Quotation

Mitre House

Please find below specification and cost to refurbish the steel windows.

Steel Windows

Side Hung Casement/ and Top Hung Vents

Overhaul and service 4No side hung casements and 4No Top hung vents. Remove excessive paint layers, **only as necessary**, from rebates closing edges and around hinges to give clearance and facilitate full bedding of meeting surfaces. Ease sections where binding and straighten if distorted. Oil, adjust and reset hinges to permit vent to close correctly. Test all on completion and leave in good working order.

Side Hung Casement and Top Hung Vents Operated by Roller Bar Gearing

Disconnect roller bar gearing. Overhaul and service 1No side hung casements, 2No Top hung vents and roller bar gearing. Remove excessive paint layers, **only as necessary**, from rebates closing edges and around hinges to give clearance and facilitate full bedding of meeting surfaces. Ease sections where binding and straighten if distorted. Oil, adjust and reset hinges to permit vent to close correctly. Reconnect roller bar gearing. Test all on completion and leave in good working order.

For the sum of £728.00 Exclusive of V.A.T

Extra Cost

any chance of a reply to this sent last week 28/3/12 - would be very grateful if you could advise. Thanks Paul P-C

Dear Paul,

You really took your call yesterday morning re spares for our lovely Crittall

Paul,

Please accept my apologies for not responding sooner.

The 58 slide stay, similar to image: slideDSCF2163.jpg - 250mm £27.14 or 300mm £27.64
The 375 brass stay, similar to image: stayDSCF2165.jpg - 155mm £18.84 (Natural Brass finish)

Brackets for 375 stays - £4 each. These are pressed metal steel, not galvanised or painted. We do not have a handle that will work with the bracket on the existing window. The 158 handle is the closest to what is currently in situ, it fits into a circular hole on the back plate and closes onto the strike plate. The natural brass non locking handle is priced at £16.96; brackets for these handles are as above, pressed metal, non-galvanised or painted, £4.

All the above prices are less VAT and P&P, this will need to be added.

I hope this help, if we can help further, please do not hesitate to contact us.

Kind Regards

Paul Patten

Subject: Fwd: Crittall spares ref: Paul

Any chance of a reply to this? Sent last week 28/3/12 - would be very grateful (maybe went astray!!!) thanks, Paul B-C

Dear Paul,

You kindly took my call yesterday morning re: spares for our lovely Crittall

Windows - we will need 5 handles, stays and sliders - all in brass or as you said, the sliders are not - would be very grateful for costings based on the attached pixs for ease or not of fitting, or requiring as you said some additional drilling etc - sorry but I forgot to measure - if needed let me know and I'll oblige - ...and if you do know someone we can hire to tidy up these windows considerably and refit your spares, I'd be most grateful - as you can see in photo A_large window - we have that gearing box and bar that's all paint jammed up and needs attention to make it work....

Thanks so much - Paul Constable Mbl 0798 33 33 543
Our location re: your hoped for contact is - 7 Mitre House, 124 Kings Road, London SW3

5 largish windows in total on 3 floors
