September 2024

Dear Atwater High School Agriculture / FFA Supporter,

The Atwater High School FFA is having their 13th annual "Atwater FFA Fall Fest" fundraiser on Saturday, October 5th. This event will be sponsored by the Atwater Ag Boosters and is organized to support the Atwater High School FFA's 2024 CA State Champion Vegetable Judging teams' trip to the FFA Washington DC leadership experience October 24-29, 2024 along with supporting various Atwater High School agriculture pathway student projects, events, and activities for the 2024-2025 school year.

We are reaching out to the community, local businesses, agriculture industry and FFA supporters for donations. Donation needs/requests for the event (150-200 PAX) include:

- "Fall Fest" Food – various items that can be prepared/served as hor d'ourves
- "Fall Fest" Wine/Beer – event includes wine/beer
- "Fall Fest" Food/Drink Utensils – include plates, cups, napkins, etc...
- "Silent Auction" Items/Baskets – event will have a "silent auction" (\$30 min value)
- "Live Auction" Items – event will have a "live auction" for high value items
- Auction Table or Bar Sponsor – We will advertise your sponsorship (\$500)
- Cash Donation – funds will go directly into Atwater FFA account

Our goal is to raise \$20,000 to cover the cost of the Washington DC experience for the students along with various Ag/FFA projects.

The Atwater High School agriculture program is recognized by the CA Department of Education and the National Association of Agricultural Educators (NAAE) as one of the nation's "Outstanding High School Agriculture Programs" and is one of the LARGEST single high school agriculture programs in the nation with OVER 1200 individual high school agriculture students actively enrolled! Our goal is to "make a positive difference in the lives of young people" and our program strives to provide students the resources for personal growth, academic achievement, and career success through agriculture education. We are fortunate to be part of a very supportive community and industry that continues to provide funding and resources. We look upon the support as an "investment towards our youth", and our staff is passionate and determined to ensure our supporters see a return on their investment through our program and student's success. Your generous donation will be showcased at our event.

Attached is a donation form. We are sending our letters early and recognize any receipt of a donation may not take place until just prior to the event. Our Federal Tax ID # is listed on the attached form. Upon receipt of your donation, we will provide you a receipt for your records. If you have any questions and/or need additional information, please do not hesitate to contact me.

Thank you for your time, support, and generosity!

Dave Gossman, Atwater High School Agriculture Department
