December 2025

Hello SWAVF Fire Departments. This is Robert Scott, chairman of the Fire Prevention committee. It's that time of the year when you want to start thinking of warm weather of summer and that brings the SWAVF convention. This year's convention will be in Bolivar, NY from July 29- August 1, 2026. Being the fire prevention chairman is near and dear to my heart, so I am asking your fire department to show off what you do throughout the year for fire prevention in your community. You can make a fire prevention book (like a scrapbook) or a poster board. You should include some pictures and/or newspaper articles if you have them. Please turn your entry in to the Vice President listed below for your county.

The fire prevention committee will be judging the entrees on Sunday, June 28, 2026 at our SWAVF meeting in Bolivar that day. The Awards ceremony for the SWAVF Convention will be held on Friday, July 31, 2026, around 10am. We look forward to seeing the incredible service that your fire department does in helping your communities be safer.

Thank you for your time and dedication to the fire service.

Sincerely,

Robert Scott
