What lucky Jupiter and zodiac teacher Saturn will bring you in 2019...

Aquarius: January 20-February 18th

Celebrity Twin: Kenya Moore will cross paths with new friends and social groups.

Jupiter expands friendships and social circles where working in harmony with others can yield great results. Group efforts stand under a lucky star as new ideas and pooling of resources can help achieve personal and joint gain. Saturn pushes you to seek soulful answers which can lead to endings in many areas of life—it's a time to finish old projects, step away from unhealthy situations and behaviors and tie up loose ends.

Astro-Mantra: I am working in harmony with others.

Pisces: February 19-March 20th

Celebrity Twin: Rhianna will receive increased recognition and success.

Jupiter promises career expansion and recognition. Professional success allows you to become a leader in your field. The time has come to let the world know who you are, and what you can do. Market yourself in every conversation. Saturn makes you weed through the social circles as testing friendships burdening you with problems are brought to the surface. Be discerning in the kind of people you associate with.

Astro-Mantra: I am successful in every way.

Aries: March 21-April 19th

Celebrity Twin: Lady Gaga continues to explore the world at every angle.

Jupiter pushes you to see the world and explore other ways of living to see life from different perspectives. Traveling to foreign and exotic lands stands under a lucky star where you become wiser from the experience. Saturn tests you in how to deal with authority figures, extra responsibility and improving your ability to overcome insecurities helps you find your true calling in life. Being patient through all the tests leads to career success.

Astro-Mantra: My vision of the world is expanding

Taurus: April 20-May 20th

Celebrity Twin: Adele benefits from unexpected gains. Jupiter indicates that you can more readily benefit from money you don't earn including inheritances, gifts, lottery wins, financial help, bank loans, government assistance, partners wealth. Expansion through mystical practices can enhance your life. Saturn tests your knowledge by turning your focus on solid worthwhile plans and extra learning is required on your part to be the best.

Astro-Mantra: I am living in abundance.

Gemini: May 21-June 21st

Celebrity Twin: Angelina Jolie will begin to embrace new partnerships.

Jupiter blesses all relationships as you are destined to fall in love and find that someone special in 2019. Marriage and long-term commitments stand under a lucky star. Love expands in all areas of your life. Saturn asks you to make endings with toxic people and situations that are no longer aligned with your path ahead and begin to focus only on those who serve your life direction and values.

Astro-Mantra: I am open to love and commitment.

Cancer: June 22-July 22nd

Celebrity Twin: Ariana Grande will turn her focus on fitness and well-being.

Jupiter boosts physical energies so health and fitness stand under a lucky star. This is a year to pursue health goals by focusing on optimum nutrition and invigorating exercise regimes. Saturn turns to relationships testing: Singleton can thrive alone whilst couples endure many challenges which make or break the partnership. This is a year for growth so you learn a great deal from the people you encounter in 2019.

Astro-Mantra: I am fit and healthy.

Leo: July 23-August 22nd

Celebrity Twin: Kylie Jenner becomes even more creative.

Jupiter expands your creativity and makes it easy to think outside the box which turns your focus to projects that encourage self-expression and productivity. An interest or hobby can turn into a flourishing career. Saturn brings extra responsibility at work where longer hours are required, but the reward will be a promotion and progression. Be aware of co-workers who could cause havoc; stand your ground.

Astro-Mantra: I am a creative in every way

Virgo: August 23-September 22nd

Celebrity Twin: Beyonce focuses on home and family. Jupiter creates expansion around the home, where you re-style and extend your living environment. Property matters stand under a lucky star, so investments in real estate does very well. Saturn brings ups and downs on the romantic front—it's time to take a look at how well your personal needs are compatible with those partners that you attract. Being decisive and pragmatic in matters of the heart is the key to achieving the happiness you crave and deserve.

Astro-Mantra: Balance my needs with that of others.

Libra: September 23-October 22nd

Celebrity Twin: Kim Kardashian West cultivates new and expansive projects.

Jupiter expands your mind making it buzz with new ideas and the urge to communicate your ideas. 2019 is all about spreading your expertise to improve other people's lives. New original ideas are the way forward. Saturn brings some conflict and added responsibility with family members where you are pushed to detach from unhealthy relations and emotions.

Astro-Mantra: I am open to divine inspiration and ideas.

Scorpio: October 23-November 21st

Celebrity Twin: Katy Perry gets lucky with money matters.

Finances can receive a boost in 2019 with Jupiter's blessing. Be confident to ask for a pay rise, or move onto better paid positions—it's all within your reach. Making sound investments will pay great dividends. Saturn can restrict ideas that are impractical; instead only those based on logic and reason will work out for you. It's time for you to turn your attention to mental restructuring and changing your beliefs.

Astro-Mantra: I am living in wealth and prosperity

Sagittarius: November 22-December 21st

Celebrity Twin: Nicki Minaj creates new beginnings.

Jupiter boosts your personal confidence. New beginnings are right around the corner being protected under a lucky star so tap into the power of your personality to meet people and make things happen. With Saturn hard work, persistence will help you make money and grow your investments. You learn to be prudent in all money matters by restructuring how you spend and save.

Astro-Mantra: I am attractive and magnetic

Capricorn: December 22-January 19th

Celebrity Twin: Kate Middleton will turn her focus on the meaning of life.

Jupiter brings spirituality to the forefront as you take a step back from worldly activities to begin a search within for answers to the meaning of life. Traveling the world, studying philosophy, meditation and spiritual development are favored for expanding your soulful journey. Saturn focuses on improving personal weaknesses that have in the past limited your potential. By understanding and resolving your fears, you find a greater freedom and fulfillment that encompass both your personal and professional life.

Astro-Mantra: I am growing spiritually each day. ■
