Cattlemen,

As we prepare for our annual sale we hope 2020 will be promising for all of us. Economic conditions are challenging but the cattle business is a great place to be operating. There is always demand for quality food production and RV Bar Angus is committed to producing top quality beef.

This year we will be offering bulls that sport proven bloodlines. These bulls are the latest in Angus genetics which are an excellent selection of growthy, big framed, heavy muscled, structurally correct individuals. Several bulls are exceptional calving ease prospects. The bulls are ready to go to work and bred to be an asset to any program. With the influence of sires like AAR Ten X 7008, Quaker Hill Rampage, MGR Treasure, Sitz Sensation, Jindra Acclaim, S Foundation 514, Ellingson Homegrown, Springfield Ramesses 6124, HPF Optimizer A512 these bulls are made right. Their EPDs and genetics rank in the upper percentiles of the Angus breed. This year we will also offer a few select Sim-Angus and Hereford bulls. With the purchase of 5 or more bulls we will deliver within 150 miles for free. Free feeding will also be available until June 1, 2020. Bulls will be PAP, Trich and semen tested. This group of bulls will be a great bunch to help improve any herd.

We are offering a few females that are of the same background. They have been developed with the same strict standards and pains staking as that of the bulls. The calves they produce will be from top genetics and are sure to stand with the top end of any pen.

If you have any concerns or questions, please contact us and we will be happy to answer them. We invite you to join us on sale day.
