

A CONSCIENTIOUS COVID-19 OBJECTOR

WHY ONE WILL NOT TAKE THE INJECTIONS

A Statement of the Medical and Religion Exemptions to Mandates

by Luis B. Vega

vegapost@hotmail.com

www.PostScripts.org

'For I am Conscious of Nothing against myself, yet I am not by this Acquitted; but the one who examines me is the LORD [Jesus].' -1 Corinthians 4:4

The purpose of this discourse is to weigh-in on the conversation regarding how now People are having 'to take the COVID-19 Injections. It seems now that the Injections are 'required' for 'Everything' to 'Buy and Sell'. As Believers and Followers of Jesus Christ, one knew this Satanic Day was coming and it has come. Now that the FDA, in the USA has 'approved' the Pfizer COVID-19 Injections are being required. It is 'mandated' to 'live normally' but especially to keep one's job and be able to go into a Grocery Store and buy food and provide for one's Family, travel, etc. In France, stores have 'Bouncers' to refuse People who are not 'vaccinated' with an Injection that does not work.

What one will say is from one's Heart and Conscience. One objects all that. One is refusing to be Injected with a 'Poison Death Shot' as Dr. Zelenko has called the COVID-19 Injections. One is living on borrowed time. One's days are numbered. A total Medical COVID Tyranny is rolling-out, day-by-day to the point that no Medical and/or Religious Exemptions will be tolerated. Anyone not complying with the U.N. WHO/CDC Mandated Vaccination Programs will be ushered into the 'Interment' COVID Camps. Realize, that taking the COVID-19 Injection will not just be a 1 time thing and one is 'done'.

No, once a person takes the 'Snake Bite', the COVID Medical Tyranny arrives with a whole series of subsequent 'Boosters', and for life. And the ones that stand to lose the most are those that are Conscientious Objectors. Why is one Conscientiously Objecting? It is because the COVID-19 Injections are not 'vaccines'. And those that have Medical and/or Religious Exemptions really only presently have a temporary reprieve. Soon, the U.N. WHO/CDC Medical Laws are going to be codified into every Nations' Administrative Law. In really, it will be the same style of enforcement that the Soviet Union had. Presently, Communist China has this now with the Social Credit Score. They are systems implemented to maintain total control over its People.

According to some reports, National COVID related type of Identification Cards are coming. It will validate 'Vaccine Status'. This is will be 'Green Passport' where QR Codes are being used in Cell Phones and QR Readers check for one's Vaccinated Status. It will also serve to Contact Trace People for COVID and for whatever the latest Variant is being released. One will not be able to board Airplanes or any kind of Public Transportation without proof of Vaccination Status. And even if one is 'current and updated', Masks will still be required. They are really to stop the 'Spread of Descent'.

COVID Big Brother

So, for a 'Religious' People who have 'Medical Conditions', one objects to having to capitulate to an Authoritative Mandate whose Risk outweighs the dismal 'Benefit' of their solution to a Corona Virus, an Injection. It does not prevent Infection, does not prevent Transmission and does not provide Lasting Immunity. The following is a partial list of what will be prohibited if one is either refusing or 'Resisting' or 'Hesitant' in receiving the regularly scheduled COVID Injections. The 'List', is essentially a 'Death Sentence'.

- Cannot enter Stores to buy Groceries.
- Cannot enter any Public or Private Store.
- Cannot enter any Federal, State and Local Office for any reason.
- Cannot Vote in Elections.
- Cannot enter any School nor graduate.
- Cannot be issued a Driver's License.
- Cannot have any Public Utilities without 'vaccinations'.
- Cannot be given any Medical Service.
- Cannot be given any Emergency Care.
- Cannot have any Medical Drug Prescriptions.
- Cannot Marry unless both Members are 'vaccinated'.
- Cannot be issued a Business License to open a Business.
- Cannot have Children Homeschooled.
- Cannot have 3rd Party acquire Prescriptions, Supplements, and/or of Groceries.
- Cannot travel inter-state without 'vaccinations'.
- Cannot have a Family if either Parents and/or Children are not 'vaccinated'.
- Cannot purchase nor possess a Firearm if not 'vaccinated'.

