Roche Fund donations assist eligible LaVilla SOTA students in need with scholarships for private lessons & summer music camp.

*The Virginia H. Roche Fund was established in 2014 to provide resources for high-performing LaVilla School of the Arts orchestra students based on outstanding merit and/or significant financial need. A tireless activist who grew up during the Depression, Virginia Roche dedicated her entire life to helping individuals in need, focusing on underprivileged children, abused animals, and those suffering from illness. In addition to possessing a passion for giving, Roche possessed a love for music and in turn shared this love with her family. This initiative aims to combine Virginia Roche's nurturing and charitable spirit with her passion for music and make it the heart of this scholarship fund. Its mission is to help further the musical career of well-deserving, hard-working string students by assisting with fees for private instruction, tuition for music festivals, & supplies.*
