America

~ The Lord's Word to America – May 24, 2017

synopsis:

- Jesus: "**Because you have not spurned your connections with Israel**, but have courted her favor and even gone beyond, because of that **I declare that I am your defense**, your security and your strong arm."
- **Because you have elected a man after My own heart for this nation**, not a perfect man by My standards or anyone else's, but suited to govern this nation and look out for My interests. Because of this, I will be your defense against your enemies, America.
- **What is still lacking is repentance** from your worldly ways. However, you have run to the aide of those oppressed in this world, and for this reason, I will train you in the ways of repentance. You have looked after the fatherless, the orphan and the widow. Those oppressed unjustly in prison. And for this reason, I continue to train you in repentance and abandoning your lust for power and accumulated goods.
- **Train your children in mercy and mercy shall be given you.**
- For too long, your agenda has been prosperity, and there are those among you, who, having attained that prosperity, wish to go from money making success to the next money making success. And they roll their eyes when donations to missions are called for. They are living on very dangerous ground for both themselves, their marriages and children.
- **Open your hearts to the poor** and see if I do not open Heaven's windows to you ... windows of graces and provision for your souls to be enriched with the true riches.

Anointings (see: Graces/Graces Released/ Anointings)

Clare's Black Panther/Avarice in Us

~ I Am Pruning in My Vineyard – May 11, 2017

- Clare: the struggle with her **black panther/sprit of avarice** has come to a head: I want it OUT! Gone!
- Jesus: You are going through a **purification of heart and attachments**. I know it is painful, but you are releasing parts of the world that are like sediment in the bottom of your heart. Things you inherited from your mother, your own desire nature; things that poison the spiritual life and dilute your effectiveness in serving Me. (full synopsis under **Self-Will**)

Clare Songs

~ You Are Standing Before Your Destiny NOW – May 14, 2017

- Clare: I've been **sharing very simple music with you**. The Lord is taking me back to the very basics – me sitting down at the keyboard and moving my fingers with barely another thought in my mind than that very simple act. And He is bringing forth something anointed. I'm returning to where I was in the very beginning – a child-like heart.
- **We need to incorporate slow-paced, gentle music when we come to be with the Lord**. To allow our minds to come to that deep, quiet place within us, to join our hearts with His. Stimulation, up-beat music doesn't allow us to 'go there.'
- He wants to **shine His Light into our darkness**, not allow us to hide behind constant stimulation/up-beat music that distracts and entertains us.
- Jesus: This gift is truly misunderstood. When you come to Heaven, you will experience the harmony of life in **sound vibrations that are intertwined into a masterpiece of worship to**

Me. All creation sings to Me, and each expression of love and gratitude is pleasing to Me, whether it be a frog croaking or a bird singing.

- **All of you can sing to Me from your heart;** all of you can go about doing good to others, from your hearts. All of you can take delight in creating and exercising your gifts, and I share in that with you. Whether you work with teams in administration, or you are singing in a choir, or paint edifying images of Me and My creation, or work in the undiscovered realms of science. Your minds are a creative gift to you and when you use them I am glorified, especially when it is to do good. (full synopsis under **Destiny**)

Deception

~ **How to Lose Your Destiny, One Common Way – May 1, 2017**

- Unfortunately, **this lesson was prophetic back then some months ago - and this soul has been given over to a Spirit of Deception, with their own consent.** It truly is, for the time being, a difficult ending. But the Lord NEVER abandons us, we just get to go 'round the mountain again...and again ... and again.... Until we either get it right or die. Or hopefully are raptured! It took me the full 40 years and I don't want this to happen to any of you, Heartdwellers, so please take this parable to heart. (full synopsis under **Destiny**)

~ **When It's Time to Let Go – May 5, 2017**

synopsis:

- Clare: **Dear ones, when we have labored on behalf of a soul and they do not receive it...do you know, those graces are not wasted?** The Lord applies them elsewhere to another soul, who will respond. In Chronicles of the Bride, our first book, there is a chapter devoted to this very theme, Graces Dispensed on Your Behalf, March 9th 2007. If you get a chance to read it, it will answer some important questions about what happens when you labor for a soul and they do not receive the graces.
- Jesus: **When you've done everything possible in a situation and nothing changes, it is time to let go.** When you have invested your whole self and nothing budges, it is time to cut the mooring rope and let it drift away.
- My children, **there are boundaries that I have drawn for you** in your sphere of life. If you have been following Me for a while, these boundaries are very secure.
- When a soul wants to be right, a million justifications are given for whatever course of action they take. **Such a soul is very easy to deceive,** because they can easily be flattered into believing that what they want to do is given them from above. That is not the case at all, My dear ones.
- My children, **when I give you a gift you must hold it close to your heart.** If you go about broadcasting and bragging about it, a thief lying in wait will surely despoil you of it. The more you talk, the more you advertise, the more you advance in your gift without an eye to prudence, the more likely you are to lose it.
- **It is very difficult to retrieve a soul from error** when they have made 'stunning' progress. So much of the ego is inflated that letting go of that victorious, impervious image is nigh unto impossible.
- A hundred times over I tell you, My Brides, **do not fear to be found making a mistake.** Cover nothing, be honest in everything. You may suffer the reproaches of men, but what is that to you when you stand before your God in humility? Without presumption, without pretense, in childlike innocence.