Based on over a year and a half of Deep Research into what is in these COVID-19 Injections, through Scientific Papers, and Testimony that is only based on the Research of the Experts and those Scientists and Doctors that have bravely come forth, one is 100% convinced that, personally one will never take these COVID-19 Injections. It is not that it will be a 1 time thing and done to return to 'Normal'. No. It will be the 'hook' to be injected into a new serious of 'Adult Injection Protocols' to participate in their 'New COVID Order'. The Conscientious Objection is due to the following 2 main reasons.

1. Religious/Moral Conviction

One is convinced, beyond Reason that having the COVID-19 Shots all derived from unwilling and sacrificed Aborted Babies whose Tissue has then been used for Cell Lines to make the Shots is Immoral. Although some People will argue that 'No Aborted Tissue is in some of these COVID-19 Shots', all have been tested, derived from them initially, despite excuses of being 'Synthetic'. See numerous articles linked in the Endnotes.

2. Pre-existing Medical Conditions

And then there is the legitimate Fear of Phobia of dying from the RISK of having any unknown possible Adverse Event due to the weakened condition of one's Natural Immunity. And this because of one's Near Death Experience 3 years ago for which one is still in Recovery Mode and suffering its effects. As it is, one has needed to take 2 Medical Leaves and have had 2 Emergency Visits already since March of 2020 when the Lockdowns came into place and it was only asked of the World for 2 weeks to 'Flatten the Curve'. Remember that?

Freedom is Slavery

Worse, is the notion of a deranged U.S. Surgeon General that has now advocated the dismissal of 'Natural Immunity'. This despite Scientific Papers out of Israel to the contrary. It is not about a 'Cure' for COVID. There can never be a 'Cure' for COVID as that is essentially the Family of the Flu, of Influenza that has plagued Humanity since recorded history. It is impossible to rid the World of COVID. Yet, endless 'Variants' that are natural-occurring will be and are now being used to justify an endless array of 'Booster' Shots that will be required to maintain the COVID Tyranny and State of Emergency. If there was truly a 'Cure' for COVID, Big Pharma would be out of business.

This is why it is not about 'Curing' COVID, but Treating it with Injections, permanently and using it to enslave the entire World where Politics, War and Diplomacy has failed. And that there can be no other 'Solution'. One objects to all that. COVID Injections from here-on-out? Under no circumstances is one, 100% convinced, and with no hesitation or doubt, whatsoever that, 'I need to take it' in order to continue having one's job so one can eat and live. It seems the Powers-That-Be want everyone so distribute as to depend now on 'Injections' and Health Mandates. The excuse is an ingenious one, 'For the Safety and Welfare of Society'. This is disingenuous. It is not true and one objects.

The Governments of most if not all Nations have signed-on to the U.N. Agenda 2030 that relegates Humanity to be living on 'worm soup' and 'crackers' in some rented apartment. As the coming World Reset is designed to accomplish this, Humanity in the coming 'Great Biogenetic Leap Forward' will own nothing and be nothing. Humanity will be controlled, Digitally from the inside. From the fusion of Bio-Mechanical Tissue incorporating Liquid Metals and Nano Technology that fuses Man with Machine and the 'Internet of All Things'. This is the real reason for the Injections. One objects to all that. Why? One could have a wonderful vision of the Brave New World and Human Potential.

First, such a vision and technology would be wonderful, in deed if it were not coming from, directed and implemented by the most evil of humans with evil intentions. The People who are 'Mandating' Masks and the Injections upon all Humanity are not benevolent, God-Fearing People who have every Human Being's health, wealth and interest in mind. They side with the Forces of Evil, of the Luciferian kind who are engaged in Pedophilia, Abortion, Sex-Trafficking, Human Slavery, Wars, Famine, etc. Such a Cabal seek the destruction and defacing of the Divine Image and Likeness of YHVH in every Man and Woman on Planet Earth, and one objects to all that.

