve wanted a song in the old style of square dance music. And it turns out that "Streets of Bakersfield" reminds him of his childhood and his father driving them in their truck to his grandparents' house while listening to the "Tom Cat Show" on Big K Radio in Warrenton, Virginia. We are looking forward to hearing more from Steve in the future!

## Shooting Stars Labor Day Dance - 2025

I love all our clubs but truly who doesn't like a free or discounted dance night? The Shooting Stars have themed Monthly dances on the 1<sup>st</sup> Saturday of the month and you can get in FREE to the Ground Hog dance if you bring a live dancing ground hog in February or come dressed as a fool in April! Or how about bringing spring flowers in March or the history of the Mayflower in April for half price admission? I just love the uniqueness of the Shooting Stars!

Be assured all of our Southside clubs (clubs South of the Hampton Roads Bridge Tunnel) know how to put out a spread of delicious food from expert chefs to suit the theme of the dances. I remember the Shooting Stars having the Oktoberfest with brats and kraut and other German snacks. And I'll bet there will be shrimp on the table for The Three Amigos Under the Sea Dance and Dave's famous guacamole for the Mexican Fiesta Dance. And hopefully, Pam's brownies and Carol's pie. But I digress. Its really not about the food. We just love to dance with our friends and when you are with your friends don't you like to grab a bite? It's just part of the southern hospitality our southside clubs have! No worries if you don't bring anything - there is plenty to share and we are happiest when we do share!

# REGION 5 NEWS

## The Thumpers First Dance of the Year 2026

The Thumpers dance the 2<sup>nd</sup> & 4<sup>th</sup> Saturday of the month. For themed dances, enjoy the Red-Hot Chili Dance on March 28 where members loosely coordinate the buffet with a few chilis, cornbread, and other delights. And try the 50's Dance, where you might see a poodle skirt on April 25 and maybe some 50's music or the Cowboy Dance on May 25. There is schedule conflict for the St. Patrick's Day dance which would have been on March 14 (Thumpers will be dark) so you will have to celebrate with your green with the Riptides on March 6.

Riptides dance the 1<sup>st</sup> Fridays of the month. Along with the St. Patrick's Day Dance, April 3 is the Swing-Into-Spring Dance and May 1, the 63<sup>rd</sup> Anniversary dance. Can you believe it? 63 years! Now that's something to celebrate! The Three Amigos dance the 3<sup>rd</sup> Friday of the month. I wonder what the Under the Sea Dance will be like on March 20? And don't miss the Spring Fling in April or the Mexican Fiesta Dance in May!

## Jeremy's Angels 2026 – Foxhill Squares

We don't often have just a "regular" dance at Foxhill Squares as we are in a fairly continuous loop of lessons! We did have a Christmas party with one of our biggest spreads, but even our biggest spread at Christmas was no match to *any* of the Southside clubs. Still, we would love to have you pop in and help us usher in new square dancers on Tuesday evenings. And you might actually burn calories rather than staying even! We have three brand new students that started this session and four that are repeating the sessions again to reinforce what they learned and are not up to angel level yet. But we all come to have fun! And Jeremy is also calling experienced tips and teaching us the Advanced calls that are moving to Plus so we will already know them come September 2026! Come Angel with us!

## Shooting Stars Loss

Joan Schragle, Shooting Stars's long time faithful dancer went to meet her loving Lord in heaven on January 1, 2026. Lovingly called Joannie, she always helped with setup for Shooting Stars dances and lessons and never arrived without her delicious snicker-doodle or chocolate chip cookies. She was a square dance angel to so many coming to take mainstream and plus lessons. Joannie was a friend to everyone and will be deeply missed.

The Festival Committee has just a few more Theme Dances to go before we will head to the Hilton to start setting up for the Festival.

I know it seems like the Festival just runs itself, but we need volunteers to make it a success. We are asking for volunteers to donate at least 1 hour to assist us throughout the Festival.

To give you an idea of what it takes, here is just a very short list of the people that coordinate WASCA Festival activities:

Robert Abinoor – student Square Dance Invitational  
Janet Adams and Daryl Davis - cuer contracts  
Nick Capozio – caller contracts  
Darella & Tom Deubel - 50/50 raffle tickets  
Mike Farris – square dance schedule  
Ken Jester - round dance schedule  
NCASDLA – sound in all rooms  
Dick Otis – online program  
John Richardson - beautiful flyers and ribbons  
Nancy & Tom Stafford - registration desk  
Linda & Steve Toth - accounting & registration  
And MANY more!

## We need volunteers for:

Decorations – setup and take down.

Selling tickets for the baskets.

2<sup>nd</sup> Hand Rose – setup, take down, and sales.

50/50 Tickets Sales – the Deubels staff the ticket sales at the registration desk. We need a few people who can go from hall to hall to sell tickets.

Room counts – WASCA keeps track of the number of dancers in each room to plan future festivals.

Other – as we get closer to the Festival, we may have other volunteer opportunities.

If you can, please send an email to: [2026FestivalDirectors@wascaclubs.com](mailto:2026FestivalDirectors@wascaclubs.com) and we will get you set up.

**Update on hotel** – we have a dozen rooms left in our room block, so if you haven't already secured a room, please call the Hilton Reservation Line at 703-478-2900 and request the WASCA room rate.

**Dance Schedule** – the round, square and clogging schedules are being finalized now, and will be out soon. The Committee has lots of fun specialty tips for you, and we're setting up several community spaces for you to gather with friends at the festival.

See you at WASCA's "65 and Stayin' Alive"!

75<sup>th</sup> National Square Dance Convention®  
in the Waco Convention Center on June 24-27, 2026*

## SEWING 101

This class is for people who are new to sewing.

## MAKE IT YOURS

Resale items can be turned into works of art by your creativity. Make a t-shirt into a one-of-a-kind top by adding lace, fabric, or trim. Make a plain shirt unique by adding appliques, lace, or trim. Make a crew neck into a V-neck, a must for some of us.

## TABLECLOTH SKIRTS

Did you know you can turn a tablecloth into an attractive square dance skirt? It is possible! Let Carol show you how to do it during this informative class.

## SEWING 102

This class is for people who already know how to sew. It will cover how to read a pattern, adjust it for your body proportions, and how to properly cut out fashion.

## PUTTING A YOKE ON A NON-YOKE SHIRT

Learn how to turn a normal dress shirt into a fancy square dance shirt by adding a yoke to it. The shirts you make will be

more unique and personalized than any of you could buy at a store.

## ADDING TO IT

This class will show you how to take any outfit and make it unique and something you really love simply by adding a little something extra to it, like your favorite design, bling, or beads. The list is endless.

*Make sure to check the 75th NSDC's Convention App (available for download in May) for dates and locations.*