Demons:

Demon Attacks

~ Will Your Destiny Run Aground? – May 9, 2017

- Jesus: **“The enemy is just cruising for you, My Love.** You see, if you leave any room for them, they mercilessly persecute you. A little is not a little - it is an open door to a lot. Do you have that kind of self-control? I see what you don't see; I see an ambush laid for you. If you do not renounce yourself, how can you escape entanglements? Do I not honor your prayers for healing? What is more effective? Your prayers or the oils? Without My grace, they will do very little indeed.”
- **Be very leery of any direction that takes you off that course.** You can be sure the enemy has discovered your destination and he will do anything to cause you to deviate only a degree or so in this journey of life. And you will completely miss your target and even pass it because your navigation is off only one degree! How do you know you are digressing? That still small voice inside is nudging and nagging you. Every time you move to make a commitment in the wrong direction, I set off alarms in your conscience. But if you are very attached to that, you will reason with those alarms. (full synopsis under **Destiny**)

Demons: How They Work

~ How Soon IS the Rapture? – May 17, 2017

- Jesus: As I have told you once before, My Beloved, **to every move of God three demons are assigned: Fear, Doubt and Scrutiny.** These bring with them the necessary smaller demons to undermine your work and your destiny. Doubt brings Unbelief. Fear brings Lying spirits of failure, accusing you of your past. And telling you that you'll a failure in the future, just like you've been in the past. Scrutiny carries with it all kinds of insecurities about the nature of the work you're doing, its quality. Is there time enough to do it? Do you have the resources? Are you lacking talent? Obstacles like sickness, evasive spirits of confusion and disorientation are the kinds of things that Scrutiny bring with it. (full synopsis under **Rapture: Waiting For**)

~ How to Lose Your Destiny, One Common Way – May 1, 2017

- We have had an extraordinary soul, brand new Christian come through the Channel. I saw the potential in this person and the Lord asked me to cover and guide them. Believe me, I tried. Some people who are highly intelligent, gifted in many different ways and have a big heart for others... Well, they don't do well with a high school dropout like myself, counseling them about the perils that lie before them. **And this story is a lesson to us all to never, ever disdain those who are mature in the Lord and have had many years of experience being sifted by the enemy and refined in the refiner's fire.** (full synopsis under **Destiny**)

Destiny

~ How to Lose Your Destiny, One Common Way – May 1, 2017

synopsis:

- Clare: I want to begin by mentioning that the **Lord calls some to extraordinary missions** but if they are not extraordinarily humble and patient, they may never be fit to carry those missions out.

- But in this situation that I'm going to uncover for you, there are **several Heartdwellers who have been hurt, scandalized and disappointed by the failure of another well-meaning and much loved person.** This is the spiritual journey with God that is the most trying and calls for the utmost compassion, understanding and forgiveness. Not to even begin to mention wisdom and not placing false hope in any one person.
- I want to see you all capable of receiving life-giving direction from the Lord and **not have a need for anyone to stand in the Lord's place and 'be their Holy Spirit.'**
- We have had an extraordinary soul, brand new Christian come through the Channel. I saw the potential in this person and the Lord asked me to cover and guide them. Believe me, I tried. Some people who are highly intelligent, gifted in many different ways and have a big heart for others... - Repeat of the **parable of the Miner's nephew** who refused to listen to his uncles' sage advice...and died in a mine accident, originally given on January 6, 2017.

~ Will Your Destiny Run Aground? – May 9, 2017

synopsis:

- Clare: I like this expression very much, "If you die, before you die, you will not die when you die." That comes from an Orthodox monastery. **Just how much of you still needs to die?** Well, the Lord is faithful to show you.
- **Clare: story** of how she wanted to get essential oil diffusers, and discerned the Lord's will on it incorrectly.
- **Rhema's were given that, at first seemed positive.** But she had been interpreting them through the 'purse of her own opinion.' Later rhemas underscored her self-will and attachment to them.
- Jesus: **"The enemy is just cruising for you, My Love.** You see, if you leave any room for them, they mercilessly persecute you. A little is not a little - it is an open door to a lot. Do you have that kind of self-control? I see what you don't see; I see an ambush laid for you. If you do not renounce yourself, how can you escape entanglements? Do I not honor your prayers for healing? What is more effective? Your prayers or the oils? Without My grace, they will do very little indeed."
- **Clare then had to go through the process of unattaching herself from these things!**
- Jesus: My dear Brides. **I want what is best for you – always.** Every day. Every moment. It is what I know will lead to your greatest happiness and holiness, that I guide you away from certain things. Please trust Me in this. I do know what's ahead. I know what traps have been stretched out beneath your feet and covered over with the guise of doing good for others. Trust Me, please. Trust Me, that if I don't allow you something, it is for a VERY good reason - and if you persist in wanting it, it will be to your detriment.
- **Be very leery of any direction that takes you off that course.** You can be sure the enemy