One has lived long enough and has read enough Scriptures from many 'Holy Books' to realize that the 'End has Come'. This is especially true of the Christian Bible and how Jesus warned of what is literally occurring now, Biblically, a Medical Tyranny. If one has to consider, 'No Jab, No Job', this is a violation of one's Human Rights. But here lies the problem for the Luciferian Globalists. They see one who 'Objects Conscientiously' as not 'Human' nor having Human Rights then. And if so, not to be honored nor respected any longer going forward in this COVID plandemic. Medical Tyranny has descended as a Demonic Spell cast upon the whole World. The point in saying all this that one knows what it is to live in a country where Human Rights will not be honored nor respected.

Reversal of Sanity

One knows what it is like to live under the Tyrannical Rule of the Oligarchy that keeps its Power by dumbing-down the People and keeping them dependent on an Authoritarian Government by way of 'Fear' and Mandates. One knows what it is to 'starve' and not have a place to stay. Coming from the 3rd World, that was one's life and what one escaped from to come to an Amazing Country like the USA once was. But as one has witnessed over the decades, these same Powers-That-Be now seek to inject every Human Being like 'Chickens'. And they have successfully made the USA into a 3rd World Nation to do it through. Why? The USA has been impeding the Luciferian Globalists, who are Eugenicist Psychopaths. The USA once had a vibrant Middle Class. The bedrock was the Family Unit, the Church and living for what was Right and Good. Now, the Spirit of Baphomet has descended across the World to 'Divide and Conquer'.

It has been a Luciferian Spell cast upon the Land to make everything be reversed by Deception. Good is Bad. Bad is Good. Up is Down. Down is Up. Man is Woman, Woman is Man. And one objects to all that. If anyone has traveled abroad, especially to South America, Africa, Asia, one will realize that what makes a 3rd World is how you have extremes. You have the 'very' Rich and 'very' Poor and they live side by side. There is no Middle Class in the USA anymore. It was the bedrock and backbone of the Nation and what made it 'Great'. America was 'Great' because it was 'Godly'. It was Christian. Since after World War 2, really, it has turned its back on Jesus mostly.

And those that call themselves 'Christians' have degenerated into what Jesus foretold would occur and be, the Laodicean type of Church that would be the last rendition and condition to close out the Church Age before His return. That it would have 'a Form of Godliness but have no Power'. This Luciferian Spirit of Division by design has been implemented through COVID-19 'Mandated' Injections in the pretext of 'Saving Humanity'. Instead, it will be its demise and enslavement. It is about 'Divide and Conquer'. A Nation divided cannot stand. Medical and/or Religious Exemptions are only buying a little more time. Those Enemies of what is True and Just that have taken control of all aspects of the World have made it so that any Conscientious Objection, Courage, Power and Resolve are all but either destroyed or at best, compromised.

And this thanks to the Mass Psychoses that has convinced more than half of the Population in the USA that the COVID-19 Health Measures, Injections, Masks and Lockdowns are 'good' and needed. And that those opposing 'Science', the WHO, CDC, Gates and Fauci will eventually need to be removed from Society. This is already a reality as Families are having their Children taken from them if they are not being allowed to get 'vaccinated' or the Parent is not 'vaccinated', for example. One objects, but this is the Plan. Thus, based so far on what one has researched about the COVID-19 Shots, it is NOT the Mark of the Beast in the Biblical sense. A precursor to the System and Platform? Most definitely. But one is 100% convinced that by taking the COVID-19 Shots, one will NOT lose one's Salvation only found in Jesus nor be Damned Eternally to burn in the Lake of Fire. One may lose one's Physical Life. Why? All the Big Pharma Corporations made a sweat deal with the WHO, CDC, FDC. They skipped the Animal Trials and are injecting Humans with the new mRNA type of technology.

