OBEDIENCE TRIAL CLASSIFICATION

ALL AKC-RECOGNIZED BREEDS and ALL AMERICAN DOGS/MIXED BREEDS

Novice A	Utility A	Preferred Novice	Preferred Utility	
Novice B	Utility B	Graduate Novice	Versatility	
Open A	Beginner Novice A	Preferred Open		
Open B	Beginner Novice B	Graduate Open		
NON-REGULAR	Veteran	Brace	Team	Wildcard

Jump Height MUST be included for: Open, Utility, Graduate Novice, Preferred Open, Graduate Open, Preferred Utility and Versatility.

Entries will be arranged in jump height order from 4" to 36" on Sat. & Sun.

NON-REGULAR CLASSES

Brace Class. The Brace class will be for two dogs of the same breed or two dogs listed with AKC Canine Partners of similar height at the withers that are eligible under these regulations and capable of performing the Novice exercises. The dogs need not be owned by the same person but will be handled by one handler. Dogs may be shown unattached or coupled (the coupling device will not be less than 6 inches in overall length). Whichever method is used will be continued throughout all exercises. A separate official entry form will be completed in full for each dog entered. Exercises, performances and judging will be as in the Novice class. The brace should work in unison at all times. Either or both dogs in a brace may be entered in another class or classes.

Veterans Class. The Veterans class will be for dogs that have an obedience title and are at least 7 years old on the date of the trial. The exercises will be performed and judged as in the Novice class. Dogs may be entered in another class or classes. At breed specialty trials, the minimum age requirement for the Veterans class may be set by the breed Parent Club, in which case the age will be stated in the premium list.

Team Class. The Team class will be for teams of any four dogs that are eligible under these regulations. Five dogs may be entered, one to be considered an alternate for which no entry fee will be required. However, the same four dogs will perform all exercises. Dogs may be handled by the owner or any other person, need not be entered in another class at the same trial, and need not have obedience titles. A separate official entry form will be completed in full for each dog entered. No dog may be entered on more than one team. There will be two judges, one of whom will call orders while the other scores the team's performance. The teams will be judged one at a time, except for the group exercises, which will be done with no more than four teams (16 dogs) in the ring.

The dogs on a team will perform the exercises simultaneously and will be judged as specified for the Novice class, except that a Drop on Recall will be used in place of the Recall exercise. In all exercises except the Drop on Recall, the teams have the option of executing the judge's orders on the team captain's repeat of the command. In the Figure Eight portion of the Heel on Leash exercise, five stewards will be used. The stewards will stand 8 feet apart in a straight line. Each handler, with the dog sitting in heel position, will stand about equidistant from each of two stewards with all members of the team facing the same direction. On orders from the judge, the team will perform the Figure Eight, each handler starting around the steward on his/her left and circling only the two stewards between whom he/she had been standing. In the Drop on Recall exercise, the handlers will leave their dogs simultaneously on order of the judge. The dogs will be called or signaled in, one at a time, on a separate order from the judge to each handler. Handlers will, without any additional order from the judge, command or signal their dogs to drop at a spot midway between the line of dogs and the handlers. Each dog will remain in the down position until all four have been called and dropped. The judge will give the order to call the dogs, which will be called or signaled simultaneously. The finish will be done in unison on order from the judge.

Wild Card Novice. The Wild Card Novice class is for any dog that is capable of performing the Novice exercises and that is eligible under the Obedience Regulations to compete in AKC events. No title is required to enter and handlers may enter more than one dog. Dogs in this class may be handled by the owner or any other person, and may be entered in another class or classes. The Novice exercises will be performed and judged as in the regular Novice class except that verbal praise during the exercises is to be encouraged and not penalized. (Good, yes, nice, super, great and atta boy are some examples of praise that would be allowed.) Handlers may give additional commands but they will be penalized accordingly. Each handler may choose to select one exercise as a wild card. The exhibitor will have the option of performing the selected wild card exercise, but will receive the full point value regardless of how the dog performs. When checking in, the handler must inform the steward or judge which exercise will be used as the wild card. The exercises will be performed in the same order as the regular Novice class. The point values for the exercises, scoring and maximum total points are the same as the regular Novice class.

NON-REGULAR CLASSES CONTINUED

Wild Card Open. The Wild Card Open class is for any dog capable of performing the Open exercises and that is eligible under the Obedience Regulations to compete in AKC events. No title is required to enter and handlers may enter more than one dog. Dogs in this class may be handled by the owner or any other person and may be entered in another class or classes. The Open exercises will be performed and judged as in the regular Open A class except that verbal praise during the exercises is to be encouraged and not penalized. (Good, yes, nice, super, great and attahoy are some examples of praise that would be allowed.) Handlers may give additional commands but they will be penalized accordingly. Each handler may choose to select one exercise as a wild card. The exhibitor will have the option of performing the selected wild card exercise but will receive the full point value regardless of how the dog performs. When checking in, the handler must inform the steward or judge which exercise will be used as the wild card. The exercises will be performed in the same order as in the regular Open A class. The point values for the exercises, scoring and maximum total points are the same as in the regular Open class.

Wild Card Utility. The Wild Card Utility class is for any dog that is capable of performing the Utility exercises and that is eligible under the Obedience Regulations to compete in AKC events. No title is required to enter and handlers may enter more than one dog. Dogs in this class may be handled by the owner or any other person and may be entered in another class or classes. The Utility exercises will be performed and judged as in the regular Utility A class except that verbal praise during the exercises is to be encouraged and not penalized. (Good, yes, nice, super, great and attahoy are some examples of praise that would be allowed.) Handlers are allowed to praise their dogs during the performance of all Utility exercises except the signal exercise. Handlers may give additional commands but they will be penalized accordingly. Each handler may choose to select one exercise as a wild card. The exhibitor will have the option of performing the selected wild card exercise but will receive the full point value regardless of how the dog performs. When checking in, the handler must inform the steward or judge which exercise will be used as the wild card. The exercises will be performed in the same order as in the regular Utility A class. The point values for the exercises, scoring and maximum total points are the same as in the regular Utility class.