has discovered your destination and he will do anything to cause you to deviate only a degree or so in this journey of life. And you will completely miss your target and even pass it because your navigation is off only one degree! How do you know you are digressing? That still small voice inside is nudging and nagging you. - He wants to **shine His Light into our darkness**, not allow us to hide behind constant stimulation/up-beat music that distracts and entertains us.
- Some are saying, '**I just don't hear the Lord**.' I beg to disagree. He IS there talking. We need to adjust our 'tuners'. We need to listen to what is 'between the lines' in Scripture. In Rhemas. In the music.
- Jesus: This gift is truly misunderstood. When you come to Heaven, you will experience the harmony of life in **sound vibrations that are intertwined into a masterpiece of worship to Me**. All creation sings to Me, and each expression of love and gratitude is pleasing to Me, whether it be a frog croaking or a bird singing.

Your minds are a creative gift to you and when you use them I am glorified, especially when it is to do good.
- Do you know that **your attitude in a service job can actually stop a suicide from happening?** Why? Because you can make a soul feel loved when you go out of your way for them.
- **All of you are asking, 'What can I do?'** The answer is simple: live this day as if it were your very last day on Earth to show love. My love for mankind. With this attitude of heart, you will save many souls.
- When you get **hit with something discouraging**, look around and ask yourself, '**Who is Satan trying to keep me from ministering to?**' Truly I tell you, he deliberately plans these attacks to take you out of commission just when I need you the most to be fully there.

Ezekiel Healing

~ What I Have Said, That I Will Do – May 31, 2017

synopsis:

- Clare: shares with the Channel that **Ezekiel has a very serious condition** – one that should kill him. But the Lord has promised her that he will NOT die – but be healed.

- Jesus: I have made provision for Him. It may be last minute, but it is provision. **I will make you stronger to walk with this not-so-little cross;** you will carry it as though it were nothing. And this will be My gift to you. You will not lose it every day and cry yourself to sleep. You are going to walk tall through this crisis, in My strength, in Faith.
- **Clare makes a plea to the Satanists and any who are sending death curses to them: STOP** your evil ways! Don't you understand? You will never out-power or out-smart the Mighty God, but instead be dealt severely with yourself.
- Jesus: **You are blazing the way for many healings, not just his.** I want you also to write healing music that can carry the suffering souls off into another land, the land of life and happiness. I am using you in a teaching position, much as I used the prophets of old. And how they suffered in My service! Yet the legacy of their life-giving words and deeds continues to live on even into eternity and forever.
- **BELIEVE. That's all I need from you,** BELIEVE with all your heart, that nothing is impossible with God. Believe in Me. Believe in My goodness, in My love. In all I have ever promised you. BELIEVE. And even when the dark clouds threaten, BELIEVE. Oh yes, your hope shall not be disappointed. Not at all. BELIEVE.

Faith

~ How Soon IS the Rapture? – May 17, 2017

- I would like to say, My Dear Ones, **PERSEVERE.** I am coming to help you through the tangled webs of the enemy, who is continually revising his ways of slowing you down and even stealing your destinies. **There are times when you must operate in sheer faith,** with not an iota of inspiration. I will not try you beyond your means, but I will use those times to apply graces to the world situation and especially in America - the president who is being fought tooth and nail by the ruling elite. (full synopsis under **Rapture: Waiting For**)

~ You Are the Miracle Walking in Faith – May 8, 2017

synopsis:

- Jesus: Expect Me to act. When you **step out in hope** - especially when your faith is being tried - but you hold firmly to the rope of grace that I am faithful, expect Me to act. Many of you are not moving forward as I would like you to, because you are waiting for a miracle. May I say, your miracle is in you moving forward despite all the odds. **You most glorify Me when your faith is flagging, yet you hold fast to it and step forward anyway.**
- My children, **you are the miracle when you lunge forward in faith.** When you sit there waiting for Me to act, you are not an inspiration to anyone. Did you know, that at the very least, you as a Christian are to encourage others to keep going by your decisive actions in moving into your destinies?
- In order for you to create a piece that is convincing of My Love for you, **you must be living, dwelling, breathing and acting from My Heart.** You must know Me intimately in order to portray My Love for each and every one of you.
- Now, must I remind you that **I've found you dwelling in My Heart and that's what qualifies you for an assignment** that will bring My Bride closer into My very arms? Age is no impediment. Sickness is no impediment. Inexperience is no impediment - none of these things the world turns on qualify anyone to undertake a work for Me. Only love and an intimate knowledge of Me does that.
- **Mother Theresa** had this love and knowledge of Me. I did miracle after miracle for her because of her faith.

