# What To Pack For Camp

## Packing Guidelines:

- 1) Please LIMIT your packing to 1 large suitcase + 1 bag with sleeping bag & pillow.
  - a. Please put sleeping bag and pillow into a strong and durable marked garbage bag for easy carrying and transportation. You may want to bring a couple empty grocery bags for wet or dirty items when packing to go home.
- 2) Mark wheelchairs with name on heavy duty tape that can be seen on arm or outside back of chair.
- 3) Label EVERYTHING!
  - a. Mark all clothing with marking tapes sewn on or written in waterproof ink.
  - b. Sew tapes or write name at the back neckline on shirts, etc. at rear waist on pants and on the corners of towels, washcloths and blankets.
  - c. Toiletry bag/box and all other items should be marked with the name on adhesive tape with waterproof ink.
  - d. Label the outside of sleeping bag.
  - e. Label the **OUTSIDE and INSIDE** of your suitcase.
- 4) **Pack inexpensive or used, older clothing.** This is strongly suggested as things wear out or sometimes get lost at camp.
- 5) Do **NOT** bring spending money--it is not needed--all snacks are provided.
- 6) What **NOT** to Pack:
  - a. Toys/stuffed animals
  - b. Games/gaming devices
  - c. Electronic devices, cell phones, music players (ipod, mp3 players), etc.

\*\*IF any of these items are packed, they will probably be held & given back at end of Camp.

***\*\*Christian Berets does not assume responsibility for personal items brought to camp, but makes every effort to see that campers return home with all of their belongings.***

The following checklist shows the total # of articles suggested for a 5-day session at camp.

Complete the list and place inside the camper's suitcase where it can be easily found (**not in suitcase pockets**). Indicate in the blank spaces the number of each article brought to camp.