No Fear, No Compromise

The reason the COVID-19 Injection roll-out had to be at 'Warp Speed' was to get the Injections into People as fast as possible before the People started to wake-up from their Mass Psychosis induced and realize they have been and are 'Human Guinea Pigs'. Now, because one has lived without a place to stay and has gone without food, and one does not have a Family to worry about, one has 'No Fear' anymore. On the contrary, one grew-up with such Fears...of exactly all that has been mentioned above. In the 3rd World, it was all about these 'Fears'. Where is one going to say? What is one going to eat? Who is going to protect and provide? No one. But having had the Near Death Experience and being 'Carried by Jesus'. One rested in His arms.

It is Jesus that took away all such Fear of worrying about where one's next meal will come from, having a warm bed and roof over one's head and who will provide and protect this 'Fearful' person. No more. But there are those who have not had this personal experience, nor reassurance. Such have a Family to feed. The point is that if one takes the COVID-19 Shots, as the only option to be able to eat and provide for one's Family, this Conscientious Objector will not judge, condemn or look and treat such People less for it. And especially for those that are Followers of Jesus, it is not a Salvation Issue. Now, if one believes these COVID-19 Injections are the Mark of the Beast, then NO! But based on the mere Medical Threat and Adverse Effect Risk of its un-proven track record and VAERS Death Counts? It should be a NO!

As one has assessed, the COVID Injection Mandates are a Psychological Operation imposed by Globalist Eugenicists who are Luciferian. The U.N. is run by them, Lucis Trust and all, etc. And their practices and schemes are no different now that they were since Biblical Times to World War 2. Such are the ones who perfected the Worship of Ba'al to sacrifice Babies by burning them alive in the arms of the blazing Molech God, the Horned Owl or Bull representation of Lucifer. And this is why the WHO, CDC and the FDA are going after the Christians and Children ultimately. But they want the Parents to administer the Death Shot to their Children themselves so they are not culpable. And in fact, one cannot sue the Companies for Death and/or Damages. The Mass Psychosis and Luciferian Deception is that they have the whole World thinking it is a 'Good Vaccine'. Bad is Good. Good is Bad, etc. And one objects to all that.

And why would anyone in their right mind Resist, Hesitate or not 'believe' in Science? The Risk of Physical Death or Permanent Damage is too great to be taking the COVID-19 Injections and worse, to be giving it to your Little Ones. One objects still to all this. Trust Jesus for one's provisions. Now, if a person or especially a Follower of Jesus does not take the COVID-19 Injections and takes a stance against them, one does not know how Jesus will provide, protect one and one's Family. But one knows that in one's case, what one thought was an end, a 'Red Sea Moment', personally....has always become an Open Door through the Sea after all. One has been blessed in hind-sight, all the time. So, as the situation is getting critical now for everyone and in particular the Body of Christ on Planet Earth. It is time perhaps to be leaving Planet Earth as the Luciferians clammer that the Body of Christ on Earth has over-stayed its welcome. Regardless, it is critical for all of Humanity to stay 'human', if one takes the Shots.

Mind of Christ Jesus

The Body of Christ Jesus needs the 'Mind of Christ' and instructions from the Head, Jesus. The Bride needs to be focused, not 'Fearful' nor caught-up in the Satanic Spell of COVID. It needs to have a clear 'Channel' of Communication, that is Prayer, Fellowship, Study and Worship. Jesus needs to be free to communicate to His Body at this dire junction in Human and Church Age History. Here is one's personal reasoning for not taking the COVID-19 Shots, as a Conscientious Objector, even though the World, Neighbors, Friends, Colleagues, Family, etc., think one is the 'crazy' one for not doing it. From the research one has been able to learn, one is able to articulate a very simple list of objections.

1. One has insisted that these particular types of COVID-19 Injections:

-Are not a 'vaccine'.

-Have all been made/derived from Aborted Baby Tissue Cell Lines.