- Move forward! You are thickening on your lees still. Break out of your mold of complacency.
- I have much for you, but you will miss it if you don't **get going now into your calling**. You know what I have put in your heart...now act on it. Stop procrastinating. Walk into your destiny, hand in hand with Me. I will place you beneath the glory spout and you will indeed be empowered.

Jesus

Bride(s)

~ **Jesus to His Bride – A Pure Heart is Irresistible – May 21, 2017**

synopsis:

~Jesus: "Sweet words, your words of Love for Me. And such a broken, contrite heart. **I am without the ability to resist that combination.**"

~Clare reviewed her **recent battle with her 'black panther'** – the Lord spoke of hope that, although it will try to come back, she has made significant progress against it.

She spoke of how deceitful and slippery the demons are in all the ways they try to trap us.

~Jesus: (changing the topic back) Now... where was I with the sweet enrapturing affection from My Bride and her sole desire to be pure for Me...? He continued, "That is the sweetest topic for Me to muse on. Because it brings to mind all My hopes and dreams for **My Bride and the destiny I have chosen her for.**"

~He went on to discuss the recent two souls that were offered powerful gifts, yet allowed their own pride and demonic influence to pull them from that path. **Underlined the need for PURITY of soul and intentions.**

~So, I consider **a pure heart, kept just for Me, one of the greatest gifts a soul can give Me.** It truly is a virginal heart, no matter how defiled they have been in the past. And truly it is those souls who appreciate salvation and forgiveness more than the righteous, because they know they deserve hell's fire for the things they have done. Even someone like Mary Magdalene had a broken and contrite heart for Me.

~**The defilement of the world sticks to a soul like tar and smells noxious to all of Heaven.** It is for this reason that even the angels avoid assignments with these. And yet, there are those among My heavenly servants who have pity on the proud, arrogant and corrupted souls. And they most often end up with those assignments, because they are first to apply.

~Someday, My Love, every tear will be wiped away and the story will be told in eternity of those who chose God and those who chose for themselves. When that happens, you will cease to grieve for them. But for now, that pain very deep inside is **bringing forth good fruit for the seed** that fell on good soil.

Eyes Only on Him

~ **I Am Pruning in My Vineyard – May 11, 2017**

~Jesus: My dear, dear Love, I am asking you to be inebriated in My presence, My beauty alone. I know at times it is difficult to find that place of peace where the contemplation of divine truths and My being are all that matters to you. But you see, I need that space inside of you to be filled with My Spirit. There is not enough room when the sludge and sediment of this world has built up layer upon layer upon layer.

~The power of My Love is supposed to swirl around in your heart like a crystal clear river, but now it runs slow like an old muddy river. And that is why you've encountered so much opposition to holding the fire of My love and pouring it out to others through your work. You struggle much with these old strongholds in your life, and My heart is to free you from them. Eye has not seen, ear has not heard, all the wonderful things I have in store for you, once there is room for them in your heart. (full synopsis under **Self-Will**)

Hearing/Seeing Him

~ **Falling Deeper in Love With God – May 17, 2017**

- Clare: I want to mention here, **for those of you who do not easily see the Lord.** Envision Him as He was the last time you saw Him, or envision Him in your favorite image of Jesus - in a favorite place. Beside a stream or on a park bench - whatever. Allow Him to come into that space in your heart and mind and meet you there. It begins with envisioning Him. And from there He makes it a real event.
- Clare: It's really not hard, guys. It really is not hard. **We can all visualize things.** Some not so pleasant, and some very pleasant. God gave us this gift so that we could visualize Him - and

He could walk into our world and make the vision come true. (full synopsis under **Jesus: Intimacy with Him**)

Intimacy With Him/Dancing

~ **Falling Deeper in Love With God – May 17, 2017**

synopsis:

~Clare: Jesus has just opened a **new door to deeper intimacy with Him**, and approaching a Divine Union of our souls with His. May we all avail ourselves of this extraordinary grace.

'I was becoming deeply troubled that I was losing His presence – and rhemas were underlining that.' she said. She was tempted to Jealousy over a song/singer and feeling abandoned.

~Jesus: Clare, **there is never a moment I am away from your side**. You are the one who drifts from Me, not I from you. There is too much busy work in your home. You need to run it like a cloister or you will never go where I want to take you. Less involvement with the world, My Precious. Less and less and less. (secluded from the outside as much as possible – dedicated to Him and prayer.)

