...and more!

## Upcoming Adult Fiction

*Paranoid - Lisa Jackson*

There are people in Edgewater, Oregon, who think that twenty years ago, Rachel Gaston got away with murder. Rachel still has no idea how a foolish teenaged game turned deadly—or who replaced her soft pellet air gun with a real weapon. When a figure leapt out at her from the darkness, she fired without thinking. Too late, she recognized her half-brother, Luke, and saw blood blooming around his chest. Despite counseling, Rachel’s horrifying dreams about that night continue. Her anxiety contributed to her divorce from Detective Cade Ryder, though he blames himself too. But as Rachel’s high school reunion nears, she feels her imagination playing tricks, convincing her that objects in her house have moved. That there’s a hint of unfamiliar cologne in the air. That someone is tailing her car. Watching her home. She’s right to be scared. And as connections surface between a new string of murders and Luke’s death, Rachel realizes there’s no escaping the past, and the truth may be darker than her worst fears...

## Upcoming Adult Non-Fiction

### *Every Man a Hero* - Ray Lambert

Seventy-five years ago, he hit Omaha Beach with the first wave. Now Ray Lambert, ninety-eight years old, delivers one of the most remarkable memoirs of our time, a tour-de-force of remembrance evoking his role as a decorated World War II medic who risked his life to save the heroes of D-Day.

*Every Man a Hero* is the unforgettable story not only of what happened in the incredible and desperate hours on Omaha Beach, but of the bravery and courage that preceded them, throughout the Second World War—from the sands of Africa, through the treacherous mountain passes of Sicily, and beyond to the greatest military victory the world has ever known.

## Upcoming Young Adult Fiction

### *Dealing in Dreams* - Lilliam Rivera

At night, Las Mal Criadas own these streets.

Sixteen-year-old Nalah leads the fiercest all-girl crew in Mega City. That role brings with it violent throwdowns and access to the hottest boydega clubs, but Nala quickly grows weary of her questionable lifestyle. Her dream is to get off the streets and make a home in the exclusive Mega Towers, in which only a chosen few get to live. To make it to the Mega Towers, Nalah must prove her loyalty to the city's benevolent founder and cross the border in a search of the mysterious gang the Ashé Riders. Led by a reluctant guide, Nalah battles crews and her own doubts but the closer she gets to her goal the more she loses sight of everything—and everyone—she cares about.