-That it is 90% Graphene Oxide which is a Petroleum by-product and toxic.

-That they have Hydrogel which is toxic.

-That they have PEG Poly Ethylene Glycol which is a toxin.

-That they have Lipid Particles that are toxic.

-That they have Nano Particles or 'Bots' need not be there for purposes of Immunity.

-That they have mRNA type of technology that can 'Transcribe' into ones DNA.

-That Protein Spikes produced will damage Red Blood Cells and cause Micro Blood Clots, etc.

...That one does not want these types of Elements introduced into ones' Body.

2. One thus has a Phobia or a FEAR of dying because one's weakened Immunity due to prior Medical Conditions. If one takes this type of COVID-19 'Vaccine'. Look it up, the ADA Law honors and protects the Category of having a Phobia as a 'Mental Condition' for qualifying for a Disability and thus a 'Protected Status' needing Accommodation by Law. This is for the USA, so not sure if such provisions are applicable in other Nations.

Thus, one cannot, in Good and Clear Conscience take the COVID-19 Injections, Medically because of one's Liver Damage and other prior Medical Complications.

3. That based on the CDC's own VAERS, over 13,000 People have reportedly died after they had taken the COVID-19 Shot alone. Only about 1% of Adverse Events are being reported. And over 500,000 People have reported Adverse Reaction from it. These statistics are as of September, 2021. More People have died in past 18 months than last 10 years of COVID shots.

4. That one genuinely has, thus a 'Fear' of PHOBIA of taking the COVID-19 'Vaccine' because one's Body would not resist any possible Adverse Effects and one does not want and will not take that Risk. All the while, the Big Pharma Corporations that make these Poison Death Shots as Dr. Zelenko has called them have 100% Immunity from Lawsuits. It is they that are totally 'Protected' and have 'Zero Risk'. And they are the ones getting Sickly Rich as People become Sickly Poorer due to the forced Lockdowns.

One has to insist and plead with the 'Pro-Science', 'Pro-Vaxxers' that this is not your regular 'Vaccine'. They think such People like one who is Conscientiously Objecting are only having 'excuses' and are being 'Selfish'. And that, 'One does not know what one is talking about.' They mock one and one's other Colleague who question the 'Science'.

Medical Martial Law

And they try to intimidate those that ask questions or are 'Hesitant', 'Resisters', etc. No Critical Thinking is allowed; Censorship rules. This is part of the Mass Psychosis and ploy of using the 'Divide and Conquer' technique. They say, 'Trust Science'. 'Believe the Doctors'. 'Have Faith in the vaccines'. When has Science become a Religion? This is the problem with the half that has bought into the COVID-19 Hysteria and Mass Psychosis. There is no more Scientific Method allowed that seeks Truth or Questions Facts. What is occurring is a COVID Medical Tyranny that everyone must and will Obey. One objects to all that. One can only reiterate the List of what is in the COVID-19 Injections.

This is despite what the Companies are not disclosing as potential dangers. So, if a Toy is killing over 10,000 Children, and the Companies are Immune from Lawsuits and Liability due to Congress and Protective Laws in their favor, is that ok? And that Toy is allowed to be manufactured and sold still? And worse, the Governments Mandate the purchase of such Toys exclusively? What does one call that? If the Inventor of the mRNA Vaccine, Dr. Malone of the SALK Institute has publicly stated on many public platforms that 'this type of mRNA 'Vaccine' should not be given', one would think that the People for the COVID Injections would listen. They do not. It is 'Misinformation'.

If it is not coming from Fauci, it is not 'Fact, Science and Truth'. Realize that as one's Medical Doctor may not write that one should be exempt from taking the COVID-19 vaccine on Medical Grounds, one is at their Mercy. For sure the COVID Beast System is against the People. And that the Schools, Businesses, can interpret any 'Exemption' as they wish and deny them. There is more leeway from Independent Doctors to give Medical Exemptions but Religious Exemptions will not be respected nor upheld legally. As one has communicated to one's Supervisor, Family and Friends, even if one does receive an Exemption, either Medical and/or Religious one, one's days are numbered.