~**Alone with Me is all you'll ever need**. How surprised I am that you do not avail yourself of that every moment of the day. If you would begin to practice that, seeing yourself held securely in My arms, you will see a change in your attitude from moment to moment. And you will go deeper with Me, much deeper.

~**I am the main meal**. Those other things are simply appetizers, unappetizing as they are to you. They are like the condiments on the table. But in My arms is where you will find your life and nourishment. Lose your life in the world to find Mine in Heaven.

Practice simplicity in this environment, that's the challenge. Oh, My Beloved, **I ache for you as you ache for Me**. There is not a moment of the day that I don't long to see one sweet glance of your eyes.

~Clare: I want to mention here, **for those of you who do not easily see the Lord**. Envision Him as He was the last time you saw Him, or envision Him in your favorite image of Jesus - in a favorite place. Beside a stream or on a park bench - whatever. Allow Him to come into that space in your heart and mind and meet you there. It begins with envisioning Him. And from there He makes it a real event.

~My delightful Brides, become so entwined and wrapped up in Me that you forget what you're doing, what you came into a room for, what you were going to do next. Yes! Yes! **I want to be your one and only distraction**. You know what it feels like to fall in love and long for your Beloved. This is indeed how I long for you. But so few long for Me with that same intensity. **Long for Me**. Be distracted by Me. Be pulled away by Me - become forgetful of all around you by Me. This is the kind of love I ache to have from My Brides. As the saying goes, 'Be so heavenly minded that you are no earthly good.'

~Clare: It's really not hard, guys. It really is not hard. **We can all visualize things**. Some not so pleasant, and some very pleasant. God gave us this gift so that we could visualize Him - and He could walk into our world and make the vision come true.

~ **When It's Time to Let Go – May 5, 2017**

synopsis:

- Clare: Heartdwellers, we are all under a very specific kind of attack right now. Namely: being thrown off our schedules and keeping us from prayer. The enemy has set snares every few feet in our lives to keep us out of prayer.
- Interruptions have been monumental.
- Jesus: there is a plan afoot to derail your spiritual life away from Me and into the world.

Forewarned is forearmed. My children, do not see interruptions in your daily routine as just 'life.' They are not just life; they are warfare. And deadly attempts to wrench you out of My arms. Not all at once, but little by little. Little by little adds up to a LOT.

- You are under attack and the most important thing in your life is being targeted - your relationship with Me. You see, once they accomplish this slow separation - which goes from one or two days to one or two weeks almost overnight - once they accomplish that, your judgement is no longer sound, your decisions are no longer holy, your attitude is no longer patient and long-suffering and kind. Impatience gets in. Not just with those outside of you but with yourselves. You begin to condemn yourself and that spreads to others until you are in a negative spiral.
- I am calling on you now to grab hold of this invasive monster and kick it out of your life. I long to be with you every day and when these attacks come, I wait for you to recognize the enemy at foot and put him in his place outside of your life.

Warnings from Jesus

~ **When It's Time to Let Go – May 5, 2017**

- It is very difficult to retrieve a soul from error when they have made 'stunning' progress. So much of the ego is inflated that letting go of that victorious, impervious image is nigh unto impossible.
- A hundred times over I tell you, My Brides, do not fear to be found making a mistake. Cover nothing, be honest in everything. You may suffer the reproaches of men, but what is that to you when you stand before your God in humility? Without presumption, without pretense, in childlike innocence. (full synopsis under **Deception**)

Mother Theresa

~ **You Are the Miracle Walking in Faith – May 8, 2017**

- **Mother Theresa** had this love and knowledge of Me. I did miracle after miracle for her because of her faith. (full synopsis under **Faith**)

Parables

~ **How to Lose Your Destiny, One Common Way – May 1, 2017**

- Repeat of the **parable of the Miner's nephew** who refused to listen to his uncles' sage advice...and died in a mine accident, originally given on January 6, 2017. (full synopsis under **Destiny**)

Peace

~ **Peace That Passes All Understanding – May 30, 2017**

synopsis:

- Clare: I have been lately going through **a trial that is so severe, my very faith has been tested**. We are being called to patient endurance...waiting for the breakthrough.
- One of the greatest **distortions of the Christian faith is that suffering will end when you become a Christian. Good luck!**
- Jesus began, "My dear June Brides, I know, in this moment **many of you are still undergoing torment**. I am well aware of the trials that are besetting you. Even the strange things, never before experienced, are plaguing you and yet you have shown your substance by standing strong in the midst of turmoil.

