

REVELATION 12 TRIBULATION 2025-2032

BASED ON THE ESSENE SABBATICAL 7-YEAR CYCLE OF TIME

The purpose of this illustration is to show the possible Timeline of the Duration of the Biblical Tribulation Period of 7-Years. The Supposition is that the Depiction of the famed Revelation 12 Great Sign in Virgo will be fulfilled at the Mid-Point of the Tribulation or the 1260th Day. For 2029, if the Start Year is 2025. In 2029, it is when. It so happens to be the next approximate Astronomical Depiction of the Revelation 12 Sign that occurs on September 11, 2029. This Date coincides with Yom Teruah or the Feast of Trumpets. Then 1260 Days later, is September 11, 2032. Is this a Couple Witness of the Return of Jesus? If so, the Timeline will be Reverse Engineered from that date. And some Amazing Correspondences do occur with the 2 Segments of 1260 Days that Match the Feasts of YHVH. If such a Timeline Scenario is plausible, then it would confirm the Jubilee Count and Sabbatical Cycle that started in 2022. This then means that the Revelation 12 Sign that occurred in 2017 was signaling a 7-Year countdown to the Rapture, possibly from 2023 or 2024 before the Tribulation is thus presumed to start in the Fall of 2025.

If 2025 is the possible start of the Tribulation Period, it does not preclude the Rapture event from occurring beforehand. Realize that it is the Daily Sacrifice Offering that initiates the 1260 +1260 Day Segments that make up the 7-Year Sabbatical Cycle or Daniel's Last Week of Years. There could be then a Gap of Time, enough to set in place the New World Order and construct the 3rd Temple in Jerusalem. All that plus an 'Alien Rapture' to control the Hysteria and Narratives, that will follow the Biblical Rapture, etc.

TRIBULATION - TIME OF JACOB'S TROUBLE?

And another Sign appeared in Heaven: behold, a Great Red Dragon, with 7 Heads and 10 Horns, and on his Heads 7 Diadems. His Tail swept down a .33 of the Stars of Heaven and cast them to the Earth. And the Dragon stood before the Woman who was about to give birth, so that when she bore her Child he might Devour it.

If this Calculation Model is correct, then Jesus will Appear as He did on His Birthday. This is based on a -3 BC Date of 9-11 likewise when He was Birthed on Earth, at His 1st Advent. Now at His 2nd Advent, in 2032, likewise but on the Sabbath following it from Feast of Trumpets. This Feast of YHVH also Signifies the Sequence of Prophetic fulfillment. This Assertion is based on the Menorah Pattern of Jesus having Fulfilled the 3 Spring Feasts as the Lamb of YHVH. Likewise, Jesus will then return to fulfill the Fall Feasts as the Lion of Judah. The middle Pentecost Feast was and is for the Duration of the Church Age Gentiles, to have been grafted-in. This Prophetic Intermission into Israel's Judgment to be completed, will conclude with the Rapture just before the Tribulation Period begins with the start of the Daily Sacrifice 2520-Day Count.

TRIBULATION PERIOD 2025-2032 TIMELINE?

BASED ON THE ESSENE SABBATICAL 7-YEAR CYCLE OF TIME

The purpose of this illustration is to show the possible timeline of the duration of the Biblical Tribulation Period of 7-years. The Chart will highlight the various Months that pertain to the Key Times that involve the possible Tribulation Scenario. The Month starts with September of 2025 that show how the Feast of Yom Teruah occurs the Day after the Fall Equinox of September 22, 2025. From that Date and Marker, the following Day Count suggests that the Start of the 7 Year Tribulation would start on that Weekly Sabbath after all the Fall Feasts have concluded. This possible Tribulation Start Day would be October 18, 2025. Thus based on this Day Count, the 1st Segment of the 1260 Day Count would result in March 30, 2029, which is Passover in both the Rabbinical and Torah Calendar. Then the 2nd Day Count of 1260 would result in Rosh HaShanah or Yom Teruah on September 6, 2032. This is only an Educated Guess based on several Pieces of Evidence that suggests 2025 could be the Start Year for Daniels' Last Week of Years to finish Israel's Discipline and the 2nd Advent of Jesus Christ.

2025

The following are Key Points as to why one is convinced of a 32 AD Crucifixion. This in turn is linked with Shemitah Cycles and how the '2 Day or 2000 Year Prophetic Template', is applied then. This would suggest when the Church Age is to 'End', minus the 7-Year 'Time of Testing' that is to come on Earth from 2032. And that Year, then points to 2025. This is why one is, at this Point in Time, more Convinced of a 32 AD Crucifixion.

1. Creation Year, Anno Mundi -3971 that converges on 29 AD, that one argues is when Jesus started His Ministry and Declared the Jubilee of Isaiah 61, making 32 AD the Crucifixion Year.
2. The Essenes' Calendar and Calculation taught that the Messiah was to come to Die for the Sins of Humanity in 32 AD. No less from the Dead Sea Scrolls themselves. And that the Last Sabbath Cycle was to Commence in 2025.
3. Thallus, Greek Historian attested to the Fact, that there was recorded, a Total Blackout and Earthquake, not only in Jerusalem, but in other parts beyond Judaea in 32 AD. This was recorded about 20 Years after the Crucifixion, so that would be around ~52 AD.
4. Sir Robert Anderson of Scotland Yard, no less, presented his Mathematically Calculated Day Count wherein, Jesus' Triumphal Entry occurred in 32 AD.
5. From one's own Research, the Year is based on the Argument that it was the 3rd Decree of 4 made by the Med-Persian Monarchs to have the Jews Return and Rebuild the Walls of Jerusalem. One surmises that it was Artaxerxes 2, in -445 BC. If one uses the Spring Equinox of that Year and adds the Number of Days predicted in Daniel, it comes to Precisely April 10, 32 AD, just 4 Days prior to Passover of April 14, 32 AD, etc.