Sooner or later, the CDC's Operation Shielding Approach will be the Order, along with many other Executive type of Orders whereby those 'Un-Vaccinated' will have to be forcibly removed from Society. As it is, there is again an uptick in recruitment from the U.S. Army for 'Internment Specialists'. This started since the Obama Year and was to have been executed in Hilary's Term. However, Trump go in the way and the whole roll-out was postponed, but not without the help of Trump after all in the end with Operation Warp Speed. All such Conscientious Objectors such as oneself, will be 'Interned' into COVID-Camps. And one objects to all that.

So, for the time being, if a Letter of Medical and/or Religious Exemption is accepted and granted, it will only be a temporary reprieve. Most People are convinced the COVID-19 Injections are a 'vaccine', despite not being 'Safe and Effective' after all. And yet these same People still believe in them as the 'Only Cure'. Is this not evidence of a Mass Psychosis, then one does not know what one is. And saying that to such People, no one will be able to argue against their Mass Psychosis. To them, their interpretation and 'Religion' of 'Science' says that it is People like one with such Medical Conditions and/or Complications are the ones that should be getting the Shots first.

One would have to disagree with them as a Conscientious Objector and that is when People get mad. Why? It is because it goes contrary to all their Medical Training and or 'understanding' of Germ Theory. As one knows, what the Doctors and Scientist say and believe is Gospel. And what one has to say or believe does not matter. Medical and/or Religious Exemptions are not valid. Conscientious Objections are not valid. Only COVID Injections are valid. One is very disappointed in 'Science' despite knowing one's Medical Pre-Existing Conditions.

The so-called 'People of Science' do not care about Exemptions and there is no sympathy, mercy or support for a Conscientious Objector. Not even in Canada anymore. But this is the World...the 'System', the Beast System so what does one expect? And for good measure, one interjects the Logic and Reason of the following, that leaves some of them with a blank stare but still fall back on 'Science'.

So, one reiterates; one Conscientiously Objects to taking the Mandated COVID-19 Injections. What is the Cost-Benefit vs. the Risk if after one takes the COVID-19 Injections? The Outcome is that All the possible RISKS are assumed and consumed, literally into one's Body and yet one is no better if one had not taken the COVID-19 Injections. What are the Risks? There were more than 20 Risk Factors to include Death as presented in the FDA rushed Zoom Meeting that approved the Emergency Use Authorization.

The FDA fraudulently approved the Emergency Use Authorization to 'experiment' on Human Beings with such never-before tested on Human Being new, mRNA type of technology for Corona Viruses. But Animal Trials was not and is not their Plan. One objects to all that. The Risk? One could be either Dead or suffer permanent life-long Adverse Effects. Then the COVID-19 Injections have proven, by Walensky of the CDC and Fauci, both stating on U.S. National TV that the COVID-19 Shots are not Effective after all in the following Outcomes.

- Do not prevent Infection if one takes the Shot.*
- Do not Prevent Transmission of virus to others.*
- Do not acquire Lasting Immunity.*
- Do still have to wear a Mask that are not designed to stop COVID-19.*
- Is not affective against the Variants that are planned subsequently...*

One objects to all that. So, who is the Crazy One here, Pray Tell for Conscientiously Objecting to taking the 'Poison Death Shots'? One states here that one would rather take the 'Risk' of a COVID-19 Infection, as 'Infections' do not equal Death. And that with Early Treatment, one would have over a 90% chance of Recovery and Survival Rate, according to the CDC's own Statistics.

So, this Conscientious Objector and the entire World, for that matter would rather be better-off if that Risk of NOT taking the COVID-19 Injections were taken and not on something that is Experimental and unknown. The Big Pharma Corporations have no legal obligation to reveal what 'Secret Ingredients' their COVID-19 Poison Death Shots contain that might cause Damage and/or Death. One objects to all that.