- "Let Me remind you that **there is a deeper place for you to stand**. A much deeper place. A place of peace and union with Me that nothing can touch. I know the battle is raging on the surface, but at the depths all is peaceful and calm. This is where I need you to reside."
- **Part of your new season entails overcoming the things that have thrown you into a panic before.** Fears, terror, stressors, losses—so much turbulence that ended in loss. But what you are experiencing now can end in gain. All that is needed is your faith and obedience. Go deeper, My Brides, go deeper. There is a place where you can stand when the storm rages, and be untouched by it
- The darkest hour precedes the dawn. **But I AM IN CONTROL HERE! NOT Satan!**

Rapture:

Waiting for:

~ How Soon IS the Rapture? – May 17, 2017

synopsis:

- Clare: I've been getting **random messages/rhemas about the Rapture** – and I wondered if there was something the Lord was trying to tell me? I have also been getting much increased attacks – creative blocks, feelings of hopelessness and despair.
- Jesus: As I have told you once before, My Beloved, **to every move of God three demons are assigned: Fear, Doubt and Scrutiny.** These bring with them the necessary smaller demons to undermine your work and your destiny. Doubt brings Unbelief. Fear brings Lying spirits of failure, accusing you of your past. And telling you that you'll a failure in the future, just like you've been in the past. Scrutiny carries with it all kinds of insecurities about the nature of the work you're doing, its quality. Is there time enough to do it? Do you have the resources? Are you lacking talent? Obstacles like sickness, evasive spirits of confusion and disorientation are the kinds of things that Scrutiny bring with it.
- You were concerned about little hints here and there I've been giving you on the Rapture. What I mean to say here, Beloved, **is that it is STILL ON THE SCHEDULE.** I will not comment one way or another about timing - so don't bother to go fishing. I will tell you what you need to know, when you need to know it.
- May I say it again...for the umpteenth time? **I want you gathering in souls in the ways I have counseled you in the most recent messages.** While you are waiting, I have given you this Channel and other (but very few and far between) to guide you into what you are to be doing in the interim. This is a place you gain strength and inspiration to continue to cultivate your gifts and destinies. And if you spend your time drinking in the bad news, some of which has been deliberately manipulated for selfish motives, you are being misguided and putting yourself at risk.
- I would like to say, My Dear Ones, **PERSEVERE.** I am coming to help you through the tangled webs of the enemy, who is continually revising his ways of slowing you down and even stealing your destinies. There are times when you must operate in sheer faith, with not an

iota of inspiration. I will not try you beyond your means, but I will use those times to apply graces to the world situation and especially in America - the president who is being fought tooth and nail by the ruling elite.

- It is a ferocious battle, My people, and **Donald needs your prayers** and your resolutions to move forward with your lives. Never in the history of the world has evil proliferated like it is now. Never. Evil has destroyed the lives of countless numbers of young people and those who have been fighting to keep their footing, just to stay alive. The discouragement runs so strong and thick, I must send out teams of angels to redirect the flow into the Abyss, lest no one be left standing.
- **When I told you three years it was by no means a license to sit back.** Rather, it was a call to battle. You've got 3 years to be the best years of your lives in serving Me, bringing forth the most fruit and meriting a ride to Heaven before the worst hits. That's not long; make the best use of that time.

Rhema/Discernment

~ **I Am Pruning in My Vineyard – May 11, 2017**

- **When I tell you to be watchful, (that's a rhema that He'd given me) I mean it!** There is trouble coming and you're not recognizing it. Mostly because your initial discernment was poor. When you feel a check in your spirit, you know you are being warned, no matter how you interpret the Scriptures I give you in readings. When you feel any kind of check - RUN from it. Don't entertain it and find out what size, shape or colors it comes in!!! RUN from it. Flush it and move on, it's a trap. And it has teeth! And those teeth will cut into you and hurt you. Once more, the wound will become infected and hurt even more. (full synopsis under **Self-Will**)

~ **Will Your Destiny Run Aground? – May 9, 2017**

- **Rhema's were given that, at first seemed positive.** But she had been interpreting them through the 'pursue of her own opinion.' Later rhemas underscored her self-will and attachment to them. (full synopsis under **Destiny**)

Satan

His Character/Our Enemy

- **Fix your eyes on what is NOT seen, My Bride.** Know beyond a shadow of a doubt that your light and momentary troubles are achieving an eternal glory that out-weighs every suffering. Suffering ends when you leave Earth; it is short and temporary. Glory is eternal: eternal bliss, eternal peace, eternal happiness on a scale never experienced on this Earth. His Works Against Man

~ **You Are Standing Before Your Destiny NOW – May 14, 2017**

Satanists

~ What I Have Said, That I Will Do – May 31, 2017

- **Clare makes a plea to the Satanists and any who are sending death curses to them: STOP your evil ways! Don't you understand? You will never out-power or out-smart the Mighty God, but instead be dealt severely with yourself. (full synopsis under Ezekiel Healing)**

