The Family Picnic was a big success. There were about 90 people in attendance and there was plenty of food, games and prizes. I'd like to thank Sheri Wolf for pulling things together, Allen Evler for making arrangements to get us picnic tables for the event, Mike Amrhein for moving those picnic tables and prepping the grounds, and everyone else who helped with the event.

Keep an eye out for new trees on the property. Thanks to Sheri Wolf and Mike Henry we received a Healing the Planet grant from the Giant Company and Keep America Beautiful for \$2500 towards an arboretum and riparian buffer. We've selected a variety of native species to add to the property, and planting is set to begin on September 14. Additional work details are likely to follow and we're always looking for volunteers, so check the calendar or be on the look out for emails about opportunities to help.

The shooting sports are winding down and hunting season is getting started. October will be your last chance in 2024 to participate in a USPSA, Multi-Gun or 2-Gun Action Challenge match. No weekend matches are scheduled in November to open the ranges to hunters who need to sight in their rifles. Ranges should be open throughout November except for a few hours as needed for work details. Please check the club calendar before you head to the range.

I'd also like to remind everyone about our scholarship program. Each year we award the Phillip W. Stinger Memorial Scholarship to deserving youth who are majoring in Ecology or related studies. Applications will be accepted through the end of September, so you only have a couple weeks left. For more information and the application, visit the webpage.

Finally, be on the lookout for your membership renewal letter. We'll begin sending them out in October and you will have until the end of the year to submit payment and avoid a late fee.

*-Greg Senft*

## MEMBERSHIP RENEWALS FOR

Your upcoming 2025 dues will be collected in much the same manner as last year. You can expect dues notices early in the fall. We will be using the same system as last year. Each of you will have a contact person to whom you will send your renewal information and be the contact point to whom you will mail your renewal form and payment to.

**If you have not received any information and/or your renewal forms by Thanksgiving, be sure to let us know by emailing [rwwood.iwla67.membership@gmail.com](mailto:rwwood.iwla67.membership@gmail.com).**

Again, this year, there will be an option to pay your dues renewal electronically. We ask that you do not mail them to the chapter address and do not bring them to the meetings (it only delays and complicates things). Either pay electronically or send your payment back to the contact point who sent your renewal to you. We want everyone to avoid the late fee of \$25, which will remain again this year. If you want to avoid that late fee, make sure to mail your dues so that we receive them before December 31st. If we have not received your payment, you will not have access to the grounds on January 1st.

If you haven't paid your 2024 dues by the end of 2024 you will have to start the membership process from the beginning, (which includes orientation, work party and initiation fee). Make sure you have your 2024 card now.
