

The Lady Sluggers walk off the Field of Dreams after the final game of the 2025 season.

APRIL 2025

### Lady Sluggers Complete Successful Season

By Larry Wolfe

The Lady Sluggers wrapped up their 2025 season with a successful record of 17 wins vs. 13 losses. After their final game (a win!) at the Field of Dreams, a cookout was held for the players, their opponents that day, Sunland Village, and a large contingent of fans, including many from our men's league who were there to cheer them on to victory.

Team leaders for the 2025 season were as follows:

Most singles: Terry Finley (49)

Most doubles: Grace Alvarado (11)

Most triples: Grace Alvarado (5)

Most homeruns: Holly Hall (4)

The top five hitters for average, based upon a minimum of 50 at bats were Grace Alvarado (.740), Trudy Hall (.724), Holly Hall (.690), Terry Finley (.636) and Jane Harvey (.577).

The team would like to thank Coach Scott Steinmann, Scorers/Scoreboard Operators Lynn & Frank Tanner, Umpires Tom Erpelding & Garnet Hammer, Statistician Lynn Tanner, the Field Preparation Team of Gary Hillabolt & Bill Jacobson and, of course, their many fans who came to watch, for helping make 2025 another great season.