Self-Control/Self-denial

~ I Am Pruning in My Vineyard – May 11, 2017

synopsis:

- Clare: the struggle with her **black panther/sprit of avarice** has come to a head: I want it OUT! Gone!
- Jesus: You are going through a **purification of heart and attachments**. I know it is painful, but you are releasing parts of the world that are like sediment in the bottom of your heart. Things you inherited from your mother, your own desire nature; things that poison the spiritual life and dilute your effectiveness in serving Me.
- That's the effect of accumulated worldly desires you've never quite released all the way. **Yes, you could call it a stronghold**. It has many tentacles stretching to every area of your life. I'm removing them, Clare, but first you must renounce them.
- He warned her that holding on to anything He wanted her to let go was – was just “looking into the jaws of the monster.” **The ONLY way to deal with it is complete and final renunciation of self-will.**
- **As a shepherd of a flock, the requirements are more stringent**. A shepherd carries very little – only the essentials, unhindered. Things that are 'okay' for others are not 'okay' for her in this position.
- Jesus: My dear, dear Love, **I am asking you to be inebriated in My presence, My beauty alone**. I know at times it is difficult to find that place of peace where the contemplation of divine truths and My being are all that matters to you. But you see, **I need that space inside of you to be filled with My Spirit**. There is not enough room when the sludge and sediment of this world has built up layer upon layer upon layer.
- **The power of My Love is supposed to swirl around in your heart like a crystal clear river**, but now it runs slow like an old muddy river. And that is why you've encountered so much opposition to holding the fire of My love and pouring it out to others through your work. You struggle much with these old strongholds in your life, and My heart is to free you from them. Eye has not seen, ear has not heard, all the wonderful things I have in store for you, once there is room for them in your heart.
- **When I tell you to be watchful, (that's a rhema that He'd given me) I mean it!** There is trouble coming and you're not recognizing it. Mostly because your initial discernment was poor. When you feel a check in your spirit, you know you are being warned, no matter how you interpret the Scriptures I give you in readings. When you feel any kind of check - RUN from it. Don't entertain it and find out what size, shape or colors it comes in!!! RUN from it. Flush it and move on, it's a trap. And it has teeth! And those teeth will cut into you and hurt you. Once more, the wound will become infected and hurt even more.
- **Mothers and Fathers – your family comes first in ministry**. Teach your children how to give, feed the poor, minister to those less fortunate. **For the rest – no one serving as a soldier gets entangled in civilian affairs...please the Commanding Officer!**

- Persevere, My doves. Do not grow weary. Wait, just wait until you see the reward I have stored up in Heaven for each of you! But so that you do not grow weary in the meantime, you who have given your all; you who have fought the good fight against your vices - with you I am highly pleased and **you shall enter into your Master's joy.**

Still Small Voice Youtube channel & Website

To The Heartdwellers

~ **How to Lose Your Destiny, One Common Way – May 1, 2017**

- But in this situation that I'm going to uncover for you, there are **several Heartdwellers who have been hurt, scandalized and disappointed by the failure of another well-meaning and much loved person.** This is the spiritual journey with God that is the most trying and calls for the utmost compassion, understanding and forgiveness. Not to even begin to mention wisdom and not placing false hope in any one person. (full synopsis under **Destiny**)

Suffering/Trials/Simon's Cross

~ **We Will Overcome Obstacles to Your Destiny – May 24, 2017**

synopsis:

- Clare: My precious Heartdwellers, if the **last few weeks have been exceptionally difficult**, please take heart! The Lord is with you and has encouragement for our flagging hearts and minds.
- Jesus: "**These days are critical, My Clare.** I know how much they are costing you. I know all about your battles with fatigue and attitudes. I know how you struggle with frustration that you cannot change some things that cause others pain. I know how you grieve over all these things, even your breathing. But may I say, **you are bringing down truckloads of graces upon this Channel** by your cooperation with these sufferings. Though I know you want to give up at times, still you haven't; you are still, saying, "yes" to Me. I commend you for that. Understand, these are critical times and your shares of suffering are important to My plans. Thank you for persevering, My Love, thank you."
- Jesus – a reminder to Clare to let go of a past 'episode'. She has done all He asked.
- **Enduring through these trials is part of your suffering to My very, very important cause.** I need you to stand straight and strong and I will bring good out of it all. You are not a failure, far from it. You have done as I wished, that's all I wanted. The results are now in My court.
- Because you have My Body and Blood in communion, you can draw your strength from that each day. You have My words to meditate on, and My Spirit to quicken you. And because you have My waiting arms to come to with your petitions, I can fill you to overflowing for the tasks of the day, or I can repair the wounds of the night before. **There is no limit to what I can accomplish in My Bride when she avails herself of Me alone.**
- These challenges raise your understanding, giving you many opportunities to think and act creatively, the way I think and act. And also that good may come of even the most distressing situations. The sufferings that accompany them also form you more deeply in patience and perseverance. **All in all, I allow contradictions in your lives to make you whole and entire, lacking in no good thing, going from glory to glory.**
- Do not recoil in fear, My love. Rather embrace the possibilities, and we will cross these broken bridges together. **So many people never reach their potential, because they spent their lives avoiding any kind of trouble, contradiction, pain, suffering, a lack of things.** Any

difficult challenge - they avoid it! How sad this is. They will, at their departure from Earth, feel woefully lacking in accomplishment.

~ **What I Have Said, That I Will Do – May 31, 2017**

- Jesus: I have made provision for Him. It may be last minute, but it is provision. **I will make you stronger to walk with this not-so-little cross;** you will carry it as though it were nothing. And this will be My gift to you. You will not lose it every day and cry yourself to sleep. You are going to walk tall through this crisis, in My strength, in Faith. (full synopsis under **Ezekiel Healing**)

Tribulation & Trials

~ **Joy Comes in the Morning – May 27, 2017**

synopsis:

- Clare: **The Lord has been leveling the high places in our lives.** Some of us have had the most difficult month we can remember. The very worst.
- **There are seasons,** dear ones. Seasons of climbing that mountain of holiness, where the Lord asks us to climb with His Cross, through the most frigid and slippery terrain, that is so steep we can hardly breathe as we walk. We have talked about this before, climbing and then arriving at a high and level plateau where the vista is exquisite and exhilarating.
- **But during the climb we come humiliatingly near to defeat.** One more drop of suffering and we'd be finished! And it is from this place we are desperately crying out to God to help us persevere.
- **Our enemies do not realize that this is another training routine to prepare us** for the next level of blessings, blessings that will steal souls out of the jaws of Satan. You know, the Lord toughens us up, and gets us ready to handle more anointing. That's what this is about.
- Commentary on **Peter catching the 153 fish** and why the Lord asked him if he loved Him.
- Jesus: **My Bride is entering a much needed time of rest and recompense.** I have watched your labors against overwhelming odds. I have heard every cry for help to keep going, I have captured your teardrops in a golden vial. I have missed nothing. Now I am going to anoint your heads with the oil of gladness. I am going to pour your tears onto the fertile ground and like nourishing waters from above, your garden will blossom around you. You are coming into a season of reaping for all your labors, My Bride.
- **Our young people** are graduating from school, not only confused about what to do with their lives, but embracing suicide cultures! We need to be Light in their darkness, pointing them to Life and Him.
- **You have no idea of what I have planted in that soil, but when it comes to fruition, you will truly be awe struck!**

Trump, Donald

Prayer for His Safety

~ **How Soon IS the Rapture? – May 17, 2017**

- It is a ferocious battle, My people, and **Donald needs your prayers** and your resolutions to move forward with your lives. Never in the history of the world has evil proliferated like it is now. Never. Evil has destroyed the lives of countless numbers of young people and those who have been fighting to keep their footing, just to stay alive. The discouragement runs so strong and thick, I must send out teams of angels to redirect the flow into the Abyss, lest no one be left standing. (full synopsis under **Rapture: Waiting For**)

Suffering for the Sake of

~ **Jesus Speaks On Turmoil in the U.S. – May 19, 2017**

synopsis:

- Clare: was concerned, praying for Ezekiel. She wondered if his pain was because of her.
- Jesus: **Clare, it's not about you; it's about the world.** And as things are going now, it does not look good. Rally your people around you for prayer and fasting. And as far as Ezekiel is concerned, I will always touch him when you pray, always. It's My nature to be full of mercy and I weep with you over his condition, which is reminiscent of the world's. So much is in need of restructuring, but the wicked powers are growing stronger and My people are growing weaker.
- **The world is failing.** Those who want war and death and destruction, those who are ignorant of their connections and ways of supporting evil - they make up a large part of this. They do not know what they are bringing upon themselves. And We are getting weary of contending with them.
- Jesus urged her to **continue on with gifts, but not to forget the duties of prayer and offerings.** Also, to make music that is more in keeping with the darkness of the hour/days.
- It is a **dark night for the White House.** Much prayer is needed to reverse the climate there. More suffering than usual.
- Be ready to vote well if elections are called near you.
- **There is hope. It is not hopeless.** What looks hopeless is the smoke-screen thrown up by the elite sector in reaction to Donald winning the presidential race, as they are still trying to unseat him. But he is moving ahead in a very focused way in spite of the turmoil. And I am with Him.

Works for the Lord

~ **How to Lose Your Destiny, One Common Way – May 1, 2017**

- Clare: I want to begin by mentioning that the **Lord calls some to extraordinary missions** but if they are not extraordinarily humble and patient, they may never be fit to carry those missions out. (full synopsis under **Destiny**)
